Department of Commerce  
Economic Division (EPL-I)

**Major achievements of Department of Commerce during February, 2019.**

- On the basis of Quick Estimates on merchandise trade for India released on 15.02.2019, the value of merchandise exports during January 2019 has been USD 26.36 billion as compared to USD 25.41 billion in January 2018, thus, registering a growth of 3.74 per cent. The cumulative Exports during April-January 2019 has been estimated at USD 271.80 billion compared to USD 248.18 billion during the corresponding period of last fiscal year, which is a growth of 9.52 percent compared to the same period in last fiscal year.
- Commerce and Industry Minister launched a new mobile application (DGFT App) on 15.02.2019 to provide easy access to provisions of foreign trade policy, Handbook of procedures, various DGFT applications and trade related updates, including customs through searchable interface. Hon'ble CIM also launched a new e-learning Massive Open Online Courses (MOOC) initiative under the 'Niryat Bandhu' scheme of DGFT to train, mentor and hand-hold potential exporters on international trade.
- To facilitate filing and tracking of Quality Complaints/Trade disputes, an online module to receive, track and process such complaints has been created. In an endeavour to resolve complaints or trade disputes relating to international trade and to create confidence in the business environment of India, a mechanism to address such issues has been provided in Chapter 8 of the Foreign Trade Policy/Handbook of Procedures, 2015-2020. Now all such complaints which were earlier to be filed manually can be filed online. The complaint can also be tracked and processed online henceforth. To facilitate e-commerce and export through postal/courier means, the online module for application of Merchandise Export Incentive Scheme (MEIS) for exports under e-commerce/courier or postal from all airports has been made operational. Also, MEIS application fee waived off for e-commerce exports.

- In order to improve ease of doing business and make issuance of authorizations paperless, the physical copy of Advance Authorisation and EPCG would no longer be issued on or after 01.03.2019, in respect of EDI ports. This would help the exporters in taking a printout of the authorization themselves reducing the time taken for printing of such authorization by Regional Authorities and subsequent time to reach the applicant. It is an initiative towards paperless governance. A policy circular in this regard was issued on 14.2.2019.
- SWAYATT' to promote Start-ups, women and youth advantage through e- Transactions was launched by the Hon'ble Minister of Commerce & Industry and Civil Aviation on 19<sup>th</sup> February, 2019.
- GeM was honoured with the 'Digital India Platinum Award' for 'exemplary online service' by the Ministry of Electronics and Information Technology on 22<sup>nd</sup> February, 2019.
- A seminar on trade remedial measures against Indian exports was organised by Directorate General Trade Remedies (DGTR) on 6.2.10'9. Another seminar and interactive session on trade remedy mechanism in India was held in DGTR on the request of GCC for their delegates visiting India from 25-27<sup>th</sup> February 2019.
