**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA
STARRED QUESTION NO. 16 FOR ANSWER ON 17TH JULY, 2017
REGARDING “SCRAPPING OF DGS&D”.**

(a) & (b): With a view to bring in more transparency, accountability and efficiency in public procurement, Government has decided to have a technology driven platform called Government e-Marketplace (GeM). This is a completely online procurement platform right from registration upto payment to suppliers. Government has also decided to set up a Special Purpose Vehicle (SPV) called Government e-Marketplace (GeM SPV) as a 100% Government owned Section 8 Company registered under the Companies Act, 2013, for setting up and operating the GeM system.

GeM SPV has been incorporated on 17th May, 2017 and CEO has also been appointed.

(c): The Government has notified Public Procurement (preference to Make in India) Policy on 15.06.2017 issued by Department of Industrial Policy & Promotion (DIPP). As per Clause 8 of this Policy in respect of procurement through the Government e-Marketplace (GeM) shall, as far as possible, specifically mark the items which meet the minimum local content while registering the item for display, and shall, wherever feasible, make provision for automated comparison with purchase preference and without purchase preference and for obtaining consent of the local supplier in those cases where purchase preference is to be exercised.

(d) and (e): GeM shall engage both Government officials including DGS&D officials as well as professionals in order to carry out its work in the most efficient manner.

**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA
STARRED QUESTION NO. 19 FOR ANSWER ON 17TH JULY, 2017
REGARDING “PRODUCTS ON GeM”.**

(a) to (e): DGS&D with the technical support of NeGD under Ministry of Electronics & Information Technology has hosted Government e-Marketplace (GeM) portal. The GeM portal is an online end to end procurement portal. It was launched on 9th August 2016. The procurement through GeM is governed by rule No.149 of GFR, 2017 and as per GFR, the procurement of Goods or Services by the Ministries or Departments will be mandatory for Goods or Services available on GeM. As on 6th July, 2017, 4517 Government Organizations have registered on GeM for procurement through it. There are 724 product categories in which 38618 products have been offered by 14074 sellers. Besides, 2732 service providers have offered their services in service category.

Yes, the last Rate Contract for Miniature Circuit Breakers (MCBs) and Distribution Boards (DBs) has expired in August, 2016. However, the indentors can procure these items at competitive rates through GeM in which both of these items are available. GeM supports small manufacturers who can register online without any hassle and can supply to Government organizations. GeM encourages entrepreneurship and enterprise.

SHORTAGE OF SUPPLY IN WORLD'S COFFEE MARKET

***20. KUMARI SHOBHA KARANDLAJE:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether shortage of supply in the world's coffee market is likely to continue for the 3rd consecutive year with the output of robusta, sliding to a level not seen since 2012;
- (b) if so, the details thereof and the reasons therefor;
- (c) whether the Indian coffee exports have increased in view of the global shortage;
- (d) if so, the details thereof; and
- (e) the measures taken/being taken by Government to boost the production and export of coffee along with the financial and technical assistance provided to coffee growers during the last three years?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

a) to e): A Statement is laid on the Table of the House.

**STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA
STARRED QUESTION NO. 20 FOR ANSWER ON 17TH JULY, 2017
REGARDING "SHORTAGE OF SUPPLY IN WORLD'S COFFEE MARKET".**

(a) & (b): Yes, Madam. There is a short supply of coffee in the world coffee market and the production of Robusta in 2016 was recorded to be the lowest since 2012. The details of Robusta Coffee production as per International Coffee Organization(ICO) for the last 5 years is as under:

(in Metric Tonnes(MT))

2012	2013	2014	2015	2016
3560760	3718020	3754320	3789900	3385140

Global production estimates of Coffee for the current year is not available in the data source of ICO.

The lower production is mainly attributed to drought in Vietnam and Brazil and adverse weather conditions in Indonesia which are the largest Robusta coffee producers in the world.

(c) & (d): Yes, Madam. Indian coffee exports have increased during last three years from 2,72,323 tonnes in 2014-15 to 3,56,445 tonnes in 2016-17. The total quantum and value of coffee exported from the country during the last three years are as under:

Year	Quantity (MT)	Value (Rs. Crore)
2014-15	272323	4807
2015-16*	318059	5176
2016-17*	356445	5650

*based on permits issued.

(e) Central Government, through the Coffee Board, is promoting production and export of Coffee by implementing "Integrated Coffee Development Project". The scheme, inter alia, includes extending financial and technical support to boost the production and export of coffee through activities as detailed below:

- (i) Financial support for replantation/expansion, creation of water harvesting and irrigation infrastructures and mechanization of coffee estate operations.
- (ii) Technical assistance through research and extension by organising capacity building programmes, village level group meetings, conducting field demonstrations etc.
- (iii) Supply of seeds / planting materials of improved high yielding disease / pest tolerant varieties, eco-friendly pest control tools like pheromone traps, broca traps, bio agents, analysis of soil for scientific nutrient management, etc.
- (iv) Financial incentives towards export of high value green coffee to far off destinations viz., USA, Canada, Japan, Australia, New Zealand, South Korea, Finland and Norway and for export of value added coffee in retail packs as India brands.
- (v) Participation in International and/or specialized fairs and exhibitions.
- (vi) Organising Buyer Seller Meets.
- (vii) Brand promotion activities and Media publicity.
- (viii) Organising Flavour of India – The Fine Cup Award Competition, India International Coffee Festival and presenting Export Awards annually.

The details of financial and technical assistance provided to coffee growers during the last three years is given in **Annexure-I& Annexure-II** respectively.

TOBACCO PRODUCTION

12. SHRI Y.V. SUBBA REDDY:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the details of the permission given by the Tobacco Board for production of tobacco in the last three seasons and the current season, season-wise and districtwise, in Andhra Pradesh (AP) along with the total production of tobacco by farmers during the said period;
- (b) whether it is true that Tobacco Board started procuring tobacco from 15th March of this year and if so, the details thereof;
- (c) whether the rate of tobacco has been brought down by traders and other procuring agencies which results in great loss to tobacco farmers in Prakasam and Nellore districts of AP and if so, the details thereof and the reasons therefor; and
- (d) whether any requests have been made for intervention and purchase of low and medium grade tobacco leaves by giving farmers a better price and if so, the action taken by the Government in this regard so far?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a): The details of the permission given by the Tobacco Board for production of tobacco in the season-wise and district-wise, in Andhra Pradesh (AP) along with the total production of tobacco by farmers during 2013-14, 2014-15, 2015-16 and 2016-17 (current season) are as under:-

(*Estimated; During 2016-17 Andhra Pradesh Auctions are in progress. Source: (Tobacco Board)

(b): Tobacco Board has commenced the auctions for sale of 2016-17 FCV tobacco in Andhra Pradesh in two phases. In the first phase, auctions were commenced at 17 Auction Platforms on 15/03/2017 and in second phase auctions commenced at one Auction Platform on 06/04/2017.

(c) to (d): No Madam. Considering the average prices being realized during current auction season in Andhra Pradesh, the medium grade tobacco is being marketed at a higher rate of Rs.14/- to Rs.24/- per kg and low grade tobacco at Rs.10/- per kg than the last year. Soil region wise average prices realized for bright, medium and low grades during current season and last year are given as under:

Name of the district	Soil Region	Bright grades		Medium grades		Low grades		Total grades	
		2016 (final)	2017*	2016 (final)	2017*	2016 (final)	2017*	2016 (final)	2017*
East Godavari	Northern Black Soil	122.24	156.22	96.16	114.80	62.35	75.88	99.28	135.91
West Godavari	Northern Light Soil	157.59	161.56	129.95	140.11	86.49	118.23	132.53	151.55
Prakasam & Nellore	Southern Light Soil	136.09	161.89	114.99	139.36	68.73	79.27	109.12	126.63
	Southern Black Soil	137.88	162.06	112.72	127.26	73.56	83.69	107.35	131.42
TOTAL		143.59	161.54	120.48	135.82	74.74	84.08	116.09	136.94

2017* as on 06/07/2017

As could be seen from the above table, the prices realized all the bright, medium and low grade tobaccos are higher than the last year prices for these grades of tobacco.

However, this Department had received a representation from one of the public representatives for intervention and purchase of low and medium grade of tobacco leaves by giving farmers a better price. In this connection, it is stated that though the average prices being realized are higher than the last year prices, farmers under Prakasam and Nellore districts had requested to the Tobacco Board for better prices for medium and low grades to reduce the losses which may arise due to lower productivity on account of drought conditions/ adversity of climate, Orobanche (a root parasite in Prakasam and Nellore districts) incidence. To address the concern of tobacco farmers, the Tobacco Board coordinated with M/s ITC Ltd and other trade members to procure medium and low grades of tobacco at a remunerative price. The companies have responded positively and the volumes are picking up. Out of the total estimated production of 104 million kg in the current season, as on

06/07/2017, a quantity of 64.51 million kg was marketed and the average price of Rs.136.94 per kg which is higher by Rs.14/- per kg for the corresponding volume marketed during the last year.

No such requests for intervention and purchase of low and medium grade tea leaves have been received.

LAND ACQUIRED FOR SEZs

29. SHRIMATI KIRRON KHER:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the details of land area notified, utilised and lying vacant in respect of Special Economic Zones (SEZs) during the last three years and the current year, State/ UT-wise, including Chandigarh;
- (b) the total area of waste land, single crop land and dual crop land out of the above, category-wise; and
- (c) the reasons for acquiring single crop land and dual crop land for being notified for SEZs?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a): During the last three years and current year 42 Special Economic Zones (SEZs) have been notified over an area of 1006.17 hectares. State-wise number of these SEZs and its area notified is at **Annexure**. No SEZ has been notified in the Union Territory of Chandigarh during this period. The vacant land is primarily with private sector or State Public Sector Units (PSU) developers. The development of land and allotment to units by the developers is done based on the demand and market conditions.

(b) to (c): Land is a State subject. Land for Special Economic Zones (SEZs) is acquired as per the policy and procedures of the respective State Governments. State Governments have been advised that in case of land acquisition for SEZs, first priority should be for acquisition of waste and barren land and if necessary single crop agricultural land could be acquired for the SEZs. If perforce a portion of double cropped agricultural land has to be acquired to meet the minimum area requirements, especially for multi-product SEZs, the same should not exceed 10% of the total land required for the SEZ. The Board of Approval for SEZs only considers those proposals, which have been duly recommended by the State Government.

EXPORT OF GEMS AND JEWELLERY

30. SHRI VENKATESH BABU T.G.:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- whether the Gems and Jewellery exports have touched an all time high;
- if so, the details thereof for the last three years, year-wise and the additional revenue earned by the Government through exports;
- whether any steps are being taken to boost the said exports in the coming years; and
- if so, the details thereof along with the targets fixed in this regard and if not, the reasons therefor?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) & (b): The Gems and Jewellery sector had achieved highest ever export in the year 2011-12, i.e. US\$ 46,374.13 million. The export performance of the sector during the last three years is as under: -

Item	(US \$ Million)		
	2014-15	2015-16	2016-17
Gems and Jewellery	41,266.07	39,283.46	43,573.88

Source: DGCI&S

(c) & (d) With a view to strengthen the Gems & Jewellery industry in the country, the Government has taken a number of steps such as establishment of Special Notified Zone (SNZ); setting up of Common Facility Centres for gem and jewellery sector; announcement of separate ITC HS Code for lab-grown diamonds; amendment of wastage and value addition norms for gems and jewellery items; and providing financial assistance for participation in international fairs, organizing buyer-seller meets, creation of export related infrastructure, etc. under various schemes of the Department of Commerce to boost the industry. Further, the export of any sector depends on various factors which are global in nature, viz. Global economic scenario, demand of item, foreign exchange rate, etc. These factors are beyond control of Indian exporters and therefore no target can be fixed.

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the effective steps taken by the Government to Control the flooding of Indian Markets with goods including toys and children play items containing hazardous chemicals/materials from China, Taiwan and Korea;
- (b) the list of items for which imports from various other countries particularly China, Taiwan and Korea have been imposed prohibition in the last three years;
- (c) whether the Government has taken any effective steps to protect the domestic manufacturers from the flooding of imports from these countries; and
- (d) if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a)& (b): India has an elaborate and robust legal framework and institutional set up to protect its environment, life and health of its people, plants and animals. Adequate provisions exist under the Foreign Trade Policy to protect the Indian consumers and producers, as imported goods are subject to domestic laws, rules, orders, regulations, technical specifications, environmental and safety norms. The BIS standards applicable to domestic goods are also applicable to imported goods. The Government of India has taken various measures for checking sub-standard imports, which inter-alia includes the following:

1. Government has imposed prohibition on import of milk and milk products (including chocolate and chocolate products and candies/confectionary/ food preparations with milk or milk solids as an ingredient) from China since 01/12/2008, which has been extended from time to time and these products are currently prohibited till 23.6.2018. This is the only China specific measure.

2. Import of Toys under EXIM Codes 9503 0010, 9503 0020, 9503 0030 and 9503 0090 are free for import subject to the following two types of certificates:

(i) A certificate that the toys being imported conform to the standards prescribed in

- (a) ASTM F963 or
- (b) ISO 8124 (Parts I-III) or
- (c) IS 9873 [Parts I-III] or
- (d) EN 71; and

(ii) A Certificate of Conformance from the manufacturer that representative sample of the toys being imported have been tested by an independent laboratory which is accredited under International Laboratory Accreditation Cooperation (ILAC) Mutual Recognition Arrangement (MRA) and found to meet the specifications indicated in (i) above. The certificate would also link the toys in the consignment to the period of manufacture indicated in the Certificate of Conformity.

(c)& (d): The issue of injury to domestic industry can be addressed through trade defence measures like anti – dumping duty, counter – veiling duty and safeguard duty. Indian industry can seek remedies under the above provisions. Directorate General of Anti-dumping & Allied Duties(DGAD) under the Department of Commerce conducts anti – dumping and countervailing investigations on the basis of duly substantiated petitions filed by the domestic industry affected by such imports. Similarly, Directorate General of Safeguards under the Ministry of Finance conducts safeguard investigation based on which the Central Government imposes Safeguard Duty on any article imported into India in such increased quantities and under such conditions so as to cause or threaten to cause serious injury to the Indian domestic industry.

(a) The Merchandise Exports from India Scheme (MEIS) is in operation since April 1, 2015 under the Foreign Trade Policy (FTP) 2015-20. It aims to incentivize export of merchandise which are produced/manufactured in India. The scheme covered 4914 tariff lines at 8 digit level. Subsequently, the coverage was widened and rates were enhanced for some of the tariff lines under MEIS. At present, 7914 tariff lines are covered under the MEIS Scheme. The projected revenue to be foregone under the scheme is estimated at Rs.23,500 for 2016-17.

Initially, destination countries were grouped into 3 market categories -Country Group A, Country Group B & Country Group C with differential rate of MEIS. Government has extended the market coverage of included lines to all countries and dispensed with the requirement of submission of Proof of Landing for exports w.e.f 04.05.2016. This step has been taken as part of ease of doing business and reduction of Transaction Cost of the exporters.

From the data available (table below), it is seen that in Rupee terms, the exports of items covered under MEIS Scheme have grown by 11.64% during 2016-17 while the growth of exports for items not covered under MEIS was 2.86% during the same period.

Category of Exports	2015-16	2016-17	% growth Year On Year
Export of items/ ITC(HS) Tariff lines covered under MEIS	990885.5	1106206.4	11.64%
Export of items/ ITC(HS) Tariff lines not covered under MEIS	725492.5	746261.0	2.86%

CASHEW INDUSTRY

75. SHRI N.K. PREMACHANDRAN:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether it comes to the notice of the Government that the cashew industry is facing a crisis and if so, the details thereof along with the action taken by the Government to promote the cashew industry;
- (b) whether the Government is aware that the cashew industry depends on imported raw cashew nuts;
- (c) if so, the action taken by the Government to provide sufficient quantity of raw cashew nuts to the industry;
- (d) whether it is a fact that a large number of cashew industries have closed down due to non-availability of raw cashew nuts and if so, the details thereof; and
- (e) whether the Government has received complaints/representations from Kerala to change the import-export policy and customs tariff with regard to cashew for saving the industry and if so, the action taken by the Government thereon?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) to (c): No, Madam. However, It has come to the notice of the Government that due to non availability of sufficient quantity of raw cashewnuts and higher price for raw cashew nut in the international market, the cashew industry is facing the prospect of a demand-supply gap. Considering the challenges being faced by the cashew industry and to promote the trade, the Government has reduced rate of Goods and Service Tax (GST) to 5% from 12% for Cashew nuts. Beside, the Government is allowing duty free import of raw cashewnuts under Duty Free Tariff Preference (DFTP) Scheme from Least Developed Countries (LDCs). Export incentive under MEIS for cashew has also been revised to 3% for all A, B & C group countries.

Considering the demand-supply gap in domestic market, the Government of India has drawn up strategies to increase domestic production by massive area expansion

of cashew and replacing of senile cashew plantations with high yielding varieties in traditional and non-traditional states under National Horticulture Mission(NHM) through State Horticulture Mission(SHM) and State owned corporations apart from already established cashew plantations in 10.50 lakh hectare in various cashew growing states with yield of 7.79 lakh Metric Ton of raw cashew nuts.

(d) The Government has no such information regarding closure of cashew industry due to non-availability of raw cashew nut.

(e) This Ministry had received various representations/complaints from Kerala regarding revision of Custom Duty on Raw Cashew Nut. It is stated that exemption from import duty was withdrawn and 5% BCD and 4% SAD was imposed on them by the Government w.e.f. 1.03.2016. Ministry of Finance has informed that the decision was taken on the grounds that a substantial quantity of cashew nuts in shell is imported for domestic consumption and not for export production and that other nuts in shell attract Basic Custom Duty (BCD) of 10% to 30% in general. The levy of 5% BCD on import of cashew nut in shell is neutralized under various schemes. That being so, there is no economic justification for exempting imports duty on cashew nuts in shell for domestic consumption.

2017-18* (01.04.2017 to 11.07.2017)	119025	1936

* Based on permits issued

The country – wise export of coffee and revenue generated during last three years and the current year details are enclosed in Annexure-I.

- (c) The working conditions of coffee plantation workers are governed in accordance with the Plantation Labour Act 1951, Equal Remuneration Act 1976, Employees Provident Fund and Miscellaneous Provisions Act 1952, Gratuity Act 1972, Bonus Act 1965, Workman Compensation Act 1923. The Plantation Labour Act (PLA), 1951, administered by Ministry of Labour & Employment and enforced by the concerned state governments requires the employers to provide the workers with housing, medical facilities, sickness and maternity benefits and other forms of social security measures. There are provisions for educational facility for the children, drinking water, conservancy, canteens, crèches and recreational facilities for the benefit of the tea plantation workers and their families in and around the work places in the tea estates. The Labour Department of the State Governments monitor the implementation of the provisions of this Act.

Apart from the above, Coffee Board has been providing the welfare support to children of labourers and tiny farmers under the scheme “Integrated Coffee Development Project”. Educational stipend and financial assistance is provided to the children of labourers and children of tiny growers in order to ensure that the children of plantation workers pursue higher studies after Xth class. During the XII Plan period, an amount of Rs.10.34 crore has been extended to 41,927 beneficiaries.

- (d) As per extant Foreign Direct Investment (FDI) policy, FDI upto 100% under the automatic route is permitted in Coffee plantations subject to sectoral conditions. For sectors under automatic route no prior approval of the Government or the Reserve Bank of India is required.

- (c) whether India is already facing resistance by its domestic small trader lobby over allowing foreign direct investment in e-commerce and is keen to conclude the pending food security related issues before allowing any fresh issues to be taken up by the WTO and if so, the details thereof including the reaction of the Government thereto?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) The sixth Aid for Trade Global Review will take place at the WTO on 11-13 July 2017. The Aid for Trade initiative was launched in 2005 with the aim of addressing the supply side and trade-related infrastructure constraints that often hamper developing countries' participation in global trade. The 2017 Global Review is dedicated to the theme of "Promoting Trade, Inclusiveness and Connectivity for Sustainable Development", and will provide an opportunity for stakeholders to look at how Aid for Trade can contribute to the integration of developing countries and least developed countries into the multilateral trading system and the achievement of the 2030 Agenda for Sustainable Development. The Aid for Trade Global Review 2015 highlighted how high trade costs slow growth and development by pricing many suppliers in developing and least developed countries out of global markets. The 2017 Global Review develops this theme further by extending analysis of trade costs into the area of digital connectivity. The Review will discuss the economic consequences of the digital divide and strategies to help policymakers, firms, women and SMEs to bridge this divide.

(b)The definitions of digital trade and e-commerce require further deliberation at various bodies of the WTO to bring clarity on the scope of the subject. E-commerce presently is not on the agenda of the WTO.

(c) FDI policy in different sectors including on e-commerce sector is formulated after extensive consultations with stakeholders including concerned Ministries/Departments concerned and apex industry chambers .

India has been working with WTO members especially the developing countries to ensure that its interests in the WTO negotiations are protected. Implementation of Bali and Nairobi Ministerial Decisions, especially on public stockholding for food security purposes is a priority for India in the negotiations and India is working for a permanent solution in this area.

- whether the Government has any plan to close down Rubber Board regional offices in Kerala or shifting Rubber Board from Kerala to some other State and if so, the details thereof along with the reasons therefor?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) Details of state-wise number of Field Offices of Rubber Board functioning in the country are as under:

State	Number of Field Offices
Tamil Nadu	2
Kerala	111
Karnataka	6
Goa	1
Odisha	2
West Bengal	1
Assam	10
Tripura	10
Manipur	1
Meghalaya	5
Nagaland	2
Arunachal Pradesh	5

Mizoram	1
Total	157

- (b) Major portion of new planting of rubber has been in non-traditional regions during the recent past and therefore it has been decided to open new Field Offices in non-traditional regions including the North East.
- (c) The Board shifted/merged 26 Field Offices to adjacent Field/Regional offices in Kerala to save establishment expenses. The jurisdiction of Field Officers of the shifted/merged Field Offices continued to be same as before and there was no reduction in the number of Field Officers. Hence, there is no compromise in the services/facilities offered to rubber growers.
- (d) Reorganisation of Regional Offices of the Rubber Board has been done to reduce establishment and operating expenses of the Board without compromising on the extension and other services rendered to growers. Regional Office (RO) of Rubber Board at Ernakulam was closed by merging with Muvattupuzha RO as rubber planted area in the service area of the Ernakulam RO substantially declined on account of urbanization. Development Offices (DO) are established at locations where ROs are reorganized for providing extension services and only administrative/general functions are merged with nearby ROs. The following ROs were reorganized.
- Kothamangalam RO merged with Muvattupuzha RO and a DO established at Kothamangalam.
 - Kottayam RO merged with Changanacherry RO and a DO established at Kottayam.

There is no plan to shift Head Office of Rubber Board from Kerala.

- (c) Imported waste and scrap is used as secondary raw material for conversion into new raw materials. The recycling process promotes small industries which use recycled scraps from sectors like automotive, power, infrastructure, construction and white goods. Recycling is environmentally more sustainable and it is a cheaper source of raw materials.
- (d) to (e) Import of any form of metallic waste, scrap is subject to Pre-Shipment Inspection Certificate (PSIC) from the Pre- Shipment Inspection Agencies (PSIA) for radiation & arms and ammunition. Any violation in terms of import conditions or wrong certification is penalized under the provisions of the Foreign Trade (Development and Regulation) Act, 1992 (as amended from time to time).

Further, Ministry of Electronics & Information Technology (MeitY) is involved in developing technology to recycle e-waste in an environment friendly manner. A number of R&D projects have been initiated under MeitY to find out technological solution on e-waste recycling in an environment friendly manner.

Moreover, under the Environment Protection Act, 1986 and Rules there under, import of products, equipment containing Ozone Depleting Substances (ODS) is subject to Rule 10 of the Ozone Depleting Substances Rules, 2000. Similarly, the Government has comprehensively revised its regulation on hazardous materials through Hazardous and Other Wastes (Management & Transboundary Movement) Rules, 2016 dated 4th April, 2016 wherein items included in the Schedule-VI of the Rules such as metal and metal bearing wastes, wastes containing principally organic and inorganic constituents which may contain metals and organic /inorganic materials, used critical care medical equipment for re-use, solid plastic waste, waste edible fats and oils of animal or vegetable origin (e.g. frying oil), waste pneumatic tyres for direct reuse, Wastes collected from household/municipal waste etc. are prohibited for import from all countries. Import of Hazardous Chemicals is also subject to the provisions of the Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989 (made under the Environment (Protection) Act, 1986) and violations of provision under these acts / rules are punishable as per the provisions under these Acts / Rules.

LOK SABHA
UNSTARRED QUESTION NO. 127(H)
TO BE ANSWERED ON 17th JULY, 2017

INDIA'S IMPORTS AND EXPORTS

**127(H). SHRI SHER SINGH GHUBAYA:
DR. RAVINDRA KUMAR RAY**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- the item-wise details of imports and exports made from the country during the last three years and the current year along with the value thereof;
- whether the country's export has been continuously increasing during the last one year and if so, the details thereof; and
- the steps taken/being taken by the Government to increase the exports/ imports?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a): The Principal Commodity-wise details of India's merchandise imports and exports along with the values thereof for the last three years and the current year are at **Annexure-I & Annexure-II** respectively.

(b): India's merchandise exports have registered a positive growth rate during the last financial year (except in the months of April, May and July, 2016) and the current year as compared to the corresponding period of previous year as reflected in the following month-wise export details:

Months	2015-16 (in US\$ Billions)	2016-17 (in US\$ Billions)	% Growth	2016-17 (in US\$ Billions)	2017-18 (in US\$ Billions)	% Growth
April	22.14	20.89	-5.63	20.89	24.62	17.87
May	22.53	22.40	-0.59	22.40	24.01	7.18
June	22.32	22.66	1.49			
July	23.28	21.68	-6.87			
August	21.58	21.60	0.07			
September	21.87	22.91	4.74			
October	21.46	23.35	8.82			
November	19.56	20.06	2.55			
December	22.59	24.04	6.39			
January	21.20	22.29	5.13			
February	20.85	25.54	22.54			
March	22.91	29.14	27.20			
Total	262.29	276.55	5.44	43.29	48.63	12.34

- (c): The Government has taken following steps to increase the country's exports:
- (i) The New **Foreign Trade Policy (2015-20)** was announced on 1st April, 2015 with a focus on supporting both manufacturing and services exports.
 - (ii) The **Merchandise Exports from India Scheme (MEIS)** has been introduced in the Foreign Trade Policy (FTP) 2015-20 on 01.04.2015 with the objective to offset infrastructural inefficiencies and associated costs involved in exporting goods/products which are produced/ manufactured in India and to provide a level playing field to Indian exporters, especially those having high export intensity and employment potential. The Scheme incentivizes exporters in terms of freely transferable Duty Credit Scrips which are transferable and can be used to pay certain Central duties/taxes including customs duties. The Scheme covers exports of 7914 tariff lines at 8 digit levels to all countries.
 - (iii) The **Services Exports from India Scheme (SEIS)** has been introduced in the Foreign Trade Policy (FTP) 2015-20 on 01.04.2015. The Scheme provides rewards at the rate of 3 to 5% on Net Foreign Exchange earnings, to service providers of notified services from India to rest of the world, in the form of Duty Credit Scrips which are transferable and can be used to pay certain Central duties/taxes including customs duties.
 - (iv) The Government has implemented the **Niryat Bandhu Scheme** with an objective to reach out to the new and potential exporters including exporters from Micro, Small & Medium Enterprises (MSMEs) and mentor them through orientation programmes, counseling sessions, individual facilitation etc., on various aspects of foreign trade for being able to get into international trade and boost exports from India.
 - (v) As part of the "**Ease of Doing Business**" initiatives, the Government has launched **Single Window Interface for Facilitating Trade (SWIFT)** clearances project w.e.f 1st April, 2016. The scheme enables the importers/exporters to file a common electronic 'Integrated Declaration' on the Indian Customs Electronic Commerce/Electronic Data Interchange (EC/EDI) Gateway i.e. ICEGATE portal. The Integrated Declaration compiles the information requirements of Customs, FSSAI, Plant Quarantine, Animal Quarantine, Drug Controller, Wild Life Control Bureau and Textile Committee. It replaces nine separate forms required by these 6 different agencies and Customs.
 - (vi) **Interest Equalization Scheme on pre & post shipment credit** was launched to provide cheaper credit to exporters.
 - (vii) A new scheme called **Special Advance Authorisation Scheme** for export of articles of Apparel and Clothing Accessories was introduced w.e.f. 1st September 2016 wherein exporters are entitled for an authorisation for fabrics including inter lining on pre-import basis and all industry rate of Duty Drawback for non-fabric inputs on the exports.
 - (viii) Further, the Government continues to provide the facility of access to duty free raw materials and capital goods for exports through schemes like Advance Authorization, Duty Free Import Authorization (DFIA), Export Promotion Capital Goods (EPCG) and drawback / refund of duties.

- (ix) The Government launched a new scheme called **Trade Infrastructure for Export Scheme (TIES)** w.e.f. 15th March, 2017 with the objective to enhance export competitiveness by bridging gaps in export infrastructure, creating focused export infrastructure, first mile and last mile connectivity for export oriented projects and addressing quality and certification measures. The Central and State Agencies, including Export Promotion Councils, Commodities Boards, SEZ Authorities and Apex Trade Bodies recognised under the EXIM policy of Government of India are eligible for financial support under this scheme.
- (x) The Government has approved the proposal for notification of commitments under the **Trade Facilitation Agreement (TFA)** of World Trade Organization (WTO), ratification and acceptance of the Instrument of Acceptance of Protocol of TFA to the WTO Secretariat and constitution of the National Committee on Trade Facilitation (NCTF). The Trade Facilitation Agreement (TFA) contains provisions for expediting the movement, release and clearance of goods, including goods in transit. It also sets out measures for effective cooperation between customs and other appropriate authorities on trade facilitation and customs compliance issues. These objectives are in consonance with India's "Ease of Doing Business" initiative.

Statement referred to in reply of part (a) of Lok Sabha Unstarred question no. 127 for answer on 17th July 2017.

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) Yes, Madam.

(b) Govt. has taken the policy decision to expand the research capabilities of the centre for WTO Studies under renamed Institution Centre for Research and International Trade (CRIT) which will continue to be a part of Indian Institute of Foreign Trade (IIFT). Accordingly, the Department has approved the proposal to set up four additional Centres in all, viz. Centre for Trade and Investment Law', 'Centre for Regional Trade', 'Centre for Trade-Related Capacity Building', and 'Centre for Trade Promotion' along with existing Centre for WTO Studies (since 1999). These Centres are being formed to widen scope to better handle contemporary and future requirements like international trade law, regional studies, trade promotion and capacity building. Two of proposed new four Centres namely 'Centre for Trade and Investment Law', and 'Centre for Regional Trade' have already become operational this year. Stated aims and objectives of the Scheme are:

i) Centre for Research and International Trade:

To influence international discourse on trade and investment issues in consonance with India's interest. Detail objective of Centre for Research and International Trade (CRIT) may be seen at Annexure-I

ii) Centre for WTO Studies:

To provide institutional support to the government on negotiations in WTO as well as on other trade related issue. Detail objectives of Centre for WTO Studies, as per approved bye-laws, may be seen at Annexure-II.

iii) Centre for Trade and Investment Law:

For creating dedicated pool of legal experts who can advise the govt. on trade and investment issues. Without a risk of conflict of interest. Detail objectives of Centre for Trade and Investment Law (CTIL), as per approved bye-laws, may be seen at Annexure-III.

iv) Centre for Regional Trade:

For analyzing economic developments in different regions and assessing their implications for India with China chair, ASEAN chair, Africa Chair to start with. Detail objectives of Centre for Regional Trade (CRT), as per approved bye-laws, may be seen at Annexure-IV.

v) Centre for Trade-related capacity building:

To undertake training for government officials/stake holders of India, other 'least developed countries' and developing countries in capacity building for WTO matters (proposed). Detail objective this centre will be worked out when the bye-laws are framed.

vi) Centre for Trade Promotion:

To undertake research for enhancing India's market access and promoting exports. Its activities would have territory/product focus. It would advise the Government and exporters on export opportunities, constraints and market access barriers in main markets (proposed).

(c) Yes, with specific objective as above.

(d) Besides these centres, there is no other proposal for setting up any other think tanks for global trade and investment issues.

PURPOSE AND OBJECTIVES OF CENTRE FOR RESEARCH AND INTERNATIONAL TRADE (CRIT)

- (c) whether any cases of violation of guidelines related to spending under CSR have been reported to the Government during the period; and
- (d) if so, the details thereof along with the action taken by the Government in these cases?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) &(b): The details of funds allocated and spent by the Central Public Sector Enterprises (CPSEs) under Ministry of Commerce and Industry for Corporate Social Responsibility (CSR) during the last three years and the current year are at Annexure – 1.

The CPSEs spend the amount for Corporate Social Responsibility (CSR) activities on projects related to promotion of education, environmental sustainability, employment enhancing vocational skills, social welfare, sanitation and hygiene, promotion of health care/preventive health care, etc.

No sectoral or state-wise allocation of funds for CSR is done by the CPSEs. The details of projects undertaken by CPSEs under CSR in Chandigarh and Madhya Pradesh is at Annexure – 2.

- (c) & (d): No case of non-compliance of guidelines relating to spending of CSR by CPSEs has been reported during the last three years.

- whether the Federation of Indian Export Organisations has requested the Government to revisit the strategy for export of these items;
- if so, the details and the outcome thereof; and
- the steps taken/being taken by the Government to increase the global market share and boost the export?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a): The details of annual average share of India in global trade are as follows:

Years	India's Share in World Merchandise Plus Services Exports	India's Share in World Merchandise Plus Services Imports
2012	1.9	2.7
2013	2.0	2.5
2014	2.0	2.5
2015	2.0	2.4
2016	2.0	2.4

Source: WTO database

(b) & (c): As per information received from Federation of Indian Export Organisations (FIEO), of the 5800 tariff lines at 6 digit level (ITC-HS), 200 such lines contribute about 50% of India's exports. Of these 200 lines, in respect of 61 lines India's share of exports has fallen in Global imports between 2011 and 2016. These 61 lines are listed in **Annexure-I**.

(d) to (f): Suggestions for reform of trade strategy are received from stakeholders, including FIEO, from time to time, which are taken into consideration as part of the regular ongoing process of review and reform of trade policy. As part of this process Government has taken the following steps to increase the competitiveness of India's exports:

- (i) The New **Foreign Trade Policy (2015-20)** was announced on 1st April, 2015 with a focus on supporting both manufacturing and services exports.
- (ii) The **Merchandise Exports from India Scheme (MEIS)** has been introduced in the Foreign Trade Policy (FTP) 2015-20 on 01.04.2015 with the objective to offset infrastructural inefficiencies and associated costs involved in exporting goods/products which are produced/ manufactured in India and to provide a level playing field to Indian exporters, especially those having high export intensity and employment potential. The Scheme incentivizes exporters in terms of freely transferable Duty Credit Scrips which are transferable and can be used to pay certain Central duties/taxes including customs duties. The Scheme covers exports of 7914 tariff lines at 8 digit levels to all countries.
- (iii) The **Services Exports from India Scheme (SEIS)** has been introduced in the Foreign Trade Policy (FTP) 2015-20 on 01.04.2015. The Scheme provides rewards at the rate of 3 to 5% on Net Foreign Exchange earnings, to service providers of notified services from India to rest of the world, in the form of Duty Credit Scrips which are transferable and can be used to pay certain Central duties/taxes including customs duties.
- (iv) The Government has implemented the **Niryat Bandhu Scheme** with an objective to reach out to the new and potential exporters including exporters from Micro, Small & Medium Enterprises (MSMEs) and mentor them through orientation programmes, counseling sessions, individual facilitation etc., on various aspects of foreign trade for being able to get into international trade and boost exports from India.
- (v) As part of the "Ease of Doing Business" initiatives, the Government has launched **Single Window Interface for Facilitating Trade (SWIFT)** clearances project w.e.f 1st April, 2016. The scheme enables the importers/exporters to file a common electronic 'Integrated Declaration' on the Indian Customs Electronic Commerce/Electronic Data Interchange (EC/EDI) Gateway i.e. ICEGATE portal. The Integrated Declaration compiles the information requirements of Customs, FSSAI, Plant Quarantine, Animal Quarantine, Drug Controller, Wild Life Control Bureau and Textile Committee. It replaces nine separate forms required by these 6 different agencies and Customs.
- (vi) **Interest Equalization Scheme on pre & post shipment credit** was launched to provide cheaper credit to exporters.

- (vii) A new scheme called **Special Advance Authorisation Scheme** for export of articles of Apparel and Clothing Accessories was introduced w.e.f. 1st September 2016 wherein exporters are entitled for an authorisation for fabrics including inter lining on pre-import basis and all industry rate of Duty Drawback for non-fabric inputs on the exports.
- (viii) Further, the Government continues to provide the facility of access to duty free raw materials and capital goods for exports through schemes like Advance Authorization, Duty Free Import Authorization (DFIA), Export Promotion Capital Goods (EPCG) and drawback / refund of duties.
- (ix) The Government launched a new scheme called **Trade Infrastructure for Export Scheme (TIES)** w.e.f. 15th March, 2017 with the objective to enhance export competitiveness by bridging gaps in export infrastructure, creating focused export infrastructure, first mile and last mile connectivity for export oriented projects and addressing quality and certification measures. The Central and State Agencies, including Export Promotion Councils, Commodities Boards, SEZ Authorities and Apex Trade Bodies recognised under the EXIM policy of Government of India are eligible for financial support under this scheme.
- (x) The Government has approved the proposal for notification of commitments under the **Trade Facilitation Agreement (TFA)** of World Trade Organization (WTO), ratification and acceptance of the Instrument of Acceptance of Protocol of TFA to the WTO Secretariat and constitution of the National Committee on Trade Facilitation (NCTF). The Trade Facilitation Agreement (TFA) contains provisions for expediting the movement, release and clearance of goods, including goods in transit. It also sets out measures for effective cooperation between customs and other appropriate authorities on trade facilitation and customs compliance issues. These objectives are in consonance with India's "Ease of Doing Business" initiative.

PROBLEMS OF RUBBER GROWERS

**144. SHRI MULLAPPALLY RAMACHANDRAN:
MOHAMMED FAIZAL:
ADV. JOICE GEORGE:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Government has any mechanism to control the rubber price fall and if so, the details thereof;
- (b) whether the Government is planning any price stabilization funds to support the struggling rubber farmers in the country and if so, the details thereof;
- (c) whether the Government proposes to provide any financial assistance/revival packages for rubber farmers and plantation agriculture sector and if so, the details thereof;
- (d) whether the Government has conducted any study to understand the real issues faced by rubber growers and if so, the details thereof along with the steps taken to address these issues; and
- (e) whether the Government has rejected the proposal to declare a national policy on rubber and if so, the details thereof along with the reasons therefor and if not, the decision taken by the Government in this regard?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

- (a) No, Madam. The Natural Rubber (NR) prices are determined by market fundamentals and a range of factors which inter alia includes trends in economic growth in major consuming countries, oil/synthetic rubber prices, weather conditions and developments in futures markets. Domestic NR market generally follows the trends in world market with occasional divergences due to region specific and seasonal factors.
- (b) & (c) The Government has approved a market-linked Revenue Insurance Scheme for Plantation Crops (RISPC) for protecting the farmers of plantation crops, including rubber farmers, against losses arising from fluctuations in yield as well as prices. Initially, Palakkad district in Kerala was selected for implementation of the Scheme on pilot basis in NR sector. Subsequently, Kottayam district was also included in March 2017. Government is also providing financial assistance to farmers of plantation agriculture sector, through various Schemes such as Sustainable and Inclusive Development of Natural Rubber Sector, Tea Development and Promotion Scheme, Integrated Coffee Development Project and Export

Oriented Production, Export Development & Promotion of Spices.No revival package is being considered at present.

- (d) No, Madam.
- (e) The Government has already taken action on many of recommendations of the Expert Committee on Natural Rubber Policy. As recommended, Revenue Insurance Scheme for Plantation Crops and Scheme for promoting Processing of Block Rubber from Latex Coagulum has already been approved by the Government. However, no policy has been framed for any particular plantation crop and therefore, it has been decided not to formulate a separate policy for Natural Rubber.

IMPACT OF US VISA REFORMS

**146(H).PROF. RAVINDRA VISHWANATH GAIKWAD:
SHRI MAHEISH GIRRI:**

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether India and the United States (US) have signed a fresh trade policy and if so, the details thereof along with the impact of the new US Government on the bilateral foreign trade agreement;
- (b) whether the Government has taken any measures to protect Indian IT Service Industry from the effects of US H1B visa reforms and if so, the details thereof indicating the types of industries from India that are vulnerable to the changes taking place in the US visa programme;
- (c) whether Indian offshoring activities would suffer therefrom and if so, the details thereof along with measures taken to mitigate the losses; and
- (d) whether the Government has made strong efforts to strengthen ties between the two countries to ensure certainty and transparency in the US visa system and if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग राज्य मंत्री (श्रीमती निर्मला सीतारमण) (स्वतंत्र प्रभार)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) : No, Madam.

(b), (c) & (d) : The problems being faced by the IT industry have been raised by India with the United States (US) Government from time to time at various levels. India has also taken up the matter on US visa fee hike in the Dispute Settlement Body of the World Trade Organization (WTO).

The US has not made any comprehensive changes to the work visa programmes including H-1B visas so far. However, on 18 April 2017, President Trump issued an Executive Order titled "Buy American and Hire American", giving directives to various Departments of the US Government that in order to create higher wages and employment rates for workers in the US and to protect their economic interests, it shall be the policy of the executive branch to rigorously enforce and administer the laws governing entry into the United States of workers from abroad. The Executive Order further gives directives to US officials to suggest reforms to help ensure that H-1B visas are awarded to the most-skilled or highest-paid petition beneficiaries in order to promote the proper functioning of the H-1B visa program.

Similarly, on 31 March 2017, the United States Citizenship and Immigration Services (USCIS) issued a guidance policy memorandum on “H1B computer related positions” according to which, a petitioner seeking to sponsor a beneficiary for a computer programmer position must provide other evidence to establish the position as a specialty occupation, thereby making it harder for companies to use the H-1B visa programme to bring foreign computer programmers into the US.

There are other legislations/bills that have been tabled in the US Congress regarding visa dependent or the so called 50:50 companies. There are also Bills introduced/ legislative proposals being discussed that propose significant restrictions on off-shoring and/or impose border adjustment taxes, however, these proposals have not attained finality.

The Indian Government has made continuous efforts to raise concerns pertaining to IT & ITES industries in different bilateral meetings including in the Trade Policy Forum which is chaired by the Commerce & Industry Minister on the Indian side & the United States Trade Representative on the US side.

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)

(a) & (b) Central Government has received proposals for establishment of Spice Parks from the States of Gujarat, Kerala, Uttarakhand, Arunachal Pradesh, Telangana, Himachal Pradesh, Meghalaya, Odisha , Sikkim, Karnataka and Assam.

(c) Eight spice parks have been established at Chhindwara and Guna (Madhya Pradesh), Puttady (Kerala), Jodhpur and Kota (Rajasthan), Sivaganga (Tamil Nadu), Guntur (Andhra Pradesh) and Rae Bareli (Uttar Pradesh) with financial assistance from the Government of India under the Scheme of Assistance to States for Development of Export Infrastructure (ASIDE). Following the downsizing of the ASIDE Scheme, the Central Government had discontinued making further direct investments in Spice Parks through Spices Board and the concerned State Governments were accordingly informed that the Board would extend all technical support, if the State Government consents to provide land and financial support for establishing the Spice parks.

(a): No, Madam. The Government is not aware of such incident and no representation was also received in my Ministry in this regard.

(b) to (d): Does not arise. However, in view of the unexpected price rise of pulses in 2015-16, the Government had taken various steps to ease the situation including import of pulses, direction to state governments to take up random checks to prevent hoarding, checks by Income Tax officials, etc. In 2016-17, the Government has intervened with the highest ever procurement of pulses to ensure price support to the farmers.
