### ANSWER

# वाणिज्य एवं उद्योग मंत्री ( श्री सुरेश प्रभु )

## THE MINISTER OF COMMERCE AND INDUSTRY (SHRI SURESH PRABHU)

a) to d): A Statement is laid on the Table of the House.

\*\*\*\*

## STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (d) OF LOK SABHA STARRED QUESTION NO. 432 FOR ANSWER ON 26<sup>th</sup> MARCH,2018 REGARDING <u>"EXPORTS TO CHINA".</u>

(a) & (b): There are several Joint Working Groups (JWGs) which were set up between India and China to enhance the trade cooperation between the two countries and address the trade and investment related issues. These are the JWG on Trade in Services, the JWG on Trade Statistical Analysis, the JWG on Economic and Trade Planning Cooperation, the JWG on Industrial Parks, a working group on ICT and the JWG on Cooperation in Agriculture. Besides these, trade related issues are also discussed in other bilateral meetings/forum.

(c): India's current exports to China largely include copper and products made thereof, organic chemicals, petroleum products, iron ore, cotton raw/yarn, granite, natural stone & product, plastic raw materials, iron and steel, castor oil, pearls, precious or semiprecious stones, bulk drugs, drug intermediates, marine products etc. Pharmaceuticals, Information Technology and Information Technology enabled Services, gems & jewellery, home textiles, handmade carpets, agri products including selected fruits & vegetables, tobacco, oilseeds, meat and marine products are some sectors where India has a potential to increase exports to China.

(d): The Government has taken various measures to extend support to exporters to increase exports to all countries including China, some of which are indicated below:

i. The New Foreign Trade Policy (2015-20) was announced on 1<sup>st</sup> April, 2015 with a focus on supporting both manufacturing and services exports and improving the 'Ease of Doing Business'.

ii. By way of trade facilitation and enhancing the ease of doing business, Government has reduced the number of mandatory documents required for exports and imports. The trade community can file applications online for various trade related schemes. India has also ratified the Trade Facilitation Agreement at WTO and ensured all measures to fulfill its commitments thereunder.

iii. A new Logistics division has been set up in Department of Commerce to work towards improving Logistics efficiency.

## STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (d) OF LOK SABHA STARRED QUESTION NO. 438 FOR ANSWER ON 26<sup>th</sup> MARCH,2018 REGARDING <u>"DEVELOPMENT OF TEA SECTOR".</u>

(a) & (b): Yes Sir. The Tea Board constituted under section 4 of the Tea Act, 1953 has various regulatory and developmental functions which inter-alia includes rendering financial and technical assistance for cultivation, manufacture and marketing of tea, export promotion, aiding research and development activities for augmentation of tea production and improvement of tea quality and to encourage and assist both financially and technically the unorganized small growers sector, for the overall development of the tea sector in the country including Assam.

(c) & (d): In order to ensure remunerative prices of green leaf to tea growers a price sharing formula (PSF) has been notified as per the provisions of the Tea (Marketing) Control Order in the case of Bought Leaf Factories. This formula takes into account the cost of production of green tea leaf by the small growers and cost of manufacturing by the Bought leaf factories and provides for equitable sharing of the net sale price of the made tea between the growers and the manufacturers. Minimum bench mark prices for green leaf are fixed and notified for each tea districts based on the above formula and payment of green leaf price to the growers is closely monitored by the District Green Leaf Price Monitoring Committees headed by the District Magistrates. However, in case of estate factories, the price is dependent on quality, seasonal variations and market forces.

## **EXPORT OF SOYABEAN MEAL**

## 4831. ADV. NARENDRA KESHAV SAWAIKAR:

Will the Minister of COMMERCE & INDUSTRY (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether India was a major exporter of soyabean meal recently;
- (b) if so, the details thereof along with the details of the foreign exchange earned therefrom during the last five years;
- (c) whether the export of soyabean meal has come down heavily in recent years; and
- (d) if so, the details thereof and the remedial action proposed by the Government in this regard?

### ANSWER

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a)& (b) Details of India's export of soybean meal (HS code:2304 -Oil cake and other Solid residue Soybean Oil Extraction of soybean), during the last five years are as under:

2016-17		2015-16		2014-15		2013-14		2012-13	
Qty	Value	Qty	Value	Qty	Value	Qty	Value	Qty	Value
12,76,177	554.90	4,12,986	233.34	14,67,698	786.67	40,91,183	2258.27	47,41,052	2605.41

(Qty in Tons; Value in US\$ in million)

(Source: DGCI&S)

(c) Yes madam. Due to the non-competitive price in the international market, during 2014-15 and 2015-16, there was a substantial decline in export of soyabean meal as compared to 2012-13 and 2013-14. However, export of Soyabean meals registered a growth of 209% during 2016-17 as compared to 2015-16.

(d) The Government has increased Merchandise Exports from India Scheme (MEIS) on export of soyabean meal to 7% from 5%. This is likely to make Indian soyabean oilmeals more

competitive in the international market and may result in increase in export of oilmeals during the coming years.

- (f) if so, the details thereof along with the expected impact of the said national policy on the Government flagship policy of 'Make in India'?

#### ANSWER

#### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

# THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) & (b): The Department of Commerce has been engaged in organizing various standards conclaves to address the issues concerning regulatory ecosystem in the country in a structural manner. 4 National Standards Conclaves and 10 Regional Standards Conclaves (in states) have been organised since 2014. In these conclaves various stakeholders ranging from government regulators, inspection agencies, standards developing organizations, state governments and industry associations participate and strategise so as to address the issue of increasing non-tariff barriers in foreign markets as well as situation of sub-standard and counterfeit imports into the country. During the last National Standards Conclave held at New Delhi on 1-2 May 2017, a draft strategy paper titled 'Indian National Standards Strategy (INSS)' was discussed and now a draft final strategy document has been finalized and is available in public domain for public comments. INSS is a comprehensive document with following key objectives i.e. developing a comprehensive ecosystem in India for standards development, using standards as enhancer of competitiveness of Indian goods and services, adopting best practices in standardization, conformity assessment and technical regulations, providing level playing field to domestic industry and creating response mechanisms to global developments on standards, technical

regulations and conformity assessment practices that impact market access of Indian goods and services.

(c) & (d): INSS is the result of deliberations over a four-year period from 2014 to 2017 through national and regional standards conclaves that attracted wide participation of experts and stakeholders from Union and State governments, industry, regulatory bodies, national and overseas standards and conformity bodies, academics and international fora. The available standards strategy documents of other countries has also been factored into this consultation process so as to be in line with global best practices in this sector.

(e): Any standard document is a living and dynamic document with an implementation plan to ensure positive outcomes in identified areas like standard development, mandating them in appropriate area along with risk-compatible conformity assessment procedures and enforcement besides others.

(f): The approach is for creation of a robust quality infrastructures in India with a harmonized, dynamic and mature standards ecosystem. This is likely to supplement economic growth through initiatives like 'Make in India', 'Zero-Defect Zero-Effect' and ensure qualitative and standard exports from India and regulation of sub-standard and counterfeit imports.

# LOK SABHA UNSTARRED QUESTION NO. 4896 TO BE ANSWERED ON 26<sup>th</sup> MARCH,2018

## **TEA/COFFEE AND OTHER PLANTATION CROPS**

### 4896. SHRI GODSE HEMANT TUKARAM:

Will the Minister of COMMERCE & INDUSTRY (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) the details of production and domestic consumption of plantation crops, particularly tea and coffee in the country during each of the last three years and the current year, crop and State/UT-wise;
- (b) the quantum and value of export and import of tea and coffee during the said period, country-wise;
- (c) the share of India in total world production of plantation crops, particularly tea and coffee;
- (d) whether there has been a decline in production and export of plantation crops, particularly tea/coffee and if so, the reasons therefor; and
- (e) the measures taken/being taken by the Government to boost production and export of plantation crops, particularly tea/ coffee including financial assistance/ package drawn for the sector to boost production?

### ANSWER

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

# THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

- (a) Production and domestic consumption of four plantation crops, namely, tea, coffee, rubber and spices in the country during the last three years and the current year are detailed in **Annexure-I**.
- (b) The country-wise quantum and value of export and import of tea and coffee during the last three years and the current year are detailed in **Annexure-II**.
- (c) The share of India in total world production of tea, coffee, rubber and spices is 23, 3.7, 5 and 30 percent respectively.
- (d) The Coffee production and export has seen an increasing trend. However, during 2016-17 there was a decrease in production mainly due to off year phenomenon (lean year followed by bumper crop) and delayed blossom and backing showers.

The Production export of tea has also seen an increasing trend. There was a marginal decline in export of around 6 m. kg of tea from the country in 2016 as compared to 2015, which can be attributed to more tea production in Kenya and the low price advantage it offered which affected India's market share in the major CTC tea markets in Pakistan & UK.

There has been a decline in production of Natural Rubber (NR) during 2015-16 mainly due to fall in rubber prices. Export of NR from the country is negligible and primarily depends on price differences for different grades of NR between domestic and international markets. India is a net importer of NR.

The average production of spices in the country is around 6 million tonnes per annum and shows an increasing trend. The spices export from the country has shown a steady increase in value during the recent years. However, during 2015-16 there is a decline in quantum of export of spices due to decline in export of seed spices especially cumin.

(e) Government has taken measures to boost the production and export of these plantation crops by way of providing financial and technical assistance to the growers and the industry for new planting, replanting, rejuvenation, quality up-gradation, value addition and market promotion through the schemes implemented by the Plantation Commodity Boards. Details of schemes approved for the Medium Term Framework (2017-18 to 2019-20) for the development of plantation sector are given below:

Sector	Scheme	Approved Outlay
		(Rs. in crore)
Tea	Tea Development and Promotion	624.82
Coffee	Integrated Coffee Development Project	647.46
Rubber	Sustainable and inclusive Development	721.98
	of Natural Rubber Sector	
Spices	Export oriented production, Export	491.78

# LOK SABHA UNSTARRED QUESTION NO. 4901 TO BE ANSWERED ON 26<sup>th</sup> MARCH,2018

### STRATEGY ON PRODUCT STANDARDS

### 4901. SHRI C. MAHENDRAN:

Will the Minister of COMMERCE & INDUSTRY (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Government has formulated any strategy recently which will play an active role and take leadership positions in apex international forums in related areas besides creating response mechanisms to global developments on standards, technical regulations and conformity assessment practices that impact market access of Indian goods and services;
- (b) if so the details thereof;
- (c) whether it will develop comprehensive ecosystem for standards development taking into account diversity of interests and expertise available; and
- (d) if so the details thereof?

## ANSWER

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) & (b): The Department of Commerce has been engaged in organizing various standards conclaves to address the issues concerning regulatory ecosystem in the country in a structural manner. 4 National Standards Conclaves and 10 Regional Standards Conclaves (in states) have been organised since 2014. In these conclaves various stakeholders ranging from government regulators, inspection agencies, standards developing organizations, state governments and industry associations participate and strategise so as to address the issue of increasing non-tariff barriers in foreign markets as well as situation of sub-standard and counterfeit imports into the country. During the last National Standards Conclave held at New Delhi on 1-2 May 2017, a draft strategy paper titled 'Indian National Standards Strategy (INSS)' was discussed and now a draft final strategy document has been finalized and is available in public domain for public comments. Besides other key objectives like developing a comprehensive ecosystem in India for standards development, using standards as enhancer of competitiveness of Indian goods and services, adopting best practices in standardization, conformity assessment and technical regulations, providing level playing field to domestic industry and creating response mechanisms to global developments on standards, technical regulations and conformity assessment practices that impact market access of Indian goods and service, INSS identifies having proactive participation in apex international forums in related areas.

(c) & (d): INSS is the result of deliberations over a four-year period from 2014 to 2017 through national and regional standards conclaves that attracted wide participation of experts and stakeholders from Union and State governments, industry, regulatory bodies, national and overseas standards and conformity bodies, academics and international fora. The available standards strategy documents of other countries has also been factored into this consultation process so as to be in line with global best practices in this sector.

## BILATERAL TRADE ACROSS LOC

### 4907. SHRIMATI KOTHAPALLI GEETHA:

Will the Minister of COMMERCE & INDUSTRY (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether the Government has begun a different kind of "cricket diplomacy" to boost the bilateral trade across the Line of Control (LoC) and as a major confidence-building measure;
- (b) if so, the details thereof along with the progress made in this regard so far;
- (c) whether the list of tradable items has substantially expanded from the current 21 items which has mainly garments, handicrafts, carpets, agricultural items by allowing, among others, Kashmiri willow and the other items which could be included in the list are leather goods, spices, pulses, jams and fruit juices and if so, the details thereof; and
- (d) whether these items were included among the probable trade items and the new list will include goods that can be exported to Pakistan mainly from Jammu & Kashmir to ensure that the State benefits economically and if so, the details and the status thereof?

#### ANSWER

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

# THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) and(b) The cross Line of Control (LoC) trade is not considered as bilateral trade. It was started in 2008 as a part of Confidence Building Measures by India and Pakistan for trade between Jammu & Kashmir and Pakistan occupied Kashmir, in respect of 21 agreed items on barter system, on zero duty basis,through Srinagar-Muzaffarabad and Poonch- Rawalakote routes. Initially, the trade was allowed for 2 days per week and consequent upon increase in volume of trade, trading days were increased to 4 days per week,with effect from 15.11.2011.

(c) No, Madam. Only the initial 21 items are still permitted for such trade. The review of cross LoC trade is taken up through the mechanism of India –Pakistan Joint Working Group on Cross-LoC Confidence Building Measures, which last met in March 2014.

(d) Does not arise, in view of reply to (c) above.

## **ISSUE OF PROCUREMENT PROGRAMME AT WTO**

### 4919. DR. A. SAMPATH::

Will the Minister of COMMERCE & INDUSTRY (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) the details of decisions taken during the World Trade Organisation (WTO) Ministerial Conference in Buenos Aires with respect to Government procurement programme in the farm sector;
- (b) the details of the impact of such decisions on India's agricultural procurement programme;
- (c) whether India's procurement programme in wheat and rice are affected by existing WTO regulations; and
- (d) if so, the details thereof?

### ANSWER

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

#### THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) No decision was taken with respect to Government procurement programmes in the farm sector at the Ministerial Conference of the World Trade Organization (WTO) in Buenos Aires in December 2017.

b) Does not arise in view of (a) above.

(c) & (d) WTO rules are applicable to the purchase of food under public stockholding programmes for food security purposes. If the food for these programmes is purchased at prices fixed by the governments, known as "administered" prices, and not at market prices, then this is considered as support to farmers. WTO rules impose certain limits on such support. In order to ensure that these limits do not constrain public stockholding programmes for food security purposes in developing countries, a coalition of developing countries, including India, sought to amend the WTO rules. As per decisions taken at Ministerial Conferences of the WTO held in Bali (December 2013) and Nairobi (December 2015) and in the WTO General Council in November 2014, an interim mechanism is in place. This provides that WTO members would exercise due restraint (popularly termed as a 'Peace Clause') in raising disputes under the relevant provisions

of the WTO Agreement on Agriculture in respect of public stockholding programmes for food security purposes even if countries exceed their permissible limits on the subsidies involved in food purchases under such programmes. It was also decided that a permanent solution would be negotiated. While a permanent solution could not be achieved at the recently concluded 11<sup>th</sup> Ministerial Conference of the WTO held in Buenos Aires, Argentina in December 2017 due to a lack of consensus, India's public stockholding programmes continue to be protected due to the interim mechanism, which is available in perpetuity.

# MPEDA TIE-UP WITH SWISS COMPANY

# 4924. SHRI PONGULETI SRINIVASA REDDY:

Will the Minister of COMMERCE & INDUSTRY (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether any Switzerland's leading retail and wholesale company has signed a MoU with the Marine Products Export Development Authority (MPEDA) to develop exportoriented organic aquafarming in India to cater to the growing demand for organic seafood products across the European Union;
- (b) if so, the details thereof along with the details of international seafood shows attended by the Government so far including the outcome thereof and the extent to which these shows and seminars have been useful to the country;
- (c) whether MPEDA proposes to identify entrepreneurs and provide them with techncial advise on the production of high-quality organic shrimp that meet national and international certification protocols and if so, the details thereof; and
- (d) whether the said Switzerland Company has offered to produce the processed shrimp at a premium of up to 15 per cent and with an additional 5 per cent through financing for development activities including training and if so, the details and the present status thereof?

### ANSWER

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

# THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

- (a) Yes, Madam.
- (b) MPEDA signed a Memorandum of Cooperation (MoC) with the Switzerland's leading retail and wholesale company, M/s Coop Cooperative for jointly working towards the development of export oriented organic aqua-farming in India.

The list of International Seafood shows in which Government of India participated in the past five years (from 2012-13 to 2016-17) along with the growth in seafood exports may be seen at **Annexure-I**. MPEDA being an Authority created by Parliament is primarily responsible for promotion of seafood exports. International Seafood shows are the major instruments for not only

showcasing the quality of India seafood but also facilitate a platform for India Exporters to tie-up their business. Theyoffer a platform of opportunities for exporters and importers of marine products, processors, resource specialists and personnel and culture fisheries, processing machinery manufacturers and allied sectors, to meet under one roof, facilitating participants and trade visitors to conduct business, upgrade technologies, network and exchange ideas for mutual benefit and further business and trade relations. Participation in major fairs have indicated that exports have shown remarkable increase in exports to markets such as USA, EU, Middle East, Southeast Asia, etc. Such fairs will have attendance of importers / traders not only from that particular market, but also from other markets in this era of globalization.

- (c) Yes, Madam. Under the MoC with M/s Coop Cooperative, MPEDA would assistin identifying entrepreneurs and providing them with technical guidance on the production of high-quality organic shrimp that meet national and international certification protocols. The project will be implemented in the State of Kerala initially for period of three years and subsequently extended to other locations across India depending on its success.
- (d) As per the MoC, M/s Coop Cooperative, Switzerland has offered to procure the processed organic shrimp at a premium price.

# LOK SABHA UNSTARRED QUESTION NO. 4941 TO BE ANSWERED ON 26<sup>th</sup> MARCH,2018

# SHARE IN FOREIGN TRADE

#### 4941. SHRIMATI MAUSAM NOOR: SHRI SHIVKUMAR UDASI:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) the details of India's position in the global trade during each of the last two years, item, value and quantity-wise;
- (b) whether the Government is intending to declare a comprehensive strategy to increase the country's share in the global trade to 40 per cent of the gross domestic product and if so, the details thereof;
- (c) whether the Government proposes to review the Foreign Trade Policy in this regard and if so, the details thereof; and
- (d) the details of the value of rupee vis-a-vis dollar and its impact on the net export and import of the country, itemwise?

### ANSWER

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

#### THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a): The details of India's merchandise export and its share in global merchandise trade during last two years are as follows:

		(Values in Billion US\$)
Years	2015	2016
India's Export	267.04	263.96
Word trade	17613.94	15053.57
% Share	1.5	1.8

Source: World Trade Organization

The data in the above table reflects that the share of India's merchandise exports in global trade was 1.5% and 1.8% in the year 2015 and 2016 respectively. Due to different units of measurement, item-wise quantities are not additive and hence quantity of export is not available. The details of sector-wise India's merchandise export and its share in global trade is annexed as **Annexure-I**.

(b): As per the data available as on 31.01.2018 provided in Central Statistics Office (CSO), Press Release, India's trade to Gross Domestic Product (GDP) ratio is 41.9% (merchandise

trade 30.2% [exports + imports] and services trade 11.7% [exports + imports]). Government has taken many steps to increase India's trade share in GDP which include:

- i. Encouraging Exports by MSMEs and Labour Intensive Industries
- ii. Alignment with GST
- iii. Interest Equalisation Scheme on Pre & Post Shipment Rupee Export Credit
- iv. Trade Infrastructure for Export Sector (TIES) Scheme
- v. Focus on Export Credit Related Issues
- vi. Trade Facilitation
- vii. Involvement of the States in Export Promotion
- viii. Effective Steps to revive Special Economic Zone

**(C)**: A mid-term review of the Foreign Trade Policy 2015-20 was undertaken which was released on 5<sup>th</sup> December, 2017. Based on the mid-term review, export incentives under MEIS have been increased by 2% for labour intensive and MSME sectors leading to additional annual incentive of Rs 4,567 crore. This was in addition to already announced increase in MEIS incentives from 2% to 4% for Readymade Garments and Made-Ups in the labour intensive Textiles Sector with an additional annual incentive of Rs 2,743 crore.

(d): The details of the months-wise value of rupee vis-à-vis dollar during 2016-17 and 2017-

18 are as follows:

1 US\$=Rs.					
2016-2017	2017-2018 (Apr- Feb)				
66.5	64.5				
66.9	64.4				
67.3	64.4				
67.2	64.5				
66.9	64.0				
66.7	64.4				
66.7	65.1				
67.6	64.9				
67.9	64.2				
68.1	63.6				
67.1	64.4				
65.9					
	<b>2016-2017</b> 66.5 66.9 67.3 67.2 66.9 66.7 66.7 67.6 67.9 68.1 67.1				

Source: RBI.

The above table shows that Indian rupee has appreciated in 2017-18 over each month of 2016-17. Continuous appreciation of Indian rupee against US dollar has a negative impact on export and positive impact on imports.

#### ANSWER

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

# THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

- (a & b) The promotion of exports of agricultural & processed food products is a continuous process. The Agricultural & Processed Food Products Export Development Authority (APEDA), an autonomous organisation under the administrative control of the Department of Commerce, has the mandate to promote exports of agricultural & processed food products. APEDA provides assistance to the exporters of agricultural and processed food products under various component of its scheme "Agriculture & Processed Food Export promotion Scheme of APEDA" viz. Infrastructure Development, Quality Development and Market Development. In addition, Merchandise Exports from India Scheme (MEIS) assistance is also available on export of various agricultural and processed food products. Assistance is also provided to exporters/State Governments under various other schemes of Department of Commerce viz. Trade Infrastructure for Export Scheme (TIES), Market Access Initiative (MAI) Scheme etc.
- (c) to (e) Assistance/incentives under the above schemes are available to exporters. The benefits incurred to farmers, including small and marginal farmers, are indirect in nature and cannot be quantified. APEDA has been holding regular sensitisation, training &outreach programmes in Maharashtra to promote exports of agricultural & processed food products. The details of programmes held during 2017-18 are as under:

# LOK SABHA UNSTARRED QUESTION NO. 4949 TO BE ANSWERED ON 26<sup>th</sup> MARCH,2018

# TRADE INFRASTRUCTURE FOR EXPORT SCHEME

# 4949. DR. SHRIKANT EKNATH SHINDE: DR. PRITAM GOPINATH MUNDE: SHRI DHARMENDRA YADAV: SHRI VINAYAK BHAURAO RAUT: SHRI ADHALRAO PATIL SHIVAJIRAO: Will the Minister of **COMMERCE & INDUSTRY (**वाणिज्य एवं उद्योग मंत्री **)** be pleased to state:

- (a) whether the Government has recently launched the Trade Infrastructure for Export Scheme (TIES) for developing export linked infrastructure in States with a view to promoting outbound shipments;
- (b) if so, the details thereof along with the salient features and the main focused areas of the scheme;
- (c) whether there will be an Empowered Committee to periodically review the progress of the approved projects in the scheme and will take necessary steps to ensure achievement of the objectives of the scheme;
- (d) if so, the details thereof along with the manner in which the proposals of the implementing agencies for funding will be considered and assistance for setting up and upgradation of infrastructure projects with overwhelming export linkages will be provided; and
- (e) whether the Central and State Agencies under the EXIM policy will be eligible for financial support under this scheme and if so, the details thereof and the method of funding under the scheme?

# ANSWER

# वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

#### THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) Yes Madam. Trade Infrastructure for export scheme (TIES) has been launched and is being implemented w.e.f. 01<sup>st</sup> April, 2017.

(b) The scheme provides financial assistance for setting up and up-gradation of infrastructure projects with overwhelming export linkages like the Border Haats, Land Customs Stations, quality testing and certification labs, cold chains, trade promotion centres, dry ports, export warehousing and packaging, SEZs and ports/airports cargo terminuses. The Scheme is presently for a period of three years from the financial year 2017-18 till 2019-20.

(c) Yes Madam.

(d) All eligible proposals received are put up to the Empowered Committee which deliberates and takes a decision on each case based on its merits.

(e) Central Government Agencies like Export Promotion Councils, Commodities Boards, SEZ Authorities, Apex Trade Bodies recognised under the EXIM policy of Government of India and State owned Government Agencies are eligible for financial support under this scheme. The Central Government assistance for infrastructure creation is in the form of grant-in-aid, normally not more than the equity being put in by the implementing agency in the project. (In case of projects located in North Eastern States and Himalayan States including J&K, this grant can be upto 80% of the total equity). The grant-in-aid is normally subject to a ceiling of Rs. 20 crore for each infrastructure project.

# LOK SABHA UNSTARRED QUESTION NO. 4951 TO BE ANSWERED ON 26<sup>th</sup> MARCH,2018

# WTO MINISTERIAL DECLARATION

#### 4951. SHRI A. ARUNMOZHITHEVAN:

Will the Minister of COMMERCE & INDUSTRY (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether the United States has stated that India blocked the ministerial declaration of World Trade Organisation (WTO);
- (b) if so, the details thereof along with the reaction of the Government in this regard; and
- (c) whether it is true that the Marrakesh Agreement was not in India's interest and if so, the details thereof?

### ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

a) & b) Yes, Madam. In the 2018 Trade Policy Agenda and 2017 Annual Report of the President of the United States, it is stated that at the end of the conference (the Eleventh Ministerial Conference of the World Trade Organization held in Buenos Aires in December 2017), the United States and all Members, except India, were prepared to sign a short Ministerial Declaration.

It is a fact that India could not support the proposed draft of the Ministerial Declaration as it excluded or failed to adequately include important issues such as multilateralism, the Doha Development Agenda and special and differential treatment of developing countries.

c) The Marrakesh Agreement of 1995 established the World Trade Organization (WTO). The Agreement aims to achieve certain objectives through the multilateral trading system, such as, raising living standards, ensuring full employment, ensuring a large and steadily growing volume of real income and effective demand and expanding the production of, and trade in, goods and services, while allowing for the optimal use of the world's resources in accordance with the objective of sustainable development.

The Agreement also recognizes the need for positive efforts to ensure that developing countries, and especially the least-developed among them, secure a share in the growth in international trade commensurate with the needs of their economic development.

With these objectives in mind, the WTO rules have been framed and adopted through a process of consensus. India, like many other developing countries, has joined the consensus while ensuring that its trade interests are protected. The trade rules of the WTO, its dispute settlement mechanism and methods of decision-making provide stability and predictability to the global trading system. As a developing country, India has been able to get the benefit of various special and differential treatment provisions in the WTO Agreements. These special provisions include, for example, longer time periods for implementing Agreements and commitments or measures to increase trading opportunities for developing countries. The opening in the global markets has helped Indian trade both in goods and services.

# LOK SABHA UNSTARRED QUESTION NO. 4962 TO BE ANSWERED ON 26<sup>th</sup> MARCH,2018

# **REJECTION OF INDIAN FOOD PRODUCTS**

# 4962. SHRI JANARDAN SINGH SIGRIWAL:

Will the Minister of COMMERCE & INDUSTRY (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) whether the Government is aware that a large quantity of Indian food items are getting rejected in developing markets and if so, the details thereof;
- (b) the details of the countries which have imposed ban on import of Indian food products on ground of contamination;
- (c) whether the Government has any plan to introduce new packaging norms for export of food items to address concerns over food safety and health standards; and
- (d) if so, the details thereof?

# ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

- (a) All importing countries food products have concerns relating to human, animal and plant health and hygiene and safety of food consumed by its citizens. As a measure of protection, importing countries often resort to rejections of individual consignments for non-compliance with their prescribed norms/safety standards/rules/regulations.
- (b) At present, there is no instance of a formal country-specific ban on import of food products from India on ground of contamination.
- (c & d) The packaging of food products, for exports as well as the domestic market, is regulated under the Food Safety and Standards (Packaging and labelling) Regulations, 2011 of the Food Safety and Standards Authority of India (FSSAI). In addition, exporters are also required to follow the packaging norms of the importing country.

- (e) the steps being taken by the Government to enhance the export of grape and its products including currants etc.?

# ANSWER

# वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

#### THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) The details of the quantum and value of export of grapes and its products, during the last three years, are as under:

	Quantity in MT; Value in USD Million									
	2014-1	5	2015-	16	2016-17					
Description	Quantity Value		Quantity	Value	Quantity	Value				
			1,32,647.6		1,98,471.3

- (b) The excise duty has been replaced by the Goods & Services Tax (GST) with effect from 1<sup>st</sup> July 2018. The GST rate for fresh grapes is NIL whereas the GST rate for dried grapes and raisins is 12%.
- (c & d) As per the available information, the MFN rate on the import of grapes into Bangladesh has remain unchanged at 25% since 2014-15. However, there has been some increase in 2017-18 in the total incidence of import duties, due to changes in other components in the duties. During the Commerce Secretary level talks held between India and Bangladesh on

7-8 February 2018, the Indian side raised the issue of levy of high duty on import of grapes/raisins into Bangladesh from India. It was also highlighted that these products do not enjoy preferential access under the South Asian Free Trade Area (SAFTA), as the products are in the sensitive list maintained by Bangladesh. It was requested that the reduction in import duty may be operationalised by the removal of these products from the sensitive list under SAFTA. Bangladesh side took note of India's request and agreed to examine it.

(e) The Agricultural & Processed Food Products Export Development Authority (APEDA), an autonomous organisation under the administrative control of the Department of Commerce, has the mandate to promote exports of agricultural & processed food products, including grapes and its products. APEDA provides assistance to the exporters of agricultural and processed food products, including grapes and its products, under various component of its scheme "Agriculture & Processed Food Export promotion Scheme of APEDA" viz. Infrastructure Development, Quality Development and Market Development. In addition, Merchandise Exports from India Scheme (MEIS) assistance of 5% is provided on export of grapes and its products. Assistanceis also provided to exporters/State Governments under various other schemes of Department of Commerce viz. Trade Infrastructure for Export Scheme (TIES), Market Access Initiative (MAI) Scheme etc.

- (c) whether cheap tea will flood the Indian market and Indian tea will be able to withstand the competition owing to high labour cost, low productivity of labourers and land, and ever increasing input cost due to reduction in the import tariffs; and
- (d) if so, the details thereof?

### ANSWER

# वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) & (b): The tariff commitments of tea import as per the Free Trade Agreement (FTA) executed between India and the Members of Association of South-East Asian Nations (ASEAN) pertaining to Harmonised System (HS) Code 09024010 to 09024090 are given at Annexure-A. There are no tariff reduction commitments for tea imports covered under HS Code 09021010 to 09023090. Details are at Annexure-B.

(c) & (d): Vietnam and Indonesia are mainly orthodox and green tea producers respectively, the apprehensions in the Tea Industry on reduction in import tariffs for these types of teas is not correct. At present the imported tea from ASEAN countries is used in blending for re-export and the domestic market for green and orthodox tea is limited. As regards black tea, although the import duty under India-ASEAN FTA is lesser, but at current levels of import, it is not a major concern.

- (d) if so, the details thereof?

# ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) & (b): Goods are imported into the country subject to all the domestic laws/rules regarding protection of environment, ensuring quality, standards and national security. The Foreign Trade Policy (2015-20) explicitly lays down that whatever domestic Laws/ Rules/ Orders/ Regulations / Technical specifications/ environmental/ safety and health norms are applicable on domestically produced goods, the same shall apply, mutatis mutandis, to imports.

Being a signatory to the World Trade Organization (WTO), India cannot put an outright ban on import from a specific country as this will violate our commitments with WTO. Import restrictions can be imposed only for protecting human, animal and plant life or health, protection of environment, national security, public moral and protection of intellectual property.

(c) & (d): India has an elaborate and robust legal framework and institutional set up to protect its environment, life and health of its people, plants and animals. The Ministry of Environment, Forest and Climate Change (MoEF& CC) has notified the Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2016 for environmentally sound management of hazardous wastes. For imported food and edible items, Food Safety and standards Act (FSSA), 2006 and Rules there under are applicable. Mandatory BIS standards applicable to domestic goods like cement, steel, electrical goods, dry batteries, gas cylinders, plastic feeding bottles, automotive tyres are also applicable to imported goods.

Further, import of milk and milk products (including chocolates and chocolate products and candies/ confectionary/ food preparations with milk or milk solids as an ingredient) from China is prohibited till 23.6.2018 or until further orders, whichever is earlier. Also, imports of Toys are subject to prescribed standards. Besides, import of "Fireworks" is 'restricted' and for last three years no license /authorization have been issued. Government has also imposed prohibition on the import of mobile handsets (mobile phone) without International Mobile Equipment Identity (IMEI) No. or with all zeroes IMEI and import of CDMA mobile phones without Electronic Serial Numbers (ESN), Mobile Equipment Identifier (MEID) or all zeroes ESN/MEID.

Field formations of Customs have been sensitized to prevent illegal imports.

### वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

# THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a): As per the information provided by Shellac and Forest products Export Promotion Council (SHEFEXIL), the details of country's trade in herbs during each of the last three years are as under :

				Value US\$ Milli	on
	2014-15		2015-16	2016-17	
PLANT & PLANT					-
PORTION (Herbs)		261.84	274.14	289.07	

The share of India's exports in world imports of Plant &Plant portions (Herbs) during 2016 is estimated to be 4.32% based on International Trade Centre (ITC) trade data.

(b) to (d): Yes Madam, the share of India's presence in global trade of herbs is low due to huge domestic/national consumption of herbal raw material. For sustainable availability of the herbal raw material in the country and to promote the global trade, the National Medicinal Plants Board (NMPB), Ministry of AYUSH is supporting large sale cultivation of medicinal plants under its Centrally Sponsored Scheme of National AYUSH Mission (NAM). Under the scheme there is a component on "Medicinal Plants" which is primarily aimed at supporting cultivation of medicinal plants on farmers land with backward linkages through establishment of nurseries for supply of quality planting material, and forward linkages for

post-harvest management. The cultivation of medicinal plants is supported by providing subsidy @ 30%, 50% and 75% on cost of cultivation to farmers through the identified implementing agency of concerned state. The assistance is provided as per the State Annual Action Plan approved for concerned State.

(b) Certain grades of Iron-ore are already regulated as per the Foreign Trade Policy 2015-20. Iron ore of Fe content above 64% (other than of Redi origin to all markets and Iron ore of Goa origin when exported to China, Europe, Japan, South Korea and Taiwan irrespective of the Fe content) is regulated under Foreign Trade Policy 2015-20 by way of canalization through MMTC Limited. Differential duty has also been imposed on export of various grades of Iron Ore. Therefore, steps/measures are already in place to regulate exports of Iron Ore to meet the domestic requirements.

- (c) No, Madam. As per DGCI&S data, export of iron ore during last three years and current year has shown a fluctuating trend.
- (d) Production of iron ore during the last three years is more than the domestic consumption and exports. Iron & Steel being deregulated sector, capacity utilization of plants is based on commercial consideration.

Apart from regular interaction between the two governments on issues of trade and investment, industrial bodies also bring out and publicize the reports on how the Indian investments are creating jobs for Americans and fuelling the growth of their economy.
- (c) Yes, Madam.
- (d) The issue of 'Totalization Agreement'has been taken up with the U.S. Government from time to time including in recent ministerial-level discussions. The US side is of the view that the Indian social security system does not meet the criteria under Section 233 of the US Social Security Act which prevents them from concluding a Totalization Agreement with India.Nevertheless, India is pursuing the matter with U.S.

# LOK SABHA UNSTARRED QUESTION NO. 5048 TO BE ANSWERED ON 26<sup>th</sup> MARCH,2018

# **IMPACT ON INDO-CHINA TRADE**

# 5048. SHRI ASADUDDIN OWAISI:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री ) be pleased to state:

- (a) the details of the extent upto which India-China trade was hampered due to Doklam standoff;
- (b) whether trade has been put on track after resolving Doklam issue; and
- (c) if so, the present position of trade between India-China and the steps taken or being taken by increasing India's share in export to China including other major items in the export list?

# ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI C. R. CHAUDHARY)

(a) to (c): As per DGCI&S statistics, India-China bilateral merchandise trade grew by over 20% to reach US\$ 84.59 billion in the calendar year 2017 as compared to US\$ 69.61 billion during the year 2016. India's exports to China grew by over 40% to reach US\$ 12.55 billion, while India's imports from China grew by 18.79% to reach US\$ 72.04 billion, indicating normalcy in trade relations.

Details of India's bilateral trade with China on major Commodity Groups during calendar years 2016 and 2017 is at Annex-I.

The Government has taken various measures to extend support to exporters to increase exports to all countries including China, some of which are indicated below:

i. The New Foreign Trade Policy (2015-20) was announced on 1<sup>st</sup> April, 2015 with a focus on supporting both manufacturing and services exports and improving the 'Ease of Doing Business'. The Foreign Trade Policy (FTP) introduced two new schemes, namely, 'Merchandise Exports from India Scheme' (MEIS) for incentivising export of specified

goods to specified markets and 'Service Exports from India Scheme' (SEIS) for promoting export of notified services from India, by consolidating earlier schemes.

ii. During the Mid Term Review of FTP 2015-20 in December 2017, additional annual incentives of Rs. 2,743 Cr. for Ready-made garments and made-up sector, Rs. 4,567 Cr for other labour intensive and MSME sectors have been provided under the MEIS.

iii. A new scheme called Special Advance Authorisation Scheme for export of Articles of Apparel and Clothing Accessories of chapter 61 & 62 of ITC(HS) Classification of Export and Import has been introduced with effect from 1<sup>st</sup> September 2016 wherein exporters are entitled to authorisation for duty free import of fabrics, including inter lining on pre-import basis and All Industry Rate of Duty Drawback for import of non-fabric inputs on the exports

iv. By way of trade facilitation and enhancing the ease of doing business, Government has reduced the number of mandatory documents required for exports and imports. The trade community can file applications online for various trade related schemes.
