Minutes of the meeting of EC of MAI held on 22.11.2016 & 29.11.2016

RoD of discussions / decisions on proposals for 2016-17 and RBSM proposals listed on 22.11.2016

1. Proposals of 2016-17

1.1. Activities other than events (Capacity Building, Branding / Publication)

The proposals were approved by the EC subject to the condition that the concerned Divisions [LSG, EP (Engg) and G&J] would ensure that the proposals are monitored and expenditure incurred are justified in terms of the activities indicated. In respect of branding proposals of EEPC, the outcomes would be monitored by EP (Engg) and IBEF, to be involved in the branding elements considered.

1.2. RBSM Proposals

All the proposals were approved.

1.3 Proposals for events abroad

All the proposals were approved. The organizations were advised to ensure that such late proposals should be avoided unless there are compelling circumstances to include proposals late. The Divisions were advised to follow up with the Missions abroad for participation and giving feedback.

2. RBSM [2017-18]

- 2.1. The Committee laid down the following parameters for holding RBSMs from 2017-18 and onwards:

RBSM proposals should be submitted with coverage of the all relevant verticals or covering all the relevant products of the value chain of the sector, so that a mega event of the sector is created and branded as India centric event as soon as possible.

The funding for the agencies would be made separately and the lead agency would be the one which brings the maximum number of foreign buyers.

2.2. The RBSM proposals listed in the agenda were approved subject to the following:

A. Textiles sector

Ministry of Textile reverted with a consolidated proposal on 29.11.2016. Proposals of Handloom EPC, Indian Silk EPC, SRTEPC and Pdexcil have been merged and consolidated into a single flagship event "Textile India – 2017", to be held in Greater Noida in April, 2017. Separate funding to be made to the four EPCs for this event (*Total buyers 355 and total funding Rs.6.15 crore*).

B. Engineering Sector

- i. Two proposals of IEEMA (Sl. No. 7 & 8 of Agenda Note) merged into one RBSM since both are relating to the electrical sector (*total 650 buyers with the funding of Rs.5.50 crore.*)
- ii. The proposal of Ministry of Steel for the steel sector is to be maintained separately.
- iii. The proposal of PHD Chamber for the machine tools sector with 75 foreign buyers is to be merged with the proposal of EEPC for RBSM at IESS in January 2018. Accordingly, the participation at IESS would be jointly done by PHD Chamber. Foreign buyers at IESS would accordingly get revised to 525 with a total funding of Rs.2.15 crore.
- iv. The proposals of EEPC (Sl. No. 3 & 4 of Agenda Note) were deferred as part of the RBSM proposals for healthcare sector, to be examined by EP (Pharma).

C. Agriculture Sector

The 7 proposals (*Sl. No. 21 – 27 of Agenda Note*) are merged into 4 as indicated below:

- i. **ASSOCHAM** will partner with ICC for Agri-Fisheries Show in April 2017 with a total of 100 buyers. FICCI would also be associated for this event. Venue would be Kolkata

- ii. **FICCI** will partner with ASSOCHAM with Eima-Agri Mach in December 2017 with a total of 250 buyers. ASSOCHAM to bring 40 buyers from Africa.
- iii. **TPCI** will host RBSM as part of India International Food Show in March 2018 with 350 foreign buyers. The India Plantation Show by **FICCI** (*proposed to be held in April 2017*) would also get merged with this event. FIEO to join as appropriate. The final dates and venue to be decided by the agencies mutually, or by EP (Agri) Division.
- iv. The Organic World Congress proposed by **APEDA** in November 2017 would stand without any modifications.

D. Healthcare Sector

For the **healthcare** proposals, the verticals of pharma, medical devices and healthcare services are being considered together. The RBSM proposals for these sectors are consolidated as follows:

- i. The two proposals of **Pharmexcil** (Sl. No. 28 & 29 of Agenda Note) are to be merged into one with participation of 580 buyers with funding of Rs.6.15 crore.
- ii. The proposals of **EEPC** (Sl. No. 3 & 4 of Agenda Note) and **FIEO** (Sl. No. 39 of Agenda Note) are to be merged with the healthcare services RBSM "Advantage Healthcare India" to be held in October 2017, for which FICCI and SEPC shall be the joint participants for healthcare services RBSM.

The participation in the above event accordingly, is consolidated into the following format:

Organization	Vertical	Foreign Buyers	Amount (Rs. in crore)
EEPC	Medical Devices	95	1.10
FIEO	Dental products /services	140	1.50
FICCI	Healthcare services	600	5.00
SEPC	Healthcare services	30	0.30
Total		865	7.90

E. Telecom, Electronics & Software Sectors

Two proposals each of Telecom (Sl. No. 32 & 33 of Agenda Note) and Electronics & Software EPCs (Sl. No. 30 & 43 of Agenda Note) were considered. Both the organizations are to revert with feasibility of convergence for merger of events covering the three verticals, as may be feasible.

F. Handicrafts

Two proposals (Sl. No. 40 & 41 of Agenda Note) were considered and EPCH is to revert with feasibility of convergence of both the events.

G. Gems & Jewellery

Three proposals at (Sl. No. 10, 11 & 12 of Agenda Note) were approved. For the BSM for SAARC countries (Sl. No. 13 of Agenda Note) the Commodity Division would re-examine and revert.

H. Region-centric events:

There are three proposals (Sl. No. 35, 37 & 38 of Agenda Note), focused on specific regions. These are at variance with overall view taken to have commodity/product specific RBSM and do not fit into the overall scheme of RBSM model being adopted in this year. Accordingly, these have been deferred. The concerned Divisions to reconsider the matter.

The approved events are given in the enclosed statements, indicating MAI funding element, participants, etc as follows:

Annex I	-	Additional proposals 2016-17
Annex-II	-	RBSM proposals (Commodities) 2017-18
Annex-III	-	RBSM proposals (Services) 2017-18
