I have been associated with the Kimberley Process Scheme for nearly one and half years, first as Vice Chair and then as Chair. Personally, it has been an enriching experience to work with all of you. I will cherish this association. I must place on record my deepest gratitude to you for your cooperation and assistance in carrying out my responsibilities, especially as KP Chair. It was a wonderful experience for me.

I am sure you will continue to extend all cooperation and support to Dr. Khullar as you did to me.

With regards,

Yours sincerely
