**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA  
STARRED QUESTION NO. 103 FOR ANSWER ON 25<sup>TH</sup> JULY, 2016 REGARDING  
“ENACTMENT OF NEW ACT ON COFFEE”**

(a) The Main buyers of Indian Coffee are Italy, Russian Federation, Germany, Belgium and Turkey which account for more than 50% of coffee exports from India.

(b) The existing Coffee Act was enacted more than seventy years back. Over the years, the role of the Coffee Board has changed and many provisions of the existing Act have become redundant, especially after abolition of Coffee Pooling System in 1996. The present activities of the Coffee Board are more focused on facilitating increase in production, quality upgradation, research and market promotion. Accordingly, it has been proposed to repeal the Coffee Act, 1942 and enact a new legislation, the Coffee Bill, 2016.

(c) The draft Coffee Bill, 2016 was prepared based on consultations with representatives from industry, growers, traders, exporters and various departments of Central and State Governments. It was posted on the websites of the Department of Commerce and Coffee Board for seeking further suggestions from stakeholders. The suggestions received were regarding the control of coffee industry, definition of coffee and coffee estate, cognizance of offence under the Act etc which are being examined.

(d) The Coffee Exporters Association have represented to Department of Commerce for adding green coffee beans to the exempted list in the proposed Goods and Services Tax. The matter is under consideration.

(e) It has been estimated that there is a likelihood of decline in coffee production in 2016-17 by 8 % as compared to that in 2015-16 due to lack of timely rains and high temperature during the crucial flowering stage. The Coffee Board is providing focused support for water augmentation and extension activities to coffee growers under the 'Integrated Coffee Development Project'. Further, coffee growers have been covered under the Rainfall Insurance Scheme for Coffee under which the growers are given compensation for crop losses due to erratic rainfall.

**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (d) OF LOK  
SABHA STARRED QUESTION NO.104 FOR ANSWER ON 25<sup>TH</sup> JULY, 2016  
REGARDING “SMALL TEA GROWERS”**

(a): Estimated number of small tea growers in various states of the country is around 2 lakh. State-wise details are at Annexure.

(b) & (c): In order to encourage the small tea growers to have their own tea producing units and get better price for their produce, it has been proposed to amend the Tea (Marketing) Control Order, 2003 so as to define Mini and Micro factories and to exempt them from obtaining No Objection Certificate for manufacturing tea.

(d): Various benefits/assistance being provided by the Government to small tea growers including the measures to boost their tea cultivation are as follows:

- i. The Tea Development and Promotion Scheme implemented by the Tea Board has a separate component for the development of small tea growers. The scheme aims at addressing the special needs of small tea growers, particularly in the area of improving production and productivity and establishing processing factories with special focus on enhancement of quality. Financial assistance of around Rs.55.56 crore has so far been extended to the small tea growers in the XII plan.
- ii. A separate Directorate under Tea Board, headquartered at Dibrugarh, Assam has been set up for catering to the developmental needs of small tea growers. The Directorate through its sub-regional offices carries out extension activities aimed at improving quality, consistency and better price realization of Tea.
- iii. In order to ensure better price to small tea growers who supply tea leaves to factories, price sharing formulae have been notified for different tea growing states. Payment of green leaf price to the growers is closely monitored by the District Green Leaf Price Monitoring Committees.

INCENTIVES TO NEW TRADERS

1179(H). SHRI PRAHLAD SINGH PATEL:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether the Government proposes to give incentives to new traders and youths involved in export business;
- (b) if so, the details thereof;
- (c) whether the Government also proposes to provide any special package in this regard; and
- (d) if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) and (b): The “Exports from India Schemes” announced in the new Foreign Trade Policy 2015-20 provide rewards in the form of duty credit scrips to eligible exporters including new traders and youth involved in export business to offset infrastructural inefficiencies and associated costs involved and to provide exporters a level playing field.

Exports of notified goods/products with ITC [HS] code, are rewarded under Merchandise Exports from India Scheme (MEIS). The basis of calculation of reward is on realized FOB value of exports in free foreign exchange at the rate of 2% , 3% or 5% depending upon the tariff lines.

Service Providers of notified services, located in India, are rewarded under Service Exports from India Scheme (SEIS) at the rate of 3% or 5% of the net foreign exchange earned depending upon the type of notified services.

The Government is also implementing the Niryat Bandhu Scheme for, inter alia mentoring new and potential exporters on the intricacies of foreign trade through counseling, training, and outreach programmes.

(c) and (d): There is no proposal under consideration for special package for new traders and youth.

IMPORT OF ARECANUT

1190. SHRI NALIN KUMAR KATEEL:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- whether India is producing significant quantity of arecanut and if so, the details of the production of arecanut during the last three years and the current year; Yearwise;
- whether there is an unabated import of arecanut from neighbouring countries including Indonesia via Sri Lanka as the import duty is low under South Asian Free Trade Area (SAFTA);
- if so, the details of the quantity of imported areca nut under HS Code 0800280 and 080290 during the said period year and month-wise;
- whether the Government is aware that imported arecanut destabilises the domestic arecanut prices and badly affects the arecanut industry and farmers in the country; and
- if so, whether the Government proposes to bring arecanut out of the SAFTA pact to save the domestic arecanut farmers and the industry and if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

- India produces more than 7 lakh MT of arecanut annually. Production of arecanut in the country during the last three years is given below.

Year	Production (MT)
2013-14	698,821
2014-15	727,407
2015-16	702,869

Source: Directorate of Arecanut and Spices Development

- & (c): India imported 31,571 MT of arecanut during 2015-16 from Sri Lanka and 11,283MT from Indonesia during the same period. Details of import against HS Code 080280

(arecanut) and 080290 (other nuts) in the last three years and current year (country, value & quantity wise) are given at **Annex-I**. The month wise import is at **Annex-II**.

(d) Government has taken appropriate protective measures in the interest of arecanut growers. Import Policy of Areca Nut under ITC (HS) code 0802 80 of Chapter 8 of ITC (HS) 2012 – Schedule -1 (Import Policy) is 'free' subject to Minimum Import Price (MIP) of Rs. 162/- (CIF) per kg vide Notification No.10/2015-2020 dated 8<sup>th</sup> June, 2015 (earlier the MIP was Rs.110/). Further Customs has fixed tariff value for import of arecanut at \$2558 per MT (Notification No. 13/2016). Also, Import duty on arecanut has been set at 100% BCD plus 4% Special Additional duty. Further, the Food Safety and Standards Authority of India (FSSAI) has advised its field offices to stringently adhere to the quality standards of arecanut before clearing import consignments.

(e) SAFTA is a regional trade agreement with all South Asian neighbours. This issue was raised during the SAFTA meetings held in Islamabad from 2-6 July, 2015 and the Member States were appraised of India's concern in this regard. The matter has also been taken up bilaterally with Nepal, Bangladesh and Sri Lanka on the compliance of Rules of Origin by the Customs authorities. Customs has been tasked to check the rules of origin with utmost care so as to ensure that arecanut grown in countries other than SAARC is not imported through our neighbouring countries taking advantage of low import duty under SAFTA.

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether cheap imports of Aluminium and other metals into the country are causing tremendous pressure on the domestic industries/manufacturers of these metals;
- (b) if so, the details thereof;
- (c) whether the Government has taken measures to protect the domestic metals manufacturers; and
- (d) if so, the details thereof, metal-wise along with the extent to which these measures have been helpful in protecting the domestic industry?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

- (a) and (b): Excess capacity overseas and downward pressure on international prices in light of the global slowdown has led to enhanced competitive pressure on domestic producers from foreign suppliers in sectors like steel. Commercial transactions of Aluminium and Copper; two important non-ferrous metals, are based on London Metal Exchange (LME) price. Profitability of the primary producers has come down due to fall in LME prices during 2015.
- (c) to (d): The Foreign Trade Policy (2015-2020) provides safeguards against poor quality imports by providing for Domestic Laws/ Rules/ Orders/ Regulations / Technical Specifications/ Environmental/ Safety and Health Standards applicable to domestically produced goods to be applicable, mutatis mutandis, to imports, unless specifically exempted.

Thus, standards as laid down by Bureau of Indian Standards (BIS) on domestic goods are also applicable on imported goods. Imports of steel and steel products have to confirm to standards as laid down in Steel & Steel Products (Quality Control) Order, 2012 and subsequent amendments thereto. Similarly, imports of stainless steel have to confirm to Stainless Steel Products (Quality Control) Order, 2016.

Further, any domestic concern arising out of imports are addressed by appropriate trade defense measures like anti – dumping duty, counter – veiling duty and safeguard duty. Whenever Indian industry is affected by cheaper imports, it can seek remedies from the Government under the above provisions.

To protect and eliminate threat to domestic industry caused by unfair trade practices of dumping of goods into the country, Directorate General of Anti-Dumping and Allied Duties (DGAD) conducts anti-dumping investigations, on the basis of duly substantiated petition filed by the domestic industry. DGAD has imposed anti-dumping duty on steel products as per Annexure-I.

Safeguard duty is also in operation on Steel (Seamless Pipes and Tubes;and,Hot-rolled flat products of non-alloy and other alloy sheet).

On Steel (both flat and non-flat steel)the peak rate of basic customs duty has been increased to 15% in the Union Budget 2015-16, from previous level of 10%.Government has also imposed minimum import price on 173 steel productsvide Notification No.38/2015-20 dated 5.2.2016 to check its cheap imports.

The Government of India has also increased the import duty on unwrought aluminium and other aluminium products by 2.5 percent with effect from 1.3.2016.

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

- (a) As per India's commitments to the World Trade Organization (WTO), the maximum rate of duty permitted for edible oils ranges from 40% (olive oil, edible grade) to 300% (coconut, sunflower, groundnut and palm oil). Currently, the basic customs duty rates applicable on import of all types of crude edible oils (of vegetable origin) is 12.5% and on all types of refined edible oils (of vegetable origin) is 20%, applicable with effect from 17.09.2015. WTO rules do not prescribe minimum duty rates for imports.
- (b) There is no rebate on the import of edible oils. The increase in import of edible oil is required to bridge the gap between domestic production and consumption. Import duties are reviewed from time to time to balance and

harmonise various policy objectives and to safeguard the interests of farmers, processors and consumers.

(c) The quantity of edible oil imported during the last three years is as under:

<b>Year</b>	<b>Quantity (in lakh tonnes)</b>
2013-14	104.67
2014-15	127.31
2015-16	156.39 (provisional)

The basic customs duty rates applicable on import of crude and refined edible oils (of vegetable origin) for the last three years are as under:

<b>Description</b>	<b>Rate of Basic Custom Duties</b>	<b>Period for which applicable</b>
Crude edible oils (of vegetable origin)	Nil	01.04.2008 to 22.01.2013
	2.5%	23.01.2013 to 23.12.2014
	7.5%	24.12.2014 to 16.09.2015
	12.5%	From 17.09.2015 without time limit
Refined edible oils (of vegetable origin)	7.5%	01.04.2008 to 19.01.2014
	10%	20.01.2014 to 23.12.2014
	15%	24.12.2014 to 16.09.2015
	20%	From 17.09.2015 without time limit

(d) Most of the oilseed cultivation is on marginal land and is dependent on rainfall and other climatic conditions. While imports are necessary to meet domestic consumption requirements, government policy is aimed at increasing the domestic production of oilseeds and edible oil through steps such as bringing more area under oilseeds cultivation, improving the productivity of oilseeds cultivation, tapping new sources of edible oil and market intervention through Minimum Support Prices.

IMPORT OF GM FOOD PRODUCTS

1226. SHRI GODSE HEMANT TUKARAM:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether the imported Genetically Modified (GM) food products are entering Indian supermarkets and food chains unchecked;
- (b) if so, the details thereof along with the reaction of the Government thereto;
- (c) whether Directorate General of Foreign Trade has taken any action to check the illegal entry of GM food products in domestic market; and
- (d) if so, the details thereof including the existing regulatory frameworks for GM Food imported into the country?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) to (d): The import policy of Genetically Modified Food, Feed, Genetically Modified Organism (GMOs) and Living Modified Organisms (LMOs) has been notified by Directorate General of Foreign Trade under General Notes regarding Import Policy in ITC (HS) 2012, Schedule-1 (Import Policy). As per the policy, import of GM food requires prior approval of the Genetic Engineering Approval Committee (GEAC) constituted by the Ministry of Environment Forest and Climate Change.

Further, the Customs Act, 1962 is the basic statute which governs /regulates entry/exit of different categories of goods into or outside the country. Various allied laws and regulations also apply. It is the responsibility of the Customs to ensure that all the imported/ exported goods fulfill the prescribed legal and procedural requirements laid down under Customs act, 1962 and allied laws including payment of the duties leviable, if any.

Import of food products is regulated under the Food Safety and Standards Act (FSSAI), 2006. Indian Customs can clear food products including Genetically Modified(GM) food products only after necessary approval/No Objection Certificate(NOC) by FSSAI. FSSAI has informed that no genetically modified food has been cleared for import through the FSSAI locations.

- (b) & (c): The land based International trade between India and Pakistan takes place through Attari-Wagha border, which is not on the Line of Control between India and Pakistan.

- (d) During the 7<sup>th</sup> round of talks on Commercial and Economic Cooperation between Commerce Secretaries of India and Pakistan held in Islamabad on September 20-21, 2012 it was agreed, inter-alia that Pakistan would immediately

remove all trade restrictions through Wagha/Attari border, transition fully to MFN (non-discriminatory) status for India by December, 2012, etc. Pakistan, however, did not adhere to the timelines.

The Commerce Ministers of India and Pakistan met on 18<sup>th</sup> January 2014 on the sidelines of the 5<sup>th</sup> SAARC Business Leaders Conclave held at New Delhi. Both Ministers reaffirmed the commitment of their Governments to expeditiously establish normal trading relations and in this context to provide Non-Discriminatory Market Access (NDMA), on a reciprocal basis. Both sides decided to intensify and accelerate the process of trade normalization, liberalization and facilitation and to implement the agreed measures.

In the meeting between Prime Ministers of India and Pakistan on 27<sup>th</sup> May 2014, India stated that the two countries could move immediately towards full trade normalization on the basis of the September 2012 roadmap worked out between the Commerce Secretaries of both countries.

No bilateral trade meeting between India and Pakistan has taken place since then, and there is no progress on the agreed roadmap.

EXPORT OF MAIZE

1235(H). SHRI RAJU SHETTY:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) the details of export of maize from the country during the last three years and the current year, State-wise and year-wise; and  
(b) the steps taken or being taken by the Government to promote maize exports from the country along with the outcome thereof?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

- (a) The State-wise data for exports is not maintained. The details of export of maize from the country, during the last three years and the current year, are as under:

Quantity in Lakh MT; Value in Rs. crore

YEAR	Quantity	Value
2013-14	42.68	6019.25
2014-15	28.26	4037.86
2015-16	6.50	1089.90
2016-17(Apr-May)	0.97	149.41

Source: DGCI&S

- (b) At present the domestic prices of maize are higher than the international prices making exports from India uncompetitive. No export incentive is provided for export of primary commodities like maize as the Government is aiming to promote the export of processed/value-added products.

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a): As per Memorandum of instructions on Project & Service Exports (Memorandum PEM) of RBI issued in July, 2014, exporters who have sourced orders for undertaking civil construction contracts where execution of the contract's involves grant of fund based and/or non fund based facilities from Indian Banking System or where deferred payment terms are to be offered, require approval from Authorised Dealer/Exim Bank. Authorised Dealer/Exim Bank would consider proposals only from contractors who are on the approved list of Ministry of Commerce and Industry, Government of India, in order to ensure that only contractors having the necessary competence and capability undertake overseas construction contracts. Ministry of Commerce & Industry has nominated the Project Export Promotion Council (PEPC) to handle project exports including projects contracted on the basis of civil construction projects and turnkey projects including engineering, procurement and construction from concept to commissioning.

(b): No Madam.

(c): Does not arise in view of (b) above

(d) : The Project Exports Promotion Council (PEPC) is an autonomous organisation of exporters set up with the objective to promote and develop project exports. It regulates its own affairs.

(e): Details of projects executed by the members of the PEPC in the last three years is annexed.

**LOK SABHA**  
**UNSTARRED QUESTION NO. 1277(H)**  
**TO BE ANSWERED ON 25<sup>TH</sup> JULY, 2016**

**FAKE PRODUCTS BY CHINESE EXPORTERS**

**1277(H). SHRI RAM CHARAN BOHRA:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Government has received reports of alleged sale of fake consumer products and other products of popular Indian brands by Chinese exporters where norms of trademarks have been violated;
- (b) if so, the details thereof along with its impact on national exchequer and the domestic producers;
- (c) whether special cases of selling of such fake products in the country have come to the notice of the Government and if so, the details thereof;
- (d) whether the Government has taken up this issue with the Chinese authorities and if so, the details thereof along with the outcome thereof; and
- (e) if not, the reasons therefor along with the preventive measures being taken by the Government in this regard?

**ANSWER**

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) to (e): Embassy of India has come across some instances of Chinese companies infringing upon copyright/trademark of Indian brands/products such as Natraj, Raymond, JK Files and Tools, Fevicol, Onida, Godrej, Boroplus, Dabur, Mida & Company Private Ltd and some Indian incense stick brands.

Two cases were recently booked by Indian Customs wherein popular Indian brands manufactured in India were imported. The details are as under:

Description of the Item	Indian brand name	Manufacturer	Imported	Tentative value
Cosmetics	Lotus	M/s Kanidi Cosmeceuticals, Solan, H.P.	M/s Shiva Enterprises	Rs. 11,34,360/-
	Lakme, Ponds,	(i) M/s Hindustan Unilever Limited, Uttarakhand	-do-	Rs. 2,27,89,518/-

	Fair & Lovely	(ii) M/s Hindustan Unilever Limited, Andheri, Mumbai (iii) M/s Schwan Stabilo, Mktd.. by Hindustan Unilever Limited, Mumbai		
--	---------------	--	--	--

On receipt of complaints from Indian companies, the cases of copyright/trademark violations are taken up at appropriate level with relevant Government agencies in China by Embassy of India, Beijing.

China recognizes a "first to file" system, which means that the rights of trademark belongs to the first person/company who properly registers the trademark in China. The Chinese side has acted upon few of the cases by allowing the Indian companies to register with the Trademark Office of the State Administration for Industry and Commerce of China. However, the onus of trademark registration and protection in China lies on the enterprises concerned. As per the extant rules in China, the individual enterprise has to file a case in relevant forum by hiring a law firm on reported instances of trademark/copyright infringements.

LOK SABHA  
UNSTARRED QUESTION NO. 1284  
TO BE ANSWERED ON 25<sup>TH</sup> JULY, 2016

**EXPORT FROM LABOUR-INTENSIVE SECTORS**

**1284. SHRI MALLIKARJUN KHARGE:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) the total quantity and value of merchandise exports from labour-intensive sectors of the country during the last three years and the current year, item and yearwise;
- (b) whether the Government has conducted any study to analyse and identify the sectors which are lagging behind in international trade and if so, the details and the results thereof;
- (c) whether the Government has reviewed the impact of the previous stimulus package for the sectors which are lagging behind in exports particularly the labour-intensive sectors; and
- (d) if so, the details and the outcome thereof along with the measures taken by the Government to promote the exports from the labour-intensive sectors?

**ANSWER**

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

- (a) The total value of merchandise exports from the major labour intensive sectors of the country during the last three years and the current year, sector and principal commodity group-wise and year-wise is annexed as Annexure-I.
- (b) to (d) The Government monitors the export performance of different sectors and takes need based measures from time to time, keeping in view the global economic environment. Department of Commerce/Directorate General of Foreign Trade engages with stake holders including Export Promotion Councils to assess the export sector situation.

Based on the assessments and feedback received from exporting community, Government has taken suitable measures to promote exports including by the labour intensive sectors, which include:

- (i) **The Merchandise Exports from India Scheme (MEIS)** was introduced in the Foreign Trade Policy (FTP) 2015-20 on April 1, 2015. MEIS aims to incentivize export of merchandise including export from labour intensive sectors, which are produced/manufactured in India. The details of the scheme are available on website of DGFT: [www.dgft.gov.in](http://www.dgft.gov.in).
- (ii) The Government has introduced the **Interest Equalisation Scheme on Pre & Post Shipment Rupee Export Credit** with effect from 1.4.2015. The scheme is available to manufacturers for all exports under 416 specified tariff lines [at ITC (HS) Codes at 4 digit level] and to exports made by manufacturers in Micro, Small and Medium Enterprises across all ITC (HS) Codes. The rate of interest equalisation is 3% per annum.
- (iii) **Duty Exemption/Remission Schemes** viz Advance Authorisation (AA), Duty Free Import Authorisation (DFIA) and Duty Drawback (DBK) Scheme enable duty free import of inputs for export production, including replenishment of input or duty remission. Schemes to promote exports of Gem & Jewellery include Advance Procurement/Replenishment of Precious Metals from Nominated Agencies, Replenishment Authorisation for Gems, Replenishment Authorisation for Consumables and Advance Authorisation for precious metals. Export Promotion Capital Goods (EPCG) Scheme facilitates import of capital goods at zero duty for producing quality goods and services to enhance India's export competitiveness. Authorisation holder under EPCG is not required to maintain average Export Obligation in respect of export of goods from following sectors viz. Handicrafts, Handlooms, Cottage & Tiny sector, Agriculture, Aquaculture (including Fisheries), Pisciculture, Animal husbandry, Floriculture & Horticulture, Poultry, Viticulture, Sericulture, Carpets, Coir, and Jute.
- (iv) **Market Access Initiative (MAI) Scheme** is an Export Promotion Scheme envisaged to act as a catalyst to promote India's exports on a sustained basis. The scheme provides assistance to Export Promotion Organizations/Trade Promotion Organizations/National Level Institutions/ Research Institutions/Universities/Laboratories, Exporters etc., for enhancement of exports through accessing new markets or through increasing the share in the existing markets.

(v) **Market Development Assistance (MDA) Scheme** is under operation through the Department of Commerce to assist exporters for export promotion activities abroad, assist Export Promotion Councils(EPCs) to undertake export promotion activities for their product(s) and commodities and assist approved organizations/trade bodies in undertaking exclusive non-recurring innovative activities connected with export promotion efforts for their members.

Note 1: Corresponding quantity figures for above sectors are not available as aggregation is not possible due to difficulty in aggregating across different product/commodity types, units of measurement etc. The commodity-wise and country-wise data on quantum and value of exports and imports of the country is available in the CDs of DGCI&S publications "Monthly Statistics of Foreign Trade of India", Vol.I (Exports) and Vol.II (Imports). These CDs are also regularly sent to Parliament Library by DGCI&S, Kolkata, for reference.

Note 2: As the item-wise data will be huge, these sectors have been bifurcated into principal commodity groups wherever possible.

Data is not separately available for export of Rosewood handicraft

(b) to (d): CITES (the Convention on International Trade in Endangered Species of Wild Fauna and Flora) has not imposed any ban on export or import of Rosewood (*Dalbergia latifolia*) which is covered under Appendix 2 of CITES Schedule. As per Schedule 2, Chapter 44 of ITC(HS) Classification of Export and Import Items 2012, export of finished handicraft products of Rosewood is "free" subject to provisions of CITES. Accordingly, export of handicraft products made out of Rosewood requires prior permission by the CITES Management Authority. However, import of Rosewood is "free" without any condition.

**PROBLEMS FACED BY EXPORTERS**

**1286. SHRIMATI MAUSAM NOOR:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether the Government is aware of the long waiting period experienced by exporters in the country in getting their commodities out of the country;
- (b) if so, the reaction of the Government thereto;
- (c) whether the Government has received any representation from trade and chambers of commerce in this regard; and
- (d) if so, the initiatives/suggestions proposed to be taken by the Government in arriving at a rational framework for removal of avoidable constraints in this issue?

**ANSWER**

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) to (c): The Government is aware of the need to ensure that waiting period experienced by the firms in getting their products exported out of the country is minimised, as reduction in time and cost of exporting will enhance India's export competitiveness. This is one of the key issues of doing business issues raised in various forums.

(d): Government has taken a number of steps for reducing the time taken in exporting/importing a consignment. Following are some important measures taken:

- i) The number of documents required for exports and imports has been reduced to three each.
- ii) Filing of import and export declarations and manifests has been made online with digital signatures.
- iii) An electronic messaging system between shipping lines and custodians for electronic delivery order has been introduced.
- iv) Terminal handling receipts have been replaced by web-based e-Form 13 at JNPT, Gateway Terminals India and NhavaSheva International Container Terminal.
- v) Single Window Interface for Facilitating Trade (SWIFT) has been implemented by Customs by integrating FSSAI, Animal Quarantine, Plant

Quarantine, Drug Controller and Wildlife Control Bureau with Customs portal.

- vi) 24x7 Customs clearance facilities have been extended to 19 seaports and 17 air cargo complexes.
- vii) Customs Clearance Facilitation Committee has been set up at every major customs seaport and airport for speedy clearance of import and export of goods.

TRADE TALKS WITH CHINA

**1288. DR. UDIT RAJ:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the administrative agencies in China have not responded to India's demand in three key sectors, viz. pharmaceutical, agriculture and IT services where the country has demonstrative strength;
- (b) if so, the details thereof along with the reaction of the Government thereto;
- (c) whether the Government has held any talks with the Chinese Government in this regard; and
- (d) if so, the details and the outcome thereof and if not, the next course of action of the Government in this regard?

**ANSWER**

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) to (d): India has consistently engaged with China on greater market access for India's exports to China, especially in sectors such as pharmaceuticals, agriculture, IT services etc. India has regularly sought simplification and greater transparency in China's procedures relating to registration, inspection and approvals for Indian Products.

The issue of market access for Indian products like pharmaceuticals, agricultural products and IT Services has been discussed at the highest levels of leadership of the two countries.

During the state visit of Mr. Xi Jinping, President of the People's Republic of China, to India from 17 to 19th September 2014, the Work Plan on Drug Administration and Cooperation was signed between Ministry of Health & Family Welfare of the Republic of India and China Food and Drug Administration of the People's Republic of China. The work plan envisages cooperation between the two sides in fields of drug standards, traditional medicine and drug testing, etc.

During the 3<sup>rd</sup> India-China Strategic Economic Dialogue (SED) a MoU on Cooperation in Information and Communications Technology between Ministry of Communications and

Information Technology of Republic of India and Ministry of Industry and Information Technology of the People's Republic of China was signed. The First Meeting of the Information and Communications Technology (ICT) Joint Working Group on Cooperation in ICT took place in New Delhi from 14-18<sup>th</sup> December 2014.

In the Joint Statement issued during the visit of Hon'ble Prime Minister to China in May 2015 it has been stated that, "The two sides resolved to take joint measures to alleviate the skewed bilateral trade so as to realize its sustainability. Such measures will include cooperation on pharmaceutical supervision including registration, speedier phytosanitary negotiations on agro-products for two-way trade, stronger links between Indian IT companies and Chinese enterprises, and increasing services trade in tourism, films, healthcare, IT and logistics."

Commerce Secretary, during a meeting with Chief Inspector, Chinese General Administration of Quality Supervision, Inspection and Quarantine (AQSIQ), on 17<sup>th</sup> September 2015 in Beijing, requested expedient clearance on the pending requests for market access for Indian agro products. Commerce Secretary also met the Vice-Minister, Ministry of Industry & Information Technology (MIIT) of China on 17<sup>th</sup> September 2015 and discussed the IT & IT Services enablement issues. During the visit, she also had a meeting with Chinese Vice-Minister, Ministry of Commerce, where market access issues on pharmaceuticals, agricultural products and IT services were again flagged.

On an invitation of Export Inspection Council of India, an expert delegation from AQSIQ visited India in September 2015, for field verification of the surveillance and control system of Indian fishmeal/fish oil for enabling exports to China.

Under the India-China Joint Economic Group (JEG) mechanism, a Joint Working Group on Trade in Services has been set up to promote cooperation in IT/ITES and other sectors. The second meeting of Joint Working Group on Trade in Services was held in New Delhi on 23<sup>rd</sup> October 2015.

(c) & (d) The electronics imports/exports of the country contribute to the total trade deficit of India. As reflected in the above table, the trade deficit due to Electronics items forms 18.7%, 22.7%, 29.5% and 43.4% of the total trade deficit of India during 2013-14, 2014-15, 2015-16 and 2016-17 (April-May), amounting to US\$ -25.4, -31.3, -35.0 and -4.6 billion in value terms respectively.

The steps taken by the Government to boost electronic manufacturing for both domestic and export purposes are as under:

1. Promotion of electronics hardware manufacturing is one of the pivotal Flagship Programmes under Digital India campaign of the Government.
2. The National Policy on Electronics (NPE 2012) was notified in October 2012 with the vision to create a globally competitive electronics design and manufacturing industry to meet the country's needs and serve the international market.
3. Modified Special Incentive Package Scheme (M-SIPS) provides financial incentives to offset disability and attract investments in the Electronics Systems Design and Manufacturing (ESDM) sector. The scheme was notified in July 2012. The scheme provides subsidy for investments in capital expenditure - 20% for investments in SEZs and 25% in non-SEZs. The scheme is available for both new projects and expansion projects. For high technology and high capital investment units like Fabs, production subsidy @10% is also provided. The incentives are available for investments made in a project within a period of 10 years. The scheme is open to receive applications till 26.07.2020.
4. Electronics Manufacturing Clusters (EMC) Scheme provides financial assistance for creating world-class infrastructure for electronics manufacturing units. The assistance for the projects for setting up

Greenfield Electronics Manufacturing Clusters is 50% of the project cost subject to a ceiling of Rs. 50 Crore for 100 acres of land. For larger areas, pro-rata ceiling applies. For lower extent, the extent of support would be decided by the Steering Committee for Clusters (SCC) subject to the ceiling of Rs. 50 Crore. For setting up Brownfield Electronics Manufacturing Cluster, 75% of the cost of infrastructure, subject to a ceiling of Rs.50 Crore is provided.

5. Policy for providing preference to domestically manufactured electronic products in Government procurement is under implementation.
6. Electronic Development Fund (EDF) policy has been approved to support Daughter Funds including Early Stage Angel Funds and Venture Funds in the area of Electronics System Design and Manufacturing, Nano-electronics and IT. The supported Daughter Funds will promote innovation, R&D and product development within the country.
7. A meeting of State IT Ministers and State Government Officials was held on 26.08.2014 to encourage them to actively promote electronics manufacturing. Several States have shown keen interest.
8. Approvals for all foreign direct investment up-to 100% in the electronic hardware manufacturing sector are under the automatic route.
9. Under the Electronics Hardware Technology Park (EHTP) Scheme, approved units are allowed duty free import of goods required by them for carrying on export activities, CST reimbursement and excise duty exemption on procurement of indigenously available goods, as per the Foreign Trade Policy.
10. Tariff Structure has been rationalized to promote indigenous manufacturing of electronic items.
11. Mandatory compliance to safety standards has been notified for identified Electronic Products with the objective to curb import of sub-standard and unsafe electronics goods. As of now, 30 electronic products are under the ambit of this Order.
12. Government has approved setting up of two semiconductor wafer fabrication (FAB) manufacturing facilities in India.
13. Two Schemes for skill development of 90,000 and 3,28,000 persons, respectively in the electronics sector have been approved to provide human resource for the industry.
14. The Scheme to enhance the number of PhDs in the Electronic System Design and Manufacturing (ESDM) and IT/IT Enabled Services (ITES) sectors has been approved. 3000 PhDs are proposed to be supported under the Scheme.
15. Keeping in view the huge indigenous requirement on account of roadmap for digitalization of the broadcasting sector, Indian Conditional Access System (iCAS<sup>TM</sup>) has been developed to promote indigenous manufacturing of Set Top Boxes (STBs). The iCAS<sup>TM</sup> is available to domestic STB manufacturers at a price of USD 0.5 per license for a period of three years as against market price of USD 4-5 per license for other competing products. The implementation of iCAS<sup>TM</sup> in the cable networks has already started.
16. An Electropreneur park has been approved for providing incubation for development of ESDM sector which will contribute IP creation and Product Development in the sector.
17. National Centre of Excellence in Flexible Electronics (NCFlexE) is being set up in IIT Kanpur with the objectives to promote R&D; Manufacturing; Ecosystems; Entrepreneurship; International Partnerships and Human Resources and develop prototypes in collaboration with industry for commercialization.
18. National Centre of Excellence for Technology on Internal Security (NCETIS) is being set up at IIT-Bombay with the objective to address the internal security needs of the nation on continuous basis by delivering technology prototypes required for internal security and to promote domestic industry in internal security.
19. Centre for Excellence on Internet of Things (IoT) is being set up in Bengaluru jointly with NASSCOM.

20. An Incubation Centre with focus on medical electronics is being set up at Indian Institute of Technology, Patna.
21. An Incubation Centre with focus on consumer electronics is being set up at IIITM at Kochi.
22. The Department of Electronics and Information Technology (DeitY) provides funding under several schemes for promotion of R&D, including support for International Patents in Electronics & IT (SIP-EIT); Multiplier Grants Scheme and Scheme for Technology Incubation and Development of Entrepreneurs (TIDE) in the area of Electronics, ICT and Management.
23. DeitY has approved a project to be implemented by Global Innovation and Technology Alliance (GITA) to promote Innovation, IP, R&D and commercialization of products, etc. in the ESDM sector by providing funding support to an Industry, for doing collaborative research with an Academic Institute in the priority areas with a timeline of not more than two years.
24. DeitY has approved a project being implemented by Biotechnology Industry Research Assistance Council (BIRAC) to promote scientific and technological research in Medical Electronics sector in India to address the pressing challenges associated with the development of innovative medical electronics and making it available, accessible and affordable to the people at the bottom of the pyramid.

(e) Details of key steps taken by Government to boost exports, including for major sectors which are large contributors to the trade deficit of India, are as follows:

- i. The New Foreign Trade Policy (2015-20) was announced on 1st April, 2015 with a focus on supporting both manufacturing and services exports and improving the 'Ease of Doing Business'.
- ii. In the light of the major challenges being faced by Indian exporters in the backdrop of the global economic slowdown, the envisaged revenue outgo under MEIS was increased from Rs. 18000 Crore to Rs. 21000 Crore in October 2015 with accompanying enhancement in benefits on certain products and inclusion of certain additional items. On 04.05.2016, the Government has extended the market coverage to all countries in respect of 2787 lines. Hence Landing Certificates shall not be required under MEIS w.e.f 04.05.2016. This step has been taken as part of 'Ease of Doing Business' and reduction of Transaction Cost of the exporters. Accordingly, revenue foregone under the scheme has been revised from Rs.21000 Crores per annum to Rs.22,000 Crores per annum.
- iii. The Government is implementing the Niryat Bandhu Scheme with an objective to reach out to the new and potential exporters including exporters from Micro, Small & Medium Enterprises (MSMEs) and mentor them through orientation programmes, counselling sessions, individual facilitation, etc., on various aspects of foreign trade for being able to get into international trade and boost exports from India.
- iv. By way of trade facilitation and enhancing the ease of doing business Government reduced the number of mandatory documents required for exports and imports to three each, which is comparable with international benchmarks. The trade community can file applications online for various trade related schemes. Online payment of application fees through Credit/Debit cards and electronic funds transfer from 53 Banks has been put in place.
- v. Further, the Government continues to provide the facility of access to duty free raw materials and capital goods for exports through schemes like Advance Authorisation, Duty Free Import Authorization (DFIA), Export Promotion Capital Goods (EPCG) and drawback / refund of duties.

DOMESTIC CONSUMPTION OF SPICES

1295. SHRI PINAKI MISRA:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) the total annual quantity of production of spices in the country along with the percentage of spices exported and released for the domestic consumption;
- (b) whether the quantity of spices released for domestic consumption is sufficient to meet the demand;
- (c) if not, the manner in which the Government proposes to meet the demand of the domestic market for the local consumers; and
- (d) the procedure adopted by the Government to strike a balance between the demand for domestic consumption and the demand of the foreign markets?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) to (d) : The annual production of spices in the country is around 6 million tones, out of which about 12 to 14% is exported while the rest is available for domestic consumption. Government implements several programmes for increasing production and availability of spices such as Cardamom through the Spices Board and other spices through the State Horticulture Missions under the Mission for Integrated Development of Horticulture (MIDH). While on one hand, programmes aimed at increasing production and ensuring remunerative prices to farmers through pre and post harvest management and support activities are undertaken, on the other hand, the industry is assisted through adoption of upgraded technology in spice processing, setting up of quality evaluation labs, quality certification and making them available for exports.

**SHRI RAJU SHETTY:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether the Government proposes to make any plan to encourage import and export of fruits and dry fruits from Jammu and Kashmir;
- (b) if so, the details thereof;
- (c) whether the Government proposes to provide any special package to the State Government in this regard;
- (d) if so, the details thereof; and
- (e) the status of India's export of fruits and vegetables across the world along with the measures being taken to boost their exports?

**ANSWER**

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

- (a & b): The Government encourages export of fruits and dry fruits from all the States and Union Territories of India, including Jammu & Kashmir, under its various export promotion schemes. The Government does not have any scheme to encourage import of these products.
- (c) : At present, the Department of Commerce does not have any proposal under consideration for any special package to the State Government of Jammu & Kashmir for export of fruits and dry fruits.
- (d): Does not arise in view of (c) above.

- (e): Details of India's export of fruits and vegetables across the world, during the last three years and the current year, are at **Annexure-I**. Encouraging exports of agricultural products, including fruits & vegetables, is a continuous process. The Agricultural and Processed Food Export Development Authority (APEDA), an autonomous organisation under the Department of Commerce, provides financial assistance to exporters of fruits and vegetables, through various components of its Plan Scheme viz. Infrastructure Development, Market Promotion, Quality Development and Transport Assistance. Besides these measures, the Ministry of Commerce & Industry has put in place various schemes namely Market Development Assistance (MDA), Market Assistance Initiative (MAI) and Merchandise Export Incentive Scheme (MEIS) etc. to provide assistance to encourage exports.

11	India	9532	11596	11507
18	China	4585	4841	5180

(Source UN Comtrade)

It may be noted that during 2015-16, India's exports to US have grown by 27.8%.

(d) : India is considered as Pharmacy of the world for supply of generic medicines, as India exports generic version of drugs for almost all therapies and caters to over 200 countries across the globe.

Quality wise also India is considered to be reliable supplier of quality drugs, which is evident from the fact that Indian manufacturing units have approvals from the international regulatory agencies of countries like USA, EU, South Africa and Japan.

UNSTARRED QUESTION NO. 1335  
TO BE ANSWERED ON 25<sup>TH</sup> JULY, 2016

**SUBSIDY FOR MAINTAINING PRICE STABILITY TO TEA**

**1335. SHRI R.P. MARUTHARAJAA:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Government is continuing the scheme to provide subsidy for maintaining price stability to tea due to international competition and markets;
- (b) if so, the details thereof; and
- (c) the details of security measures taken by the Government in various areas of Assam, Tamil Nadu, Kerala and other tea growing States of the country?

**ANSWER**

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) to (c): The Price Stabilization Fund Scheme was implemented by the Central Government from the year 2003 to 2013 with a view to protect the farmers of plantation crops including tea from losses on account of price fluctuations. The Scheme was reviewed and, in light of the experience gained from implementing the Scheme, a market-linked Revenue Insurance Scheme for Plantation Crops (RISPC) has been proposed for protecting the farmers of plantation crops, including tea plantations, against losses arising from both fluctuations in yield as well as prices.

To ensure social and economic security, the tea garden workers in the country including the States of Assam, Tamil Nadu and Kerala are provided basic welfare services and amenities such as housing, medical and primary education, water supply, sanitation etc. under the Plantation Labour Act, 1951.

Moreover, the workers of the tea industry are covered by various industrial and social security legislations such as Workmen's Compensation Act, Payment of Gratuity act, Provident Fund, Payment of Bonus Act, Maternity Benefit Act, Payment of Wages Act.

Besides, the Government implements through the Tea Board welfare activities for tea plantation workers and their dependents in tea estates under the Human Resource Development (HRD) Scheme.

**TO BE ANSWERED ON 25<sup>TH</sup> JULY, 2016**

**FREE TRADE AGREEMENTS**

**1336. SHRI KESINENI NANI:**

**ADV. JOICE GEORGE:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Government has taken steps to spread awareness amongst the business community about Free Trade Agreements (FTAs) and the possible benefits to them in order to boost trade;
- (b) if so, the details thereof;
- (c) whether a number of agricultural products are being imported into the country by utilising provisions of these FTAs;
- (d) if so, the details thereof; and
- (e) whether the Government proposes to support farmers in distress due to FTAs and if so, the details thereof?

**ANSWER**

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a)&(b): With a view to effectively disseminate information on the Free Trade Agreements(FTAs) signed by India as well as to feed into the process of review of these FTAs, the Department of Commerce regularly conducts FTA outreach programmes across the country. Ten outreach programmes, were conducted in 2013-14 and nine outreach programmes in 2014-15 at different location of the country. The participants in these outreach programmes were primarily exporters and importers in that region. The focus of these outreaches was on the major FTAs signed by India, namely the ASEAN-India Trade in Goods Agreement; the Comprehensive Economic Partnership Agreements (CEPA) with Japan and Korea and the Comprehensive Economic Cooperation Agreement (CECA) with Malaysia. The FTA outreach exercise was continued during 2015-16 with the focus on around 34 industrial clusters so as to provide the requisite information to the smaller and medium enterprises on the opportunities that could be availed under the FTAs.

(c) to (e): In order to protect the interests of agriculture sector, the agreements provide for maintaining sensitive/negative lists of items on which limited or no tariff concessions are granted under the FTA. The Government has largely adopted a conservative policy on agricultural products by maintaining a large number of them in the negative list of FTAs. In this context, inputs are obtained from stakeholders including administrative ministries. The government remains open to considering any specific issues concerning the agricultural sector including producers.

SPECIAL ECONOMIC ZONES

**1352(H). SHRI LAXMAN GILUWA:**

**SHRI KRUPAL BALAJI TUMANE:**

**SHRI MANSUKHBHAI DHANJIBHAI VASAVA:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) the details and total number of Special Economic Zones (SEZs) which are functional in the country at present, State/ UT and location-wise;
- (b) whether it has come to the notice of the Government that some SEZs are not functioning as per the rules;
- (c) if so, the details of such SEZs along with the action taken by the Government in this regard;
- (d) whether the contribution of SEZ companies/units to the total exports from the country is declining year by year and if so, the reasons therefor; and
- (e) whether any SEZ companies/units have been accused of fraud under the Foreign Trade Rules during the said period and if so, the names of such SEZs along with the action taken by the Government against these SEZs?

**ANSWER**

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(INDEPENDENT CHARGE)  
(SMT. NIRMALA SITHARAMAN)

(a) to (c): In addition to 7 Central Government Special Economic Zones (SEZs) and 11 State/Private Sector SEZs set-up prior to the enactment of the SEZ Act, 2005, approval has been accorded to 412 SEZs, out of which 204 SEZs are functional and remaining 226 SEZs are non-functional as on date. States/UTs-wise details of functional/non-functional SEZs is at **Annex-I**.

Review of functioning of SEZs is an on-going process and on the basis of inputs/suggestions received from stakeholders on the policy and operational framework of the SEZ Scheme, Government takes necessary measures so as to facilitate speedy and effective implementation of the SEZ Scheme, including, inter-alia, review meetings with the Development Commissioners of the SEZs, open house meetings with SEZ stakeholders, Road Shows in various States to give wide publicity of SEZs, etc.

(d): Exports from the Special Economic Zones (SEZs) during the last three years show a mixed trend, as under:

Years	Exports (Rs. in Crore)	Growth/decline over previous year
2013-2014	4,94,077	4%
2014-2015	4,63,770	-6.13%
2015-2016	4,67,337	0.77%

The slowdown in SEZs exports is due to a number of reasons including, inter-alia, withdrawal of exemption of Minimum Alternate Tax (MAT) and Dividend Distribution Tax (DDT) provisions, uncertain fiscal regime for SEZs, global factors, etc.

(e): As on date, 29 cases have been reported as fraud in the Special Economic Zones in the country as per list at **Annex-II**, on which appropriate action has been initiated/taken by the concerned authorities.
