TO BE ANSWERED ON 04th FEBRUARY, 2019

EXPORT OF RAW SUGAR TO CHINA

*2. SHRI B. VINOD KUMAR:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Government has signed any agreement to export raw sugar to China after considering all market conditions;
- (b) if so, the details thereof;
- (c) whether sugar is the second product after non-basmati rice to be exported to China;
- (d) if so, the details thereof along with the details of profit/loss which the rice export has yielded and the manner in which the Government supports the addition of sugar to the export basket to China in favour of larger GDP growth; and
- (e) whether the Government has considered all stake holders and their needs while signing the agreement and if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग मंत्री (श्री सुरेश प्रभु)

THE MINISTER OF COMMERCE AND INDUSTRY
(SHRI SURESH PRABHU)

a) to e): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) to (e) OF LOK SABHA
STARRED QUESTION NO. 2 FOR ANSWER ON 04th FEBRUARY, 2019
REGARDING “EXPORT OF RAW SUGAR TO CHINA”.

(a) & (b): No Madam. The Government has not signed any agreement to export raw sugar to China. Government of India has been consistently making efforts to export sugar to China through engagement with Chinese authorities and facilitating business interactions of our sugar exporters with China's sugar importers.

(c)&(d): In addition to export of sugar and rice, India also exports other commodities/products to China and the details of top 10 principal commodities which are exported to China, along with their exports in the last three years, are placed at **Annex-I**.

The protocol on export of Indian rice to China was signed in Qingdao in June 2018 after which an initial 362 MT of rice has been exported to China in 2018, as reported by the Industry.

In view of the increased sugar production in the last two years, there is an exportable surplus available. As China imports about 3-5 million MTs of sugar every year, the Government has been facilitating regular B2B engagements to enable exporters to export the surplus sugar.

(e): Does not arise in view of (a) above.

CAPITAL INFUSION IN ECGC

17. DR. K. GOPAL:

Will the Minister of **COMMERCE & INDUSTRY (वणिज्य एवं उद्योग मंत्री)** be pleased to state:

- (a) whether the Government has approved a capital infusion of Rs. 2,000 crore into the Export Credit Guarantee Corporation (ECGC) to be infused over the three financial years 2017-20 and if so, the details thereof;
- (b) whether the infusion would enhance insurance coverage to MSME exports and strengthen India's exports to emerging and challenging markets like Africa, CIS and Latin American countries;
- (c) if so, the details thereof; and
- (d) whether the increased capital infusion would also help ECGC to diversify its product portfolio and provide cost effective credit insurance to exporters and if so, the details thereof?

ANSWER

वणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

- (a) Yes. Government of India has approved capital infusion of Rs. 2,000 Crore to be released during FY 2017-18 to FY2019-20. The details are as under:

FY 2017-18	Rs. 50 Crores; Released.
FY 2018-19	Rs. 500 Crores; Released.
FY 2019-20	The proposal to release the rest amount of Rs. 1450 Crores has been submitted and same shall be decided by the Ministry of Finance as per the availability of the fund.

- (b) Yes. The capital infusion is necessary to strengthen ECGC underwriting capabilities to support MSME exports and exports to challenging & emerging markets like Africa, CIS and Latin American countries.
- (c) During FY 2017-18, ECGC supported exports & export loans of Rs. 6.41 lakh crore. Around 20,000 distinct exporters are benefitted out of ECGC covers. Out of this, MSME share was more than 85%.
- (d) Yes. The enhanced capital will enable ECGC to diversify its portfolio like factoring facilities to MSME exporters and a more liberal underwriting approach to challenging & emerging markets like Africa, CIS and Latin American countries. Enhanced capital will also enable continuation of cost effective credit insurance to exporters.

- (b) The Government has not received any reports of grape producers and exporters having incurred heavy losses on export of grapes during the last three years and the current year.
- (c) Does not arise in view of (b) above.
- (d) to (f) Promotion of exports of agricultural products like grapes is a continuous process. India has filed Market Access Requests for Grapes with several countries viz. Australia, Indonesia, Japan, Malawi, New Zealand, South Korea, USA and Vietnam. Under the newly introduced Agriculture Export Policy, Pune, Nasik and Sangli districts of Maharashtra have been identified as a cluster for export-oriented production of grapes. 7% MEIS is available on the export of grapes. The Agricultural & Processed Food Products Export Development Authority (APEDA), an autonomous organisation under the administrative control of Department of Commerce, has been mandated with the export promotion of grapes. APEDA has implemented GrapeNet, which is a web-based service offered to the stakeholders for facilitating testing and certification of Grapes for export from India in compliance with the standards identified by NRC Pune, on the basis of consultation with the exporters. GrapeNet collects, stores and reports – forward and backward traces and quality assurance data entered by the stakeholders, ie., exporters, laboratories and PSC authorities within the Grapes supply chain in India.. Moreover, APEDA has also been providing assistance to the Grape exporters under various components of its export promotion scheme.

- (c) if so, the details thereof along with the steps taken in this regard;
- (d) whether some other countries are putting roadblocks and it is going to be a real issue and if so, the details thereof; and
- (e) whether the Government is also talking with the European Union on the WTO issue and if so, the details thereof?

ANSWER

वणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

(a)to(d):The World Trade Organization and the global trading system are facing serious challenges in terms of unilateral measures and counter measures by some members, deadlock in important areas of negotiations and ongoing impasse in the appointment of members of the Appellate Body of WTO's dispute settlement mechanism. These challenges have necessitated a discussion among members for reforms in the WTO, with a view to plug the gaps in the WTO rules and procedures. India, as a strong supporter of the multilateral trading system,supports reforms of the WTO provided that the process is inclusive and addresses the developmental concerns of developing and least developing countries.

(e): Yes, Madam. There has been an impasse in the matter of selection of members of the Appellate Body Members of the WTO. The robust Dispute Settlement Mechanism of the WTO ensures that the rules of global trade agreed at the forum are not breached by members. India has been engaging with several WTO Members on the way forward at the WTO. India has recently co-sponsored a proposal with the European Union and other members on reform of the dispute settlement mechanism addressing various challenges. The proposal, inter alia, addresses various imperative issues of timelines, the appointment process of the Appellate Body members, their tenure and other conditions so that the Appellate Body and the Dispute Settlement Mechanism work more efficiently.

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

(a) & (b): Yes, Madam. A Data Security Expert Group was set up by the Ministry of Electronics & Information Technology (MEITY) to resolve the Information Technology and Information Technology Enabled Services (IT/ ITES) business issues relating to Data adequacy/ security with the European Union (EU) and to have meaningful market access for Indian IT/ITES companies. Further, a meeting of the India-EU Joint Information and Communications Technology (ICT) Working Group, which is also led by MEITY, along with ICT Business Dialogue and Workshop on General Data Protection Regulation (GDPR), was held during 20th-21st March, 2018 to discuss issues including data adequacy, movement of data, mobility of IT experts in EU countries etc.

(c), (d) & (e): In February, 2017, India tabled a proposal on 'Trade Facilitation Agreement for Services' (TFS) in the World Trade Organisation (WTO). The proposal, inter-alia, contained a provision on 'facilitating cross border flow of information' with respect to commitments on cross border supply of services. Further, at the Eleventh WTO Ministerial Conference (MC11) in December 2017, Members reaffirmed the WTO Work Programme on Electronic Commerce which has an exploratory and non-negotiating mandate. However, on the margins of the MC11, Ministers representing 71 WTO members issued a Joint Statement on Electronic Commerce to initiate exploratory work towards future WTO negotiations on trade-related aspects of electronic commerce. Since India is a proponent of a non-negotiating

Work Programme on Electronic Commerce, India has not joined discussions on cross border data flow in the WTO. Also wherever relevant, this issue has been discussed in Free Trade Agreement (FTA) negotiations with different countries.

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the export of coffee has impacted the prices of coffee in the domestic market and if so, the details thereof along with the demand and consumption of coffee in domestic market;
- (b) whether there has been a gradual increase in the production of coffee in the country and if so, the details thereof during the last three years, State-wise;
- (c) the quantum and value of coffee exported from the country during the last three years along with the revenue generated therefrom;
- (d) whether the Government proposes to provide support for the certification of organic coffee and if so, the details thereof along with the total quantity of organic coffee exported during the last three years; and
- (e) whether the Coffee Board has granted ad hoc bonus for the employees of Coffee Board since 2015-16 onwards and if so, the details thereof and if not, the reasons therefor?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

- (a) No, Madam. Coffee is primarily an export oriented commodity for India. The demand/ consumption in domestic market is about 25% to 30% of country's total coffee production and therefore, does not drastically impact the prices of coffee in the domestic market.
- (b) Coffee production fell after reaching at peak in 2015-16 but there has been a gradual increase in the production of coffee in the country in the last two years. The production of coffee in the country during each of the last three years, State wise is as under:

(In MT)

State	2015-16	2016-17	2017-18
Karnataka	251520	221745	222300

Kerala	69230	63265	65735

Government of India through Coffee Board is extending financial support for Organic certification of coffee estates at the rate of 50% towards the certification cost subject to a maximum of Rs. 50,000/- per individual grower / grower groups. These incentives are limited to initial 3 year conversion period.

- (e) The Coffee Board granted ad-hoc bonus for the year 2015-16 to the employees who were in service as on 31.12.2016, subject to extension of ad-hoc bonus to the employees of autonomous bodies by the Government of India. No orders for extension of ad-hoc bonus to the employees of autonomous bodies has been issued by the Government of India from 2015-16 onwards.

CONTRIBUTION OF FOOD PROCESSING INDUSTRY IN EXPORTS

56. SHRI RAJESHBHAI CHUDASAMA:

Will the Minister of **COMMERCE & INDUSTRY** (वणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the food processing industry has contributed in enhancement of exports from the country;
- (b) if so, the details of annual growth rate of export during the last four years and the current year so far;
- (c) the names of countries to which the processed food is being exported; and
- (d) the details of incentives being given to the exporters of processed food?

ANSWER

वणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

- (a & b) Yes, Madam. Processed food products contribute significantly towards India's overall exports of agricultural products. The details of India's exports of processed food products during the last four years and the current year, along with the annual growth rates, are at Annexure-I.
- (c) The top five countries, to which India exports processed food products, are Vietnam, USA, UAE, Indonesia and Malaysia.
- (d) Promoting exports of processed food products from the country is a continuous process. The newly introduced Agriculture Export Policy provides an assurance that the export of processed agricultural products will not be brought under the ambit of any kind of export restrictions. The Department of Commerce also has several schemes to promote exports, including exports of processed food products, viz. Trade Infrastructure for Export Scheme (TIES), Market Access Initiatives (MAI) Scheme etc. Incentive on export of various value added agricultural/ processed food items is provided to exporters under the Merchandise Exports from India Scheme (MEIS). In addition, assistance to the exporters of value added agricultural/ processed food items is also available under the Export Promotion Schemes of Agricultural & Processed Food Products Export Development Authority (APEDA), Tea Board, Coffee Board and Spices Board. These organisations also seek to promote exports through participation in international fairs & exhibitions, taking initiatives to gain market access for different products in different markets, dissemination of market intelligence, taking steps to ensure quality of exported products etc.

Source: DGCI&S, *Figures of 2018-19 are provisional only

State wise data for exports is not published by DGCI&S. The details of state-wise production of mangoes, during the last three years and the current year, are at Annexure-I.

- (b) Mangoes are processed by the registered packhouse facilities having ripening chambers, pre-cooling facilities and cold storage facilities for shipment to UAE and other West Asian countries. Mangoes to these destinations are exported in refrigerated containers having requisite temperature of 12°C. As per industry's feedback, there is no shortage of availability of refrigerated containers for sea shipment. To the distant destinations like EU and USA, mangoes are exported by air, which reaches the market in two days. To facilitate exports of mangoes by refrigerated vans, Agricultural & Processed Food Products Export Development Authority (APEDA), under the Infrastructure Development component of its export promotion scheme, provides financial assistance for purchase of insulated/reefer transport/mobile pre cooling units upto 40% of the cost subject to ceiling of Rs.100 lakhs. Assistance for Reefer transport vehicles is also available under Mission for Integrated Development of Horticulture (MIDH), a Centrally Sponsored Scheme implemented by Ministry of Agriculture & Farmers Welfare.
- (c) APEDA, an autonomous organisation under the administrative control of Department of Commerce, has been mandated with the export promotion of Mangoes. As such, no proposal for setting up a Mango Board is under consideration of the Government.
- (d) Yes, Madam. During 2018, APEDA has organized the following programmes in the importing countries:

Date	Venue & Country	Programme
1st – 2 nd June, 2018	Almaty, Kazakhstan	Buyer Seller Meet with In-Store promotions in 6 stores of retail chains
4 th June, 2018	Astana, Kazakhstan	In-store promotion in 5 stores of retail chains
27 th – 29 th June, 2018	Guangzhou, China	International Food Expo 2018
2 nd , 9 th & 16 th June, 2018	Busan, South Korea	2018 Mango Promotional Events

- (e) Promotion of exports of agricultural products like mangoes is a continuous process. India has filed Market Access Requests for mangoes with several countries viz. Argentina, Chile, Ecuador, Israel, Malawi, Peru, Russia, Serbia, Uruguay and Uzbekistan. Under the newly introduced Agriculture Export Policy, clusters have been identified in the States of Maharashtra, Gujarat, Uttar Pradesh, Telangana and Andhra Pradesh for export-oriented production of mangoes. MEIS of 7% is available on the export of mangoes. APEDA also provides assistance to Mango exporters under various components of its export promotion scheme.

The Mission for Integrated Development of Horticulture (MIDH), a Centrally Sponsored Scheme is being implemented w.e.f. 2014-15 by the Ministry of Agriculture & Farmers Welfare, for holistic growth of the horticulture sector covering fruits (including Mango), vegetables, root and tuber crops, mushrooms, spices, flowers, aromatic plants, coconut, cashew, cocoa and bamboo. All states and UTs are covered under MIDH. Under MIDH, credit linked assistance is provided for establishment of Cold Storage, Ripening Chambers and Reefer transport vehicles for perishable horticulture crops including Mango. The component is demand and entrepreneur driven and funds under MIDH are allocated to States on the basis of Annual Action Plans.

TEXTILE EXPORTS

70. DR. KAMBHAMPATI HARIBABU

Will the Minister of **COMMERCE & INDUSTRY** (वणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether it is a fact that serial failures to negotiate free trade agreements and the industry's dependence on duty drawbacks at the expense of innovation are causing the textile industry to lose out to neighbouring countries;
- (b) if so, the details thereof;
- (c) the remedial measures being considered to be taken to increase the exports in textile industry; and
- (d) the details of free trade agreements signed during the last five years?

ANSWER

वणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

- (a) & (b) As per World Trade Organization's (WTO) systems, the Least Developed Countries (LDCs) enjoy Generalized System of Preferences (GSP) because of which they enjoy duty advantage. In view of this India faces duty disadvantage upto 9.6% vis-à-vis other neighbouring LDCs. The global demand of textiles has also declined significantly between 2014-17 contributing to reduction of textiles exports from India.

Duty Drawback scheme rebates the incidence of Customs and Central Excise duties suffered on inputs used in manufacture of export goods. Duty Drawback scheme is not related to lack of innovations in the textile industry or its losing out to neighbouring countries.

- (c) To increase exports of textile industry, Government announced a Special Package for garments and made-ups sectors. The package offers Rebate of State Levies (RoSL), labour law reforms, additional incentives under ATUFS and relaxation of Section 80JJAA of Income Tax Act. Further, the rates under Merchandise Exports from India Scheme (MEIS) have been enhanced from 2% to 4% for apparel, 5% to 7% for made-ups, handloom and handicrafts w.e.f. 1st November 2017. Products such as fibre, yarn and fabric in the textile value chain are being strengthened and made competitive through various schemes, inter alia, Powertex for fabric segment, Amended Technology Upgradation Fund Scheme (ATUFS) for all segments except spinning, Scheme for Integrated Textile Parks (SITP) for all segments, etc. Assistance is also provided to exporters under Market Access Initiative (MAI) Scheme. Further, Government has enhanced interest equalization rate for pre and post shipment credit for the textile sector from 3% to 5% w.e.f. 02.11.2018. The benefit which was limited to only manufacturers earlier has been extended to merchant exporters from 2019.
- (d) During the last five years, no new Free Trade Agreements has been signed by India. However, the India- ASEAN Trade in Goods (TIG) Agreement has been expanded in November, 2014 to include Services and Investment Chapter under the Agreement. Further India Chile PTA which was signed in March, 2006 has been expanded on 6th September, 2016 and came into force with effect from 16th May, 2017.

SHRI ADHALRAO PATIL SHIVAJIRAO:

Will the Minister of **COMMERCE & INDUSTRY** (वणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) whether the Special Economic Zone Developers are facing certain issues/ problems including some complaints about the misuse of the policy which create hindrance for development of SEZs and if so, the details thereof;
- (b) whether the industry has time and again requested the Finance Ministry to consider restoring tax benefits to these zones for supporting growth of the sector and generating jobs and if so, the response of the Government in this regard;
- (c) whether the SEZs which emerged as major export hubs in the country, started losing sheen after the imposition of minimum alternate tax and introduction of sunset clause and if so, the response of the Government in this regard;
- (d) whether the Government has approved 423 SEZs till December, 2017 and if so, the number of SEZs out of that made operational so far along with the quantum of exports from these zones grew during April-September 2017-18; and
- (e) the steps taken by the Government to resolve the issues being faced by the SEZs promoters?

ANSWER

वणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

(a) and (e): The Government, on the basis of inputs/suggestions received from stakeholders on the policy and operational framework of the SEZ Scheme, periodically reviews the policy and operational framework of SEZs and takes necessary measures so as to facilitate speedy and effective implementation of SEZs. In this regard, the Government had constituted a Group of eminent persons under the Chairmanship of Shri Baba Kalyani, Chairman M/s. Bharat Forge to study the SEZ Policy of India. The Group has given its report on 19.11.2018.

(b): Yes Madam, Ministry of Commerce and Industry had also recommended the restoration of original exemption from MAT and withdrawal of Sunset Clause for SEZ Developers and Units to Ministry of Finance but has not been agreed to.

(c): The SEZs Act, 2005 was enacted on 23rd June, 2005. In the initial 5 years (i.e. 2007-2008 to 2011-2012) there was 186% increase in the new units in SEZs. However, post imposition of MAT there has been 140% increase in the new units in the next 6 years and current year [i.e. 2012-2013 to 2018-2019(up to 30.09.2018)] in SEZs.

(d): In addition to Seven Central Government Special Economic Zones (SEZs) and 11 State/Private Sector SEZs set-up prior to the enactment of the SEZs Act, 2005, approvals have been accorded to 421 proposals for setting up of SEZs in the country. Presently, out of 355 notified SEZs a total of 231 SEZs are operational.

- (e) if so, the details of such defaulters during each of the last three years and the action taken by the Government in this regard?

ANSWER

वणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

(a) to (c): Yes, Madam. In order to facilitate import of capital goods for producing quality goods and services and enhance India's manufacturing competitiveness, the Central Government has been implementing a Scheme called the Export Promotion Capital Goods Scheme under the Foreign Trade Policy for manufacturer exporters with or without supporting manufacturer(s), merchant exporters tied to supporting manufacturer(s) and service providers.

Under the Scheme, EPCG Authorisations are issued with actual user condition and import validity of 24 months to import capital goods (except those

specified in negative list) for pre-production, production and post-production at zero customs duty, and subject to fulfilment of specific Export Obligation equivalent to 6 times of duties, taxes and cess saved on capital goods, to be fulfilled in 6 years from date of issue of Authorisation. In addition, the Authorisation holder is required to fulfil Average Export Obligation achieved by him in the preceding three licensing years for the same and similar products. However, if minimum 75% of specific Export Obligation and 100% of Average Export Obligation is fulfilled within half the original export obligation period, remaining export obligation can be condoned. Further, in case of indigenous sourcing of capital goods and for exports of Green Technology products, specific EO is only 75%. For Units located in North East Region and Jammu & Kashmir, specific EO is only 25%. Presently, capital goods imported for physical exports are also exempt from IGST and Compensation Cess up to 31.03.2019.

- (d) & (e)** Yes, Madam. The number of defaulters reported in the last three years is 1347 nos. in 2015-16; 1122 nos. in 2016-17 and 1031 nos. in 2017-18. The Regional Authorities have taken penal action under the Foreign Trade (Development & regulation Act), 1992 by issuing show cause notices and passing adjudication orders for recovery of customs duty along with interest.

- (e) if so, the details thereof along with the specific steps taken/being taken by the Government to boost the export of engineering goods from the country?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

- (a) & (b) : The value of engineering exports from India in the last three years and the current year is given below:

(In US\$ billion)

	2015-16	2016-17	2017-18	2017-18 (Apr-Dec)	2018-19 (Apr-Dec)
Engineering Exports	58.60	65.24	76.21	55.81	59.12
Growth (%) over the corresponding period of previous year	(-) 17.07%	11.26%	16.87%		5.95%

As shown above, engineering exports witnessed a decline of 17.1 % in 2015-16 vis-à-vis the previous year due to slump in demand following economic slowdown and recession in many regions of the world, especially the developed ones. However, the engineering exports have been on the rise since then.

(c) The targets for engineering exports fixed by the EEPC India, the export promotion council for engineering products and actual exports during 2015-16 to 2018-19 in respect of engineering sector, are given below. No country-wise/product-wise targets are fixed by the Council.

Engineering Exports(US\$ billion)

	2015-16	2016-17	2017-18	2018-19
Target	75	65	70	80
Actual Exports	58.60	65.24	76.21	59.12 (April-Dec)

(d) & (e): The Government has taken several initiatives for enhancing competitiveness of Indian exports, especially the engineering sector which, inter-alia, include :

- (i) Under the Interest Equalization Scheme, equalization @ 3% was allowed to manufacturer exporters for products covered under 416 tariff lines, including many engineering products, and for all tariff lines to MSME manufacturers. With effect from 02.11.2018, the rate of interest equalization has been enhanced to 5% for MSME manufacturers for all tariff lines, including all engineering products;
- (ii) Merchant exporters have recently been included under the Interest Equalization Scheme;
- (iii) A variety of export promotion activities are being undertaken through EEPC India, including the annual International Engineering Sourcing Show in India and the Indian Engineering Exhibitions across the world, for promoting engineering exports;
- (iv) The brand 'Indian Engineering' is being promoted to enhance the global image of Indian engineering products;
- (v) A technology upgradation initiative is being implemented for development of cutting-edge export-oriented technologies, etc.

- (e) whether the Government proposes to review the existing export promotion schemes/programmes being implemented in the country and if so, the details thereof; and
- (f) the other measures taken/being taken by the Government to improve net export and GDP of the country and bring down the trade deficit in the future?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

(a) to (d) The values of India's export, import, net export (the value of total exports minus the value of total imports) and GDP at current prices during the last four years and current year are as follows:

(Rs. in crore)

Year	Exports of Goods and Services (at Current Prices)	Imports of Goods and Services (at Current Prices)	Net Exports of Goods and Services (at Current Prices)	GDP (at Current Prices)

2014-15	2863636	3235962	(-)372326	12467959
2015-16	2728641	3044915	(-)316274	13764037
2016-17	2946243	3208505	(-)262262	15253714
2017-18 (RE)	3194507	3694286	(-) 499779	16773145
2018-19 (1 st AE)	3727937	4387991	(-)660054	18840731

RE: Revised Estimates, AE: Advance Estimates, Source: CSO, Ministry of Statistics and Programme Implementation

Due to different units of measurement, the total quantity of exports and imports is not additive. The data in the above table reveals that the net export decreased in the year 2015-16 and 2016-17 as compared to the corresponding period of the previous years. However, it has increased in the year 2017-18 and 2018-19 as compared to the corresponding period of the previous years. Trade deficit depends upon relative fluctuations in the import and export of different commodities due to the global and domestic factors such as demand and supply in domestic and international markets, currency fluctuations, cost of credit, logistics costs, etc. The decline in net export has very insignificant impact on the Gross Domestic Product (GDP) of the country.

The top 30 principal commodity-wise values of trade deficit for the last four years and the current year is given at **Annexure-I**.

India's share in world trade during 2014 to 2017 is given as follows:

Years	India's Share in World Merchandise Plus Services Exports (%)	India's Share in World Merchandise Plus Services Imports (%)
2014	1.99	2.45
2015	1.98	2.32
2016	2.03	2.27
2017	2.10	2.60

Source: World Trade Organisation

As per Foreign Trade Policy 2015-20, the Government aims to increase India's exports of merchandise and services from US\$ 465.9 billions to approximately US\$ 900 billions by 2019-20 and to raise India's share in world exports (Goods and Services) from 2% to 3.5%.

(e) & (f): The Government carried out mid-term review of the Foreign Trade Policy 2015-20, which was released on December 5, 2017. In order to boost India's exports and bring down the trade deficit, the Government has taken several measures through Foreign Trade Policy

2015-20 launched on 1st April 2015, its Mid-term Review released on December 5, 2017 and other policy measures taken from time to time. The key measures include:

- i. FTP 2015-20 provides a framework for increasing exports of goods and services as well as generation of employment and increasing value addition in the country, in line with the 'Make in India', 'Digital India', 'Skills India', 'Startup India' and 'Ease of doing business' initiatives.
- ii. The main policy objective is to enable India to respond to the challenges of the external environment keeping in view the rapidly evolving international trading architecture and make trade a major contributor to the country's economic growth and development.
- iii. The policy provides the framework for promotion of exports through schemes of incentives on exports and duty remission/exemption on inputs for export production.
- iv. The Merchandise Exports from India Scheme (MEIS) was introduced in the Foreign Trade Policy (FTP) 2015-20 on April 1, 2015 with the objective to offset infrastructural inefficiencies and associated costs involved in exporting goods/products which are produced/ manufactured in India. Duty credit scrips issued under MEIS and the goods imported against these scrips are fully transferable. On the demand of the industry, at the time of mid-term review of the FTP in Dec 2017, export rewards under MIES were increased by 2% across the board for labour intensive, MSME sectors, ready-made garments and made ups. Later, rewards to some agricultural products such as Bengal Gram, Milk and Milk Products, Soya de-oiled cake and Non Basmati rice have been provided/enhanced under MEIS for a limited period in the year 2018-19 to boost the exports of these agriculture sector items. As on date, The MEIS scheme covers 8057 tariff lines at 8 digits level, and provide rewards.
- v. The 'Services Exports from India Scheme (SEIS)' was introduced in the Foreign Trade Policy (FTP) 2015-20 on April 1, 2015 for increasing exports of notified services. At the time of mid-term review of Foreign Trade Policy 2015-20, the rates for all the notified services have been increased by 2% for exports with effect from 01.11.2017, leading to additional estimated annual rewards of Rs 1,140 crore to promote exports of notified services.
- vi. An Action Plan on Champion Sectors in Services has been approved on 28th February 2018, whereby, nodal Ministries/Departments of the identified 12

champion services sectors have been directed to undertake sectoral initiatives aimed at, *inter alia*, enhancing services exports.

- vii. Government has been organising various events including the Global Exhibition in Services, Advantage Health Care India, and Higher Education Summit etc. to showcase India's strength in services sector. Government has also been participating in international fairs/ exhibitions relating to services sector.
- viii. In the various bilateral/ pluri-lateral/ multilateral trade negotiations, Government has been seeking commercially meaningful market access for India's services exports.
- ix. The policy includes measures to nudge procurement of capital goods from indigenous manufacturers under the EPCG scheme by reducing specific export obligation from 90 percent to 75 percent of the normal export obligation.
- x. The policy provides issue of Advance Authorisation to allow duty free import of inputs, which is physically incorporated in export product within a specified timeline.
- xi. Interest Equalization Scheme on pre and post shipment rupee export credit has been introduced from 1.4.2015 to help exporters in accessing credit at reduced rates.
- xii. 'Niryat Bandhu Scheme' has been galvanised and repositioned to achieve the objectives of 'Skill India' and trade promotion/awareness.
- xiii. Trade facilitation and enhancing the ease of doing business measures have been taken with special focus on moving towards paperless working. The Government has launched a Single Window Interface for Facilitating Trade (SWIFT) clearances project with effect from 1st April, 2016. The scheme enables the importers/exporters to file a common electronic 'Integrated Declaration' on the Indian Customs Electronic Commerce/Electronic Data Interchange (EC/EDI) Gateway i.e. ICEGATE portal. India also ratified the WTO Agreement on Trade Facilitation (TFA) in April 2016 for enhancing trade facilitation.
- xiv. A new scheme called "Trade Infrastructure for Export Scheme (TIES)" has been launched from 1st April 2017 to address the export infrastructure gaps in the country.
- xv. The Mid-term Review of Foreign Trade Policy 2015-20 launched on 5th December 2017 provides more incentives for export promotion.

xvi. In order to double farmers' income by 2022 and provide an impetus to agricultural exports, the Government has launched a comprehensive "Agriculture Export Policy" on 6th December, 2018 which would also integrate Indian farmers and agricultural products with the global value chains. Objectives of the Agriculture Export Policy are as under:

- To double agricultural exports from present ~US\$ 30+ Billion to ~US\$ 60+ Billion by 2022 and reach US\$ 100 Billion in the next few years thereafter, with a stable trade policy regime.
- To diversify our export basket, destinations and boost high value and value added agricultural exports including focus on perishables.
- To promote novel, indigenous, organic, ethnic, traditional and non-traditional Agri products exports.
- To provide an institutional mechanism for pursuing market access, tackling barriers and deal with sanitary and phyto-sanitary issues.
- To strive to double India's share in world agri exports by integrating with global value chain at the earliest.
- Enable farmers to get benefit of export opportunities in overseas market.

ANSWER

वणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

(a)& (b) : Yes Madam. Government of India has been taking continuous and sustained steps to bridge trade deficit by lowering the trade barriers for Indian exports to China. During the 11th session of India-China Joint Group on Economic Relations(JEG) held in New Delhi on 26 March 2018, the Trade Ministers of two countries agreed to increasing bilateral trade between the two countries in a balanced and more sustainable manner. In this regard various meetings have been held with Chinese counterparts as a part of ongoing efforts to seek market access for various Indian agricultural products, animal feeds, oil seeds, milk and milk products, pharmaceutical products etc., in light of the potential of these products/services in the Chinese market. Also protocols have been signed to facilitate export of Indian rice, rapeseed meal, fishmeal – fish oil and tobacco leaves from India to China.

The details of the imports from China during 2015-16, 2016-17, 2017-18 & 2018-19 (April-December)are given below: -

Year	Import (Value in USDMillion)
2015-16	61707.95
2016-17	61283.03
2017-18	76380.70
2018-19 (upto December, 2018)*	53878.06

**Provisional (Source; DGCI&S)*

(c) to (e): India has an elaborate and robust legal framework and institutional set up to protect its environment, life and health of its people, plants and animals. All goods imported into India are subject to domestic laws, rules, orders, regulations, technical specifications, environment and safety norms that are notified from time to time. The Government takes appropriate action in case goods imported from any source are found to violate these regulations and threaten human, animal or plant life or health.

In addition, trade defence measures like anti-dumping duty and countervailing duty, safeguard measures are enforced under the prescribed WTO provisions. Directorate General of Trade Remedies (DGTR) initiates anti-dumping investigations on the basis of a duly substantiated application filed by the domestic producer with a prima facie evidence of dumping of goods into the country causing injury to the domestic industry. Such applications submitted by domestic industry are processed as per the procedure and within the time limits specified under the Customs Tariff Act, 1975 and the rules made there under. DGTR conducts investigations and recommends imposition of duty, wherever appropriate, to the Department of Revenue by issuing its preliminary/final findings. Acting upon such recommendations of the DGTR, the Department of Revenue may impose the provisional or definitive duties.

As on 28.01.2019, anti-dumping duty is in force on 99 products imported from China. The sector-wise details of these 99 products are given below:

S.No.	Product Category	No. of cases in which duty is in force
1.	Chemical and Petrochemicals	40
2.	Electrical and electronic items and accessories	05
3.	Fibres and Yarn	08
4.	Fibre Boards	01
5.	Glass and Glassware	10
6.	Machinery Items	5
7.	Pharmaceutical	2
8.	Rubber or Plastic products	1
9.	Steel and other metals	11
10.	Other Products	16

(a) and (b) Yes, Madam. The Interest Equalization Scheme on Pre and Post Shipment Rupee Export Credit has been introduced from 1.4.2015 for a period of 5 years to help exporters in accessing credit at reduced rates. Under the scheme, interest equalization @3% per annum has been made available to all exports under identified 416 tariff lines [at ITC(HS) code of 4 digit], and to exports made by Micro, Small and Medium Enterprises (MSMEs) across all ITC(HS) codes. To further support credit-off take by MSME exporters, the interest equalization under Interest Equalization Scheme has been raised from 3% to 5% w.e.f. 02.11.2018 for exports made by MSMEs across all ITC(HS) codes.

On 2nd January 2019, Cabinet Committee on Economic Affairs has further approved proposal for including merchant exporters under the Interest Equalization Scheme (IES) for Pre and Post Shipment Rupee Export Credit by allowing them interest equalization rate of 3% on such credit for export of products covered under 416 tariff lines identified under the scheme.

(c) No Madam.

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

- (a & b) Yes, Madam. Meetings / Workshops have been conducted to evolve a roadmap for implementation of the Agriculture Export Policy. A national level meeting was held in New Delhi, on 8th January 2019, under the chairmanship of Minister of Commerce & Industry. Representatives of Departments of Agriculture/Horticulture, of various State/U.T. Governments, representatives of Central Government Ministries/ Departments, representatives from trade, farmers' groups, trade promotion bodies and experts in the field of Agriculture attended the meeting. Meetings are also being organised at State and Cluster levels to implement the Agriculture Export Policy.
- (c) Yes, Madam. Increasing agricultural exports from the present levels, to around USD 60 billion by 2022 is one of the objectives of the Agriculture Export Policy.
- (d) Promoting exports of agricultural products from the country is a continuous process. Various measures to increase agricultural exports, both strategic and operational, have been included in the newly introduced Agriculture Export Policy. The Department of Commerce also has several schemes to promote exports, including exports of agricultural products, viz. Trade Infrastructure for Export Scheme (TIES), Market Access Initiatives (MAI) Scheme, Merchandise Exports from India Scheme (MEIS) etc. In addition, assistance to the exporters of agricultural products is also available under the Export Promotion Schemes of Agricultural & Processed Food Products Export Development Authority (APEDA), Marine Products Export Development Authority (MPEDA), Tobacco Board, Tea Board, Coffee Board, Rubber Board and Spices Board. These organisations also seek to promote exports through participation in international fairs & exhibitions, taking initiatives to gain market access for different products in different markets, dissemination of market intelligence, taking steps to ensure quality of exported products etc.

- (b) if so, whether India has filed a dispute under the aegis of the WTO on this issue and if so, the details thereof;
- (c) whether India has stated that the decision will impact exports of these products to the US and it is not in compliance with global trade norms; and
- (d) if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

(a) to (d) Yes, Madam. The United States' unilateral measure of imposition of additional customs duty of 25% on steel products and 10% on aluminium products are violative of the WTO provisions. As these measures affect India's trade, India has challenged the US before the WTO Dispute Settlement Body (DSB) seeking to bring these measures consistent with WTO provisions. Since the bilateral consultations under the Dispute Settlement Mechanism held on 20th July 2018 did not result in resolution of the dispute, a Dispute Settlement Panel was established on 4 December 2018 to adjudicate the dispute.

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सी. आर. चौधरी)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SHRI C. R. CHAUDHARY)

(a) to (e) : With an objective to ensure a continuous dialogue with all State Governments on measures for providing an International trade enabling environment in the State and to create a framework for making the States active partners in boosting India's trade, a Council for Trade Development and Promotion (CTDP) has been constituted (notified in July 2015) under the chairmanship of the Union Commerce and Industry Minister, in which the Trade & Commerce Ministers of all the states, including Rajasthan are members. Regular annual meetings of the Council have been conducted to facilitate the States to articulate their views.

Further, key initiatives like 'Make in India', 'Start-up India' and 'Ease of Doing Business' have also been taken by the Government to facilitate industrial production and growth in the States, including Rajasthan.

The Government has facilitated setting up of dry ports which help the exporters from land locked States and have so far accorded clearance to 7 proposals for setting up of Inland Container Depots in Rajasthan. No specific proposal from Government of Rajasthan is presently pending with the Department.
