## DECISION N ${ }^{1 / 2016}$ OF THE JOINT ADMINISTRATION COMMITTEE

Set up by the Preferential Trade Agreement between the Republic of Chile and the Republic of India, signed on March 8, 2006 concerning the adoption of amendments to this Agreement.

## THE JOINT ADMINISTRATION COMMITTEE

Having regard to Preferential Trade Agreement between the Republic of Chile and the Republic of India (hereinafter referred to as "Agreement"), signed in New Delhi on March 8, 2006 and in particular, Articles XVII and XX thereof,

HAS DECIDED AS FOLLOWS:

## Article 1

The Joint Administration Committee has decided that the following instruments be a part of the Agreement:
(a) Amendment to Schedules on Trade in Goods: Annex $A_{1}$ (India's Schedule) and Annex $\mathrm{B}_{1}$ (Chile's Schedule); shall incorporate into and replace Annex A (India's list of Products for Chile) and Annex B (Chile's List of Products for India) of the Agreement. Each amendment to Annex A and Annex B is amended as set out in the relevant Schedule.
(b) Amendment to Annex C (Rules of Origin):
(i) Section III (Proof of Origin) of Annex $\mathrm{C}_{2}$ containing Articles $14-15$ shall substitute and replace Section III of Annex C of the Agreement containing Articles 14-15; and Section IV of Annex $\mathrm{C}_{2}$ containing Articles 16-33 on "Control and Verification of Certificates of Origin" shall substitute and replace Section IV of Annex C containing Articles 16-35. The new Sections III and IV will form an integral part of the Agreement.
(ii). Annex $\mathrm{C}_{1}$ containing Part 1 on "General Notes" and Part 2 on "Product Specific Rules will be incorporated as an integral part of the Agreement and will be labelled as Annex C1.

(c) Annex F (Protocol on Sanitary and Phytosanitary Measures)
(d) Annex G (Protocol on Technical Barriers to Trade)

## Article 2

The Joint Administration Committee has decided that the following paragraph 6 should be added to Article 5 of Annex $C$ of the Agreement.
"6. Notwithstanding the provisions of the paragraphs 1 and 2 of this Article, a product shall be considered as originating if it fulfils the conditions laid down in Annex $\mathrm{C}_{1}$ and the final process of manufacturer is performed within the territory of the exporting party".

## Article 3

The instruments referred to in Article 1 shall constitute an integral part of the Agreement.

## Article 4

This decision shall enter into force sixty (60) days after the date of the last Note on which the parties communicate the completion of the necessary domestic legal procedures in accordance with Article XX of the Agreement.

IN WITNESS WHEREOF, the undersigned, being duly authorised by their respective governments, have signed this decision.

Done at New Delhi on $6^{\text {th }}$ day of September, 2016

 <br> <br> Proof of Origin}

## Article 14

## Certification of Origin

1. The Certificate of Origin is the document that certifies that goods fulfil the origin requirements as set out in this Annex so that they can benefit from the preferential tariff treatment as foreseen in this Agreement. The said Certificate is valid for only one importing operation concerning one or more goods.
2. For the purpose of claiming the preferential tariff treatment for an originating good of the exporting Party, the Certificate of Origin shall be submitted, in accordance with national legislation, to the Customs Authority of the Importing Party. A Party may require that the Certificate of Origin be submitted in original.
3. The Certificate of Origin shall be submitted within its validity period.
4. The Certificate of Origin submitted to the customs authority of importing Party after the expiration of the validity of the Certificate of Origin shall be accepted for the purpose of claiming preferential tariff when the failure to observe the time limit results from force majeure or other valid reasons beyond the control of the exporter. In all cases, the Customs Authority of importing Party shall accept such Certificate of Origin if the products have been imported before the expiry of the validity period of the said certificate of origin.
5. The Customs Authority of importing Party may request an importer for information or documents relating to the origin of imported product in accordance with the law for the time being in force in the territory of the importing Party. Notwithstanding, if the importer does not possess the information or if the information provided is not sufficient to determine whether the goods are originating in the exporting Party, the Customs Authority of the importing Party shall request information from the issuing authority in accordance with Section IV of this Annex.
6. The issue of Certificates of Origin and its control, shall be under the responsibility of a Government office in each Party. The Certificates of Origin shall be directly issued by those authorities or through delegation as referred to in paragraph 7 and shall be in English.
7. The Certificate of Origin shall be signed and issued by Government offices to be indicated by the Parties who may delegate the signing and issuing of Certificate of Origin to other Government offices or representative corporate body.

Each party shall inform the competent authorities of other Party of the names'and
addresses of the authorised officials of its respective issuing authority of Certificate of Origin and also provide sets of their specimen signatures and specimen of official seals.

When a good to be traded is invoiced by a non-Party operator, the producer or exporter of the originating Party shall inform, in the field titled "observations" of the respective Certificate of Origin, that the goods subject to declaration shall be invoiced from that non-Party operator, reproducing the following data from the commercial invoice issued by this operator: name, address, country, number and date. Value addition, where applicable, carried out only in the territory of the exporting Party shall be taken into account for calculation of local value addition.

## Article 15

## Issue of Certificates of Origin

1. For the issue of a Certificate of Origin, the final producer or exporter of the good shall present the corresponding commercial invoice and a request containing a sworn declaration by the final producer certifying that the goods fulfil the origin criteria of this Annex, as well as the necessary documents supporting such a declaration. The said sworn declaration shall contain at least the following data:
(a) individual's name oŕ company name;
(b) address;
(c) description of the good to be exported and its tariff classification;
(d) FOB value of the goods to be exported; and
(e) information relating to the good to be exported, which must indicate:
(i) materials, components and/or parts originating from the exporting Party and the Customs tariff heading, wherever possible,
(ii) materials, components and/or parts originating from the other Party indicating:

- origin,
- tariff classification (at least 6 digit level),
- CIF value, in United States of America dollars, and
- percentage on the total value of the final product.
(iii) non-originating materials, components and/or parts indicating:
- exporting Country,
- tariff classification (at least 6 digit level),
- CIF value, in United States of America dollars, and
- percentage on the total value of the final product; and
(iv) description of the manufacturing process.

2. The description of the good in the sworn origin declaration, which certifies the fulfilment of the origin requirements set out in this Annex, shall correspond to the respective tariff classification, as well as with the description of the good in the commercial invoice and in the Certificate of Origin.
3. If the goods are regularly exported and their manufacturing process, as well as their materials are not modified, the Sworn Declaration of the Producer may be valid for a period of up to one year counted from the date of the issue of the certificate.
4. The Certificate of Origin shall be issued not later than five (5) working days after the presentation of request and it shall be valid for a period of one year from the date of its issue.
5. The Certificates of Origin shall not be issued before the date of the issue of the commercial invoice relating to the consignment, but may be issued on the same date or within the following sixty (60) days.
6. In the event of theft, loss or destruction of a Certificate of Origin, the exporter may apply in writing to the issuing authority which issued it for a certified true copy of the original to be made on the basis of the export documents in their possession bearing the endorsement of the words "CERTIFIED TRUE COPY", (in lieu of the original certificate) in box 4 of the Certificate of Origin. This copy shall bear the date of the original Certificate of Origin.
7. Minor discrepancies between the Certificate of Origin and the documents submitted to the Customs Authority of the importing Party for the purpose of carrying out the formalities for importing the products shall not ipso facto invalidate the certificate of origin, if such certificate of origin corresponds to the products under importation.
8. The requesting Party and the certifying offices or authorized institutions shall keep the documents supporting the origin certificates for a period no less than five (5) years, from the date of its issue. The issuing authority shall enumerate the certificates issued by them

in sequential order.
9. The issuing authority shall keep a permanent record of all issued Certificate of Origin, which shall contain at least the certificate number, the requesting entity's name and the date of its issue.

## Section IV

## Control and Verification of Certificates of Origin

## Article 16

1. Regardless of the presentation of a certificate of origin in accordance with the Rules of Origin under this Annex, the Customs Authorities of importing Party in the cases of reasonable doubt, as to the authenticity of a certificate, as well as the veracity of the information contained therein, may initiate an verification in accordance with the procedures established in Article 17. This shall not preclude the application of the respective national legislation including customs law.
2. The competent authorities, of importing Party shall put forward the reasons for the doubts concerning the authenticity of the certificate or the veracity of its data in a clear and concrete way to the issuing authority of the exporting Party.

## Article 17

During the verification proceedings, the Customs Authority of the importing Party may request the issuing authority of the exporting Party, in writing, for a verification of origin in accordance with the following procedure, namely:
(a) the request for information, as well as any copy of the documentation in possession of the issuing authority which issued the Certificate of Origin under verification, which may be deemed necessary for verifying the authenticity of the said certificates and the veracity of the information contained therein. In such a request, the number and the date of the issue of the Certificate of Origin under verification shall be indicated;
(b) for the purposes of verification of the contents of the local or regional added value, the producer or exporter shall facilitate the access to any information or documentation necessary for establishing the CIF value of the non-originating goods used in the production of the goods under verification;

for the purposes of verification of the characteristics of certain production processes, the exporter or producer shall facilitate the access to any

information and documentation that allow the confirmation of such processes;
(d) the Customs Authority of the importing Party may send a questionnaire to the issuing authority of the exporting Party which shall be passed on to the exporter or producer, indicating the Certificate of Origin under verification;
(e) when the Customs Authority of the importing Party is not satisfied with the results of the verification of origin pursuant to clauses (a) to (d), it shall deliver a written request to the issuing authority of the exporting Party to facilitate visits to the premises of the producer, with a view to examining the production processes, as well as the equipment and tools utilized in the manufacture of the product under verification;
(f) the issuing authority of the exporting Party will provide the requisitioned documents, statement and cost sheet of materials to the Customs Authority of the importing Party at least fifteen (15) days before the date of visit;
(g) the issuing authority of the exporting Party shall accompany the authorities of the importing Party in their above-mentioned visit, which may include the participation of specialists who shall act as observers. Each Party may designate specialists, who shall be neutral and have no interest whatsoever in the verification. Each Party may deny the participation of such specialists whenever the latter represent the interests of the companies involved in the verification;
(h) once the visit is concluded, the participants shall subscribe the minutes of it, in which it shall be indicated that it was carried out according to the conditions established in this Annex. The said minutes shall contain, in addition, the following information: date and place of the carrying out of the visit; identification of the Certificates of Origin which led to the verification; identification of the goods under verification; identification of the participants, including indications of the organs and institutions to which they belong; a visit report;
(i) the exporting Party may request the postponement of a verification visit for a period not more than thirty (30) days; and
(j) the Parties may carry out other actions as mutually agreed upon between them, relating to the case under verification.

## Article 18

(i) thirty (30) days of the date of receipt of the request, if the request pertains to the authenticity of seal and signatures of the issuing authority of the beneficiary country;
(ii) thirty (30) days of the date of receipt of the request, if the request is to seek a copy of the application made by the exporter or producer.
(iii) sixty (60) days from the date of receipt of such request, if the request is on the grounds of suspicion of the accuracy of the information regarding the origin of the product. Such period can be extended through mutual consultation for a period no more than thirty (30) days upon request of the exporting Party.

## Article 19

1. The Customs Authorities of the importing Party shall not suspend the importation operations of the goods or of identical goods from the same exporter or producer. However, they may deny preferential tariff treatment and request a guarantee in any of its modalities or may take any action necessary in order to preserve fiscal interests, as a pre-condition for the completion of the importation operations subject to and in accordance with the laws and procedures of the importing Party.
2. If a guarantee is required, its amount shall not be higher than the value of the applicable custom duties concerning the importation of the product from third countries, according to the legislation of the importing country.

Article 20

The information obtained under the conditions of this Annex shall be confidential in character, in accordance with its law, and each Party shall protect such information from disclosure that could prejudice the competitive position of the persons providing the information. It shall be utilized with a view to clarifying the matter under verification by the competent authorities of the importing Party as well as during the verification and legal proceedings.

## Article 21

The Customs Authorities of the importing Party shall immediately notify the importer and the competent authorities of the exporting Party upon initiation of the verification envisaged under Article 16, in accordance with the procedures established in Article 17.

## Article 22

1. The competent authorities of the importing Party shall engage to conclude the verification in a period preferably within 60 (sixty) days but not more than 90 (ninety) days, from the date of the receipt of all the information requested in accordance with Article 17.
2. If it is considered that new investigative actions or the presentation of more information are necessary, the competent authorities of the importing Party shall communicate the fact to the competent authorities of the exporting Party. The term for the execution of such new actions or for the presentation of additional information shall be not more than sixty (60) days, from the date of the receipt of all the additional information, according to Article 17.

Article 23

Except as otherwise provided in this Annex, the competent authorities of the importing Party may consider that the goods under verification do not fulfil the origin requirements and may deny preferential tariff treatment to the goods mentioned in the Certificatc of Origin under verification according to Article 16, when: -
(a) the goods do not meet the requirements of this Annex;
(b) the exporter, producer or importer of the goods fail to demonstrate compliance with the requirements which are applicable under this Annex;
(c) the exporter or producer of the goods deny access to the relevant records or documentation;
(d) the competent authorities of the exporting Party fail to provide the information in pursuance to a written request for verification within stipulated time;
(e) the consent to a request for verification visit is not received from the competent authorities of the exporting Party or the exporter or producer; or
(f) the information provided by the issuing authorities of the exporting Party or exporter or producer is not sufficient to prove that the goods qualifies as an originating goods of the exporting Party.

## Article 24

1. In cases where the Certificate of Origin is rejected by the competent authorities of the importing Party, the original Certificate of Origin shall be returned to the competent authorities of the exporting Party within a reasonable period but not exceeding two months from the date of such rejection. The competent authorities of the importing Party shall commanicate the grounds for denial of preferential tariff treatment to the importer and the
competent authorities of the exporting Party.
2. The Customs Authority of the importing Party shall grant the competent authority of the exporting Party, access to the verification files, in accordance with its domestic legislation.

## Article 25

During the investigation process, occasional modifications in the manufacturing conditions made by the companies under verification shall be taken into account for future shipments.

## Article 26

Once the verification for the qualification of the origin concludes with a determination in favour of the importer, the importer shall be released from the guarantees requested in Article 19, within no more than thirty (30) days and shall be promptly refunded the duties paid in excess in accordance with the domestic legislation of the Parties.

## Article 27

1. Once the verification establishes the non-qualification of the origin criterion of the goods contained in the Certificate of Origin, the duties shall be levied in accordance with the domestic legislation in force in the importing Party.
2. In such a case, the competent authorities of the importing Party may deny preferential tariff treatment to new imports relating to identical good from the same producer, until it is clearly demonstrated that the manufacturing conditions were modified so as to fulfil the origin requirements of the Rules of Origin of this Annex.
3. Once the competent authorities of the exporting Party has sent the information demonstrating that the manufacturing conditions were modified and goods fulfil the origin criterion, the competent authorities of the importing Party shall have forty five (45) days, from the date of the receipt of the said information, to communicate its decision there upon, or to request for a verification visit to the producer's premises, according to Article 17(e), if deemed necessary.
4. If the competent authorities of the importing and the exporting Parties fail to agree on the demonstration of the modification of the manufacturing conditions, they may make use of the Dispute Settlement Procedure established as per Article XVIII.

## Article 28

A Party may request to the other Party to investigate the origin of a good imported <
by the latter from other Party, whenever there are well-founded reasons for suspecting that its products undergo competition from imported products with preferential tariff treatment which do not fulfil the Origin Rules of this Agreement.
2. For such purposes, the competent authorities of the Party requesting the verification shall bring to the notice of the authorities of the importing Party the relevant information within sixty (60) days, from the date of the request. Once this information is received, the importing Party may initiate the proceedings established in this Annex, giving notice of this to the Party that requested the initiation of the verification.

## Article 29

The proceedings of verification and control of origin as foreseen in this Annex may also apply to the goods already cleared for home consumption.

## Article 30

The Customs Administrations of both parties shall endeavor to enter into a Mutual Customs Cooperation Agreement.

## Article 31

Within sixty (60) days, from the receipt of the communication as provided in Article 27 or in the third paragraph of Article 30, in case the measure is inconsistent, the exporting Party may request for consultation to the Joint Administration Committee referred to in Article XVII, stating the technical and legal reasons that would indicate that the measure adopted by the competent authorities of the importing Party are not consistent with this Annex; and/or request a technical advice with the aim of establishing whether the goods under verification fulfil the origin rules of this Agreement.

## Article 32

The time periods set in this Annex shall be calculated on a consecutive day basis as from the day following the fact or event which they refer to.

## Article 33

Each Party shall adopt or maintain measures that provide for the imposition of civil; administrative, and, where appropriate, criminal sanctions for violations of its customs laws End regulations, including those governing tariff classification, customs valuation, rules of onigin, and the entitlement to preferential tariff treatment under this Agreement.

#### Abstract

ANNEX F PROTOCOL ON SANITARY AND PHYTOSANITARY MEASURES

## ARTICLE 1 <br> OBJECTIVES

## The objectives of this Protocol are to:

(a) uphold and enhance the implementation of the Agreement on the application of Sanitary and Phytosanitary measures, contained in Annex 1A of the WTO Agreement (hereinafter referred to as "the SPS Agreement");
(b) facilitate bilateral trade while protecting human, animal or plant life or health in the territory of each Party;
(c) establish mechanisms and procedures for trade facilitation;
(d) ensure use of applicable international standards, guidelines and recommendations developed by World Organization for Animal Health (OIE), the Codex Alimentarius Commission (Codex) and the -International Plant Protection Convention (IPPC);
(e) ensure transparency as regards sanitary and phytosanitary measures applicable to trade, and that sanitary and phytosanitary measures do not create unjustified barriers to trade;
(f) improve communication, consultation, co-operation and mutual understanding of each Party's regulations and procedures relating to the implementation of sanitary and phytosanitary measures;
(g) provide a mechanism for expeditious resolution of issues, including disputes relating to sanitary and phytosanitary measures.

## ARTICLE 2 <br> SCOPE AND COVERAGE

1. This Protocol applies to all sanitary and phytosanitary measures that may, directly or indirectly, affect trade between the Parties.
2. All the Annexes to this Protocol and Decisions taken by the Committee constituted
 under Article 13 shall constitute integral components of this Protocol.

## ARTICLE 3 <br> DEFINITIONS

1. "Protocol" means the entire text of this Protocol and all its Annexes;
2. "Agreement" means the entire text of this Preferential Trade Agreement Between Republic of India and the Republic of Chile signed in New Delhi on March 8, 2006 and all its Annexes;
3. For the purposes of this Protocol,
a) The definitions in Annex A of the SPS Agreement are incorporated into this Protocol and shall form part of this Protocol.
b) The relevant definitions developed by the international organizations namely, the Codex, the OIE and the IPPC apply in the implementation of this Protocol.
c) Any other definition agreed to by the Parties to the Committee constituted in Article 13.

## ARTICLE 4 GENERAL PROVISIONS

1. The Parties are fully responsible under this Protocol for observance of all obligations set forth herein.
2. Each Party shall formulate and implement measures and mechanisms in support of the observance of the provisions of this Agreement.
3. The Parties reaffirm their rights and obligations under the SPS Agreement..

## ARTICLE 5 INTERNATIONAL STANDARDS AND HARMONIZATION

1. Each Party shall use international standards, guidelines or recommendations as the basis for its sanitary and phytosanitary measures, in order to harmonize them. The Parties shall follow the international standards, guidelines or recommendations of the competent international organizations: the International Plant Protection Convention for plant health; the OIE for animal health; and the standards of the Codex Alimentarius Commission with respect to human health, food safety and tolerance limits.
2. Notwithstanding paragraph 1 , the Parties may adopt a sanitary or phytosanitary measure that offers a level of protection higher than that which would be achieved

by measures based on an international standard, guideline or recommendation, provided there is scientific justification. In the event a Party adopts a level of protection different from that which would be achieved by measures based on an international standard, guideline or recommendation, it shall, when requested, provide the other Party within two months of such request, with a detailed explanation of its scientific justification, for the reasons for such higher standards.

## ARTICLE 6 <br> EQUIVALENCE

1. Parties recognise that the application of equivalence is an important tool for trade facilitation, and shall put in place systems for ensuring determination of equivalence in relation to partial or full equivalence of sanitary and phytosanitary measures as established in the SPS Agreement.
2. Upon request of the exporting Party concerning a measure or measures affecting one or more sector(s) or sub-sector(s), the Parties shall, within three months after receipt by the importing Party of such request, initiate the discussions based on the following principles:
(a) Equivalence can be determined for an individual measure and/or groups of measures related to a certain commodity or categories of commodities.
(b) The consideration of equivalence by the importing Party of a request by the exporting Party for recognition of its measures with regards to a specific commodity shall not be a reason to disrupt trade or suspend on-going imports from the exporting Party of the commodity in question.
(c) Determination of equivalence of measures is an interactive process between the exporting Party and the importing Party. The process consists of an objective demonstration of equivalence of individual measures by the exporting Party and the objective assessment of this demonstration with a view to the possible recognition of equivalence by the importing Party.
(d) Objective demonstration and assessment in this context shall be based on internationally recognised standards; and/or standards based on proper scientific evidence.
(e) The final recognition of equivalence of the relevant measures of the exporting Party rests solely with the importing Party. In each case, the importing Party shall provide to the exporting Party full explanation and supporting data for its determination and decision.
3. Unless otherwise mutually agreed, the importing Party shall finalise the assessment of equivalence in a reasonable period after having received from the exporting Party
its demonstration of equivalence, except for seasonal crops when it is justifiable to delay the assessment to permit verification of phytosanitary measures during a suitable period of growth of a crop.
4. The importing Party may withdraw or suspend equivalence on the basis of any amendment by one of the Parties of measures affecting equivalence, in accordance with the following provisions:
(a) The exporting Party shall inform the importing Party of any proposal for amendment of its measures for which equivalence of measures is recognised and the likely effect of the proposed measures on the equivalence which has been recognised. Within 60 working days of receipt of this information, the importing Party shall inform the exporting Party whether or not equivalence would continue to be recognized on basis of the proposed measures.
(b) The importing Party shall inform the exporting Party of any proposal for amendment of its measures on which recognition of equivalence has been based and the likely effect of the proposed measures on the equivalence which has been recognized.
(c) In case the importing Party does not continue to recognise equivalence under the circumstances outlined in sub-paragraphs (a) and (b), the importing Party shall re-initiate the process upon the request of the exporting Party.
5. The importing Party shall not withdraw or suspend equivalence before the proposed new measures of either Party enters into force.
6. The recognition or withdrawal or suspension of equivalence rests solely with the importing Party acting in accordance with its administrative and legislative framework, which shall adhere to the existing guidelines, standards and recommendations of the OIE, IPPC and the Codex. The importing Party shall provide to the exporting Party in writing full explanation and supporting data used for the determinations and decisions covered by this Article. In case of non recognition, withdrawal or suspension of equivalence, the importing Party shall indicate to the exporting Party the required conditions on which the process referred to in paragraph 2 may be reinitiated.

## ARTICLE 7

## ADAPTATION TO REGIONAL CONDITIONS AND DECISIONS ON REGIONALIZATION

1. The Parties shall recognise the concept of pest- and disease-free areas, and areas of low pest- and low disease-prevalence, in accordance with the SPS Agreement and guided by relevant OIE and IPPC standards, guidelines and recommendations.

2. The Parties shall establish close cooperation on the determination of pest- and diseasefree areas, and areas of low pest- and disease prevalence with the objective of acquiring confidence in the procedures followed by each Party for the determination of pest- and disease-free areas, and areas of low pest- and low disease prevalence.
3. The Parties recognise the principle of compartmentalisation of the OIE and pest free production sites of the IPPC and will assess their future recommendations on the matter and the Committee set up in Article 13 will recommend accordingly.

## ARTICLE 8 CERTIFICATION

1. The Parties shall ensure compliance with Annex $C$ of the SPS Agreement, as well as the following principles and criteria in relation to certification procedures:
(a) Each Party shall introduce such checks and have such control measures taken as are necessary to prevent the issuing of false or misleading certification and the fraudulent production or use of certificates.
(b) Certification shall be in accordance to the standards set by International Standard Setting Bodies.
(c) The certificates shall be drawn up in English and/or Spanish language.
(d) The competent authority of the importing party may consider the request of the exporting party to accept testing and certification by the bodies authorized by the competent authority of the exporting party. In case the competent authority of the importing party refuses to accept the request, the reasons for the same and how the requirements can be met shall be informed to the competent authority of the exporting party.
2. The Committee constituted under Article 13 may through decisions adopt model certificates for specific sectors that shall be used as the basis for certification by the Parties. The Committee may also agree on rules to be followed in case of electronic certification, withdrawal or replacement of certificates.

## ARTICLE 9 <br> VERIFICATION

In order to maintain confidence in the effective implementation of the provisions of this Protocol, each Party shall have the right to carry out audit and verification of the procedures of the other Party, which may include an assessment of all or part of the competent authorities' total control programme.

1. The procedures referred to in paragraph 1 shall be carried out in accordance with Annex C of the SPS Agreement and the following principles:
(a) Verifications should be made in co-operation between the 'auditor' and the 'auditee' in accordance, where 'auditee' is the Party subject to the verification and 'auditor' is the Party carrying on the verification.
(b) Verifications shall be designed to check the effectiveness of the controls of the auditee rather than to reject individual animals, groups of animals, consignments of food establishments or individual lots of plants or plant products.
(c) The frequency of verifications shall be based on performance. A low level of performance may result in an increased frequency of verifications
(d) Verifications, and the decisions based on them, shall be made in a simple, transparent and consistent manner, and the results and conclusions shall be made available to the other Party. The verification methodology shall not be more trade restrictive than necessary.
(e) The Party carrying out the verification may share the results and conclusions of its verification with non-Parties only with the prior written consent of the other Party.
(f) Cost of verifications shall be borne by the Party carrying out the verifications.
2. The Committee under Article 13 may by means of a decision add to the principles specified under paragraph 3 of Article 13, as well as specify procedures for verification and documentation requirements for verification, taking into account the work of international organizations in this regard.

## ARTICLE 10 <br> IMPORT CHECKS

1. The Parties shall ensure that their control, inspection and approval procedures are in accordance with Annex C of the WTO SPS Agreement.
2. The import checks applied to imported animals, animal products, plants and plant products traded between the Parties shall be based on the risk associated with such importations. They shall be carried out in a manner that is least trade-restrictive and without undue delay and shall be based on the following principles:
(a) As regards animals and animal products, the physical checks and its frequency applied shall be based on the risk associated with such imports.
(b) In carrying out the checks for plant health purposes, the importing Party shall ensure that the plants, plant products and other goods and their packaging shall

be meticulously inspected on an official basis, either in their entirety or by representative sample.
3. In the event that the checks reveal non-conformity with the relevant standards and/or requirements, the importing Party shall take measures proportionate to the risk involved. Wherever possible, the importer or his representative shall be given access to the consignment and the opportunity to contribute any relevant information to assist the importing Party.
4. The frequencies of import checks shall be made available on request. On request, an explanation regarding amendments shall be given or consultations shall be undertaken.
5. The Committee constituted under Article 13 may address the issue of import check frequencies.
6. At the request of the exporting Party, the importing Party shall to the maximum extent ensure that officials of the exporting Party or their representatives are given the opportunity to contribute any relevant information to assist the importing Party in taking a final decision.

## ARTICLE 11 <br> COMPETENT AUTHORITIES AND CONTACT POINTS

1. The competent authorities of the Parties are those responsible for the implementation of the measures referred to in this Protocol and are identified in Appendix A.
2. The contact points that have the responsibility relating to communication between the Parties are set out in Appendix B.
3. The Parties shall inform each other of any significant changes in the structure, organization and division of responsibility within its competent authorities or contact points.
4. The Parties agree to enhance their communication and exchange of information between their Competent Authorities on issues within the scope of this Protocol that may affect trade between the Parties.
5. All communications between the contact points shall be in English language.

## ARTICLE 12 <br> TRANSPARENCY

1. The Parties confirm their commitment to implementing the transparency provisions set out in Annex B of the SPS Agreement.
2. Upon the entry of force of this Agreement and, upon the request of the exporting Party, the importing Party shall inform the exporting Party of its sanitary and phytosanitary import requirements for commodities. This information shall include, as appropriate, the models for the official certificates or attestations, as prescribed by the importing Party.
3. In addition, the Parties shall inform each other simultaneously when they are notifying the measure to WTO to modify or introduce SPS regulations or measures that are especially relevant to trade between the Parties.
4. Upon request each Party shall provide to the extent possible translation of relevant documents in English.

## ARTICLE 13 <br> COMMITTEE ON SANITARY AND PHYTOSANITARY MEASURES

1. The Parties hereby establish a Committee on Sanitary and Phytosanitary Measures "Committee" with the objective of ensuring the implementation of this Protocol. The Committee shall comprise representatives of each Party who have responsibility for sanitary and phytosanitary measures.
2. The Committee shall hold its first meeting not later than one year after the date of entry into force of this Protocol.
3. The Committee shall:
(a) ensure monitoring and implementation of this Protocol
(b) enhance cooperation between the Parties' agencies 'with responsibility for sanitary and phytosanitary measures.
(c) enhance mutual understanding of each Party's sanitary and phytosanitary measures and the regulatory processes that relate to those measures;
(d) discuss matters related to the development or application of sanitary and phytosanitary measures that affect, or may affect, trade between the Parties;

(e) consult on issues, relating to the meetings of the WTO SPS Committee, the Codex, the OIE, the IPPC;
(f) coordinate technical cooperation programs on sanitary and phytosanitary measures;
(g) improve bilateral understanding related to specific implementation issues concerning the SPS Agreement;
(h) address any bilateral issues arising from the implementation of sanitary and phytosanitary measures between the two Parties; and
(i) review progress on addressing sanitary and phytosanitary measures that may arise between the Parties' agencies with responsibility for such matters.
4. The Committee shall meet annually unless the Parties otherwise agree. The Committee may meet in person, through teleconference, videoconference or by any other means that ensures its effective operation and the fulfilment of its responsibilities.
5. The Committee shall establish its own rules of procedures during its first meeting to guide its operation which may be revised or further developed.
6. Each Party shall ensure that appropriate representatives with responsibility for the development, implementation, and enforcement of sanitary and phytosanitary measures participate in meetings of the Committee. Each Party shall inform each other of the agencies and ministries responsible for all SPS measures.
7. The Committee may agree to establish ad hoc technical working groups in accordance with the Committee's rules of procedures.

## ARTICLE 14

COOPERATION

1. The Parties recognise the importance of cooperation as regards sanitary and phytosanitary measures in order to achieve the objectives of this Agreement. The Parties shall work cooperatively in the fields of sanitary and phytosanitary measures with a view to facilitating trade between the Parties.

2. Consistent with the objectives of this Protocol, the Parties shall explore opportunities for further cooperation in sanitary and phytosanitary matters of mutual interest. In particular, the Parties agree to cooperate, including by facilitating support, in the following, among other areas:
(a) improvement of monitoring, implementation and enforcement of SPS measures including training and information events for regulatory personnel. Public and private sector partnerships may be supported for the achievement of these objectives;
(b) establishment of the appropriate arrangements for the sharing of expertise, to address issues of human, animal and plant life or health, as well as training and information events for regulatory personnel and possible exchange of officials;
(c) carry out joint research and share the results of such research in important areas, such as:animal and plant disease surveillance;animal and plant pest and disease prevention and control;detection methods for pathogenic microorganisms in food;surveillance and control of harmful substances and agri-chemical and veterinary medicine residues and other food safety issues; and any other food safety, phytosanitary and zoosanitary issues of mutual interest.

## ARTICLE 15 EXCHANGE OF INFORMATION

1. Each Party shall give prompt and positive consideration to any request from the other Party for consultations on issues relating to the implementation of this Protocol.
2. The Parties agree to enhance their communication and exchange of information on issues within the scope of this Chapter and in particular on ways to facilitate compliance with each other's sanitary and phytosanitary measures and to eliminate unnecessary obstacles to trade in goods between them.
3. The Parties shall also exchange information on other relevant topics including:
(a) significant events concerning commodities covered by this Agreement;
(b) the results of verification inspections;
(c) the results of import checks in the case of rejected or non-compliant consignments of animals and animal products;
(d) scientific opinions, relevant to this Agreement and produced under the responsibility of a Party;

## ARTICLE 16

 CONSULATIONS AND DISPUTE SETTLEMENT1. The Parties agree to work expeditiously to resolve any specific trade related issue arising because of a sanitary and phytosanitary measure and, to this end, commit to carry out the necessary technical level discussion to resolve any such issue including an assessment of the scientific basis $f$ the measure.
2. Where a Party considers that a sanitary or phytosanitary measure affecting trade between it and the other Party warrants further discussion, it may, through the contact points, request a detailed explanation of the sanitary or phytosanitary measure, including request for any information on the same, if necessary, request to hold consultation in an attempt to resolve any concerns or specific issues arising from the application of the sanitary or phytosanitary measure. The other Party shall respond promptly to any request for such explanations and provide a written response within 60 days from the date of the request,
3. Consultations will be carried out within 30 days of receiving the application, unless mutually agreed to by both Parties. Such consultations may be conducted via teleconferencing, videoconferencing, or any other means mutually agreed upon by the Parties.
4. If the Parties fail to resolve sanitary and phytosanitary issues arising from the implementation of this Agreement through Consultations they may resort to Annex E (Dispute Settlement Procedures) of this Agreement.

## ARTICLE 17 BORDER PROCEDURES

1. Goods in Transit

Regarding goods in transit, the Parties agree on the following principles:
(a) Goods in transit shall not be inspected unless necessary because of clearly identifiable risk, which shall be recorded in writing.
(b) Procedures involving inspection of goods in transit shall be recorded.
2. Provisions relating to Detention of Consignments

In case local Competent Authorities determine the detention of a consignment, the following principles shall be applied:
(a)The Competent Authority shall, except in extraordinary circumstances to be recorded in writing, give an opportunity to those responsible for the consignment to present relevant facts before a decision regarding the consignment is taken.
(b)The Competent Authorities of each Party shall keep written records of the procedures involving detention of consignments.

# ANNEX G <br> PROTOCOL ON TECHNICAL BARRIERS TO TRADE 

## ARTICLE 1 <br> OBJECTIVES

The objectives of this Protocol are to:
(a) Provide a framework and supporting mechanisms to increase and facilitate bilateral trade in goods by eliminating and preventing unnecessary barriers to trade while taking into account the legitimate objectives of the Parties and the principle of nondiscrimination, within the Agreement on Technical Barriers to Trade contained in Annex 1A of the WTO Agreement (hereinafter referred to as "The TBT Agreement");
(b) Ensure transparency in standards, technical regulations, and conformity assessment procedures, including those related to metrology, and that these do not create unnecessary obstacles to trade and are not more trade restrictive than necessary to fulfill a legitimate objective;
(c) Enhance joint cooperation between the Parties, and between regulatory authorities and conformity assessment bodies in the Parties, in order to resolve specific issues related to the development and application of standards, technical regulations and conformity assessment procedures, and establish a framework for expeditious recognition of equivalence and mutual recognition, thereby facilitating the conduct of bilateral trade in goods;
(d) Enhancing cooperation among the Parties' regulatory agencies responsible for preparation, adoption and application of standards, technical regulations and conformity assessment procedures applicable to goods;
(e) Provide a mechanism for expeditious resolution of issues, including disputes relating to technical regulations, conformity assessment procedures and standards.

## ARTICLE 2 <br> AFFIRMATION OF THE WTO TBT AGREEMENT

1. The Parties reaffirm their existing rights and obligations with respect to each other under the TBT Agreement.

## ARTICLE 3

DEFINITIONS

1. "Protocol" means the entire text of this Chapter and all its Annexes;
2. "Agreement" means the entire text of the Preferential Trade Agreement between the Republic of India and the Republic of Chile, signed in New Delhi, on March 8, 2006;
3. For purposes of this Protocol, the definitions of Annex I to the TBT Agreement shall apply.

## ARTICLE 4 <br> SCOPE

1. This Protocol applies to the preparation adoption and application of all standards, technical regulations, and conformity assessment procedures that may, directly or indirectly, affect trade in goods between the Parties.
2. Notwithstanding paragraph 1 , this Protocol does not apply to:
(a) technical specifications prepared by governmental bodies for production or consumption requirements of such bodies; or
(b) sanitary and phytosanitary measures as defined in Annex $A$ of the SPS Agreement which are covered in Annex F of this Agreement.
3. Each Party shallensure compliance in the implementation of this Protocol by the central government and shall take such reasonable measures as may be available to them to ensure compliance in the implementation of this Protocol by the local government and non-governmental bodies within its territory that are responsible for the preparation, adoption and application of standards, technical regulations and conformity assessment procedures.

## ARTICLE 5 <br> TECHNICAL COOPERATION

1. The Parties shall strengthen their cooperation in the field of standards, technical regulations, and conformity assessment procedures with a view to increasing the mutual understanding of their respective systems and facilitating access to their respective markets. To this end, the Parties shall establish dialogue at both the horizontal and sectoral levels, as necessary, between the competent authorities and other regulators from their territories.
2. In their bilateral cooperation, the Parties shall work to identify, develop and promote trade facilitating measures which may include, but are not limited to:
a) Reinforcing regulatory cooperation through measures and steps such as the exchange of information, experience and data, and scientific and technical cooperation with a view to creating technical regulations, standards and conformity assessment procedures are not more trade restrictive than necessary and making efficient use of regulatory resources;
b) Simplifying technical regulations, standards and conformity assessment procedures, where appropriate;
c) Equivalence of their respective technical regulations, standards and conformity assessment procedures;
d) Promoting and encouraging full participation in international standard setting bodies, and reinforcing the role of international standards as a basis for technical regulations;
e) Promoting and encouraging cooperation between their respective organisations, public or private, responsible for metrology, standardisation, testing, certification, inspection and accreditation, both bilaterally and in international fora;
f) Developing the use of mechanisms to facilitate the acceptance of the results of conformity assessment procedures conducted in the other Party's territory;
g) At the request of a Party that has an interest in developing a standard, technical regulation or conformity assessment procedures similar to that of the other Party, the other Party shall provide, to extent practicable, relevant information, studies, or other documents, except for confidential information.
h) Working towards the possibility of converging or aligning technical requirements and conformity assessment procedures in areas where no international standard exists;
i) Developing an understanding of regulatory concerns, including implementation issues, of the other Party in areas related to Technical Barrier to Trade;
j) Exchanging information on the range of mechanisms that exist to facilitate the acceptance in a Party's territory of the results of conformity assessment procedures conducted in the other Party's territory;
k) Promoting the accreditation of conformity assessment bodies on the basis of relevant international standards and guides;

I) Promoting the acceptance of results of conformity assessment bodies that have been recognized under a relevant multilateral agreement or an arrangement between their respective accreditation systems or bodies; and
$\mathrm{m})$ Encouraging their conformity assessment bodies, including accreditation bodies, to participate in cooperation arrangements, including mutual recognition agreements that promote the acceptance of conformity assessment results.

## ARTICLE 6 <br> INTERNATIONAL STANDARDS

1. Each Party shall use relevant international standards, guides and recommendations as a basis for its technical regulations and conformity assessment procedures in accordance with Articles 2.4 and 5.4 of the TBT Agreement. Any deviations from international standards, guides and recommendations shall be possible only under the circumstances outlined in Articles 2.4 and 5.4 of the TBT Agreement.
2. For the purposes of paragraph 1, the Parties shall apply the principles set for the Development of International Standards, Guides and Recommendations with relation to Articles 2, 5 and Annex 3 of the Agreement, adopted by the WTO Committee on Technical Barriers to Trade since 1 January 1995.

## ARTICLE 7 <br> TECHNICAL REGULATIONS

1. Each Party agrees to allow reasonable time period of at least 180 days between adoption of new technical regulations and their coming into force for domestic and foreign economic operators to adapt to new requirements except in cases of urgent problems of safety, health, environmental protection or national security.
2. Upon the request of the other Party, each Party should enter into negotiations for accepting as equivalent, technical regulations of another Party, even if these regulations differ from its own, provided that those technical regulations produce outcomes that are equivalent to those produced by its own technical regulations in meeting its legitimate objectives and achieving the same level of protection.
3. Where a Party declines a request from the other Party to engage in consideration of equivalence, it shall, upon request of that other Party, explain the reasons for its decision, and explain the requirements under which consideration of equivalence can be commenced.

## ARTICLE 8

## STANDARDS

1. With respect to the preparation, adoption and application of standards, each Party shall ensure that its standardising bodies, whether central government, local/ regional government as well as non-governmental bodies which are involved in formulation of standards, accept and comply with the TBT Agreement's Code of Good Practice.
2. The Parties should exchange information on:
(a) the Parties' use of standards in connection with technical regulation, with a view to clarify the distinction between voluntary standards and technical regulations;
(b) the Parties' standardisation processes and the extent of usage of international standards as a base for their national, regional and/or local standards;
(c) cooperation agreements used by either Party in standardisation, for example on standardisation issues in free trade agreements with third parties.
3. At the request of a Party that has an interest in developing a standard similar to that of the other Party, the other Party shall provide, to the extent practicable, relevant information, studies, or other documents, except for confidential information, on which it or its standardizing bodies has relied in the development of such standards.

## ARTICLE 9 CONFORMITY ASSESSMENT AND ACCREDITATION

1. Each Party agrees to allow reasonable time, which shall not be less than 180 days, between adoption of conformity assessment procedures and their coming into force for domestic and foreign economic operators to adapt to new requirements except in cases of urgent problems of safety, health, environmental protection or national security.
2. The Parties agree to seek to increase efficiency, avoid duplication and ensure cost effectiveness through an appropriate range of mechanisms in order to facilitate the acceptance of the results of conformity assessment procedures conducted in the other Party. In this regard, the Parties recognise that a broad range of mechanisms exist to facilitate the acceptance in a Party's territory of the results of conformity assessment procedures conducted in the other Party's territory, which may include:
(a) accreditation procedures for qualifying conformity assessment bodies and promotion of the recognition of accreditation and certification bodies in the territory of other party under international mutual recognition arrangements;
(b) Recognizing the results of certain conformity assessment procedures conducted in the territory of the other Party;
(c) Agreement with the other Party to accept the results of conformity assessment procedures that bodies located in the other Party's territory conduct with respect to specific technical regulations;
(d) Designation of conformity assessment bodies located in the territory of the other Party;
(e) Facilitation of acceptance of results of each other's assessment procedures through agreements between conformity assessment bodies in their territories;
(f) Reliance on a supplier's declaration of conformity where appropriate; and
(g) Use of regional and international multilateral recognition agreements and arrangements which the Parties are members to.

The Parties shall exchange information on these and other similar mechanisms with a view to facilitating acceptance of conformity assessment results.
3. Where a Party does not accept the results of a conformity assessment procedure conducted in the territory of the other Party, it shall, on request of the other Party, explain the reasons for its decision so that corrective action may be taken, when appropriate, by the requesting Party.
4. The Parties shall seek to ensure that conformity assessment procedures applied between them facilitate trade by ensuring that they are no more restrictive than is necessary to provide an importing Party with confidence that products conform with the applicable technical regulations, taking into account the risk that non-conformity would create.
5. Upon the request of the other Party, each Party should enter into negotiations for accepting as equivalent, conformity assessment procedures of the other Party, even if these procedures differ from its own, provided that those procedures offer an assurance of conformity with applicable technical regulations or standards equivalent to their own conformity assessment procedures.
6. With respect to Accreditation, Approval and Licensing of Conformity Assessment Bodies:
(a) Each Party shall accredit, approve, license, or otherwise recognise conformity assessment bodies in the territory of the other Party on terms no less favourable than those it accords to conformity assessment bodies in its territory.
(b) Where a Party accredits, approves, licenses, or otherwise recognises a body assessing conformity with a specific technical regulation or standard in its territory and refuses to accredit, approve, license, or otherwise recognise a body assessing conformity with that technical regulation or standard in the territory of the other Party, it shall, on request of that other Party, explain the reasons for its decision, and the basis on which such accreditation, approval, licensing or recognition may be achieved.
(c) Each Party shall, consider appropriately request from the other Party to enter into negotiations of an agreement for recognition in its territory of results of conformity assessment procedures conducted by bodies in the other Party's territory, commence such negotiations. Where a Party declines a request from the other Party to engage in negotiations or conclude an agreement on facilitating recognition in its territory of the results of conformity assessment procedures conducted by bodies in the other Party's territory, it shall, on request of that other Party, explain the reasons for its decision.
(d) Without prejudice to the generality of sub-clauses (a) and (b), each Party shall consider accepting testing and certification of imported products by conformity assessment bodies accredited by the national accreditation body of the other Party which is a signatory to the International Laboratory Accreditation Cooperation (ILAC) Mutual Recognition Arrangement, or the International Accreditation forum (IAF) Multilateral Arrangement to which the Parties are members. In case the other Party rejects the request, the reasons for the same may be explained and also the requirements which need to be met for accepting the request for testing and certification.

## ARTICLE 10 TRANSPARENCY

1. The Parties reaffirm their commitment to implement the transparency provisions set out in the TBT Agreement.
2. The Party shall transmit the proposed measure electronically to the other Party through its TBT enquiry point at the same time as it notifies the measure to the WTO. Each Party should normally allow at least 60 days for making comments in writing on the proposed measure.

3. On request of the Party, the other Party shall provide information regarding the objective of, and rationale for a standard, technical regulation or conformity assessment procedure that it has adopted or is proposing to adopt.

## ARTICLE 11

## MUTUAL RECOGNITION AGREEMENTS

1. The Parties shall, within sixty days upon the request of the other Party, analyse the possibility to enter into negotiations for possible MRAs on the results of conformity assessment procedures, conducted by conformity assessment bodies of the exporting Party to assess conformity to importing. Party's requirements, in the sectors which both Parties agree upon. Both Parties shall take a decision on the conclusion of such agreements without delay after commencement of negotiations.
2. With a view to facilitating the negotiation for possible MRA referred to in paragraph 1:
a) the Parties shall take into consideration that a broad range of mechanisms exist to facilitate the acceptance of the results of conformity assessment procedures;
b) the Parties shall, recognizing the existence of differences in the structure and operation of conformity assessment procedures in their respective territories, endeavour to make compatible the conformity assessment procedures to the greatest extent practicable; and
c) in order to build confidence in the reliability of results of conformity assessment procedures conducted by conformity assessment bodies of the other Party, a Party may consult with the other Party, as appropriate, on such matters as the technical competence of the conformity assessment bodies of the other Party.
3. Any MRAs concluded between the Parties shall be attached as Annex to this Protocol (Mutual Recognition Agreements).

## ARTICLE 12

FEE AND PROCESSING PERIODS

1. In regard to fees charged and processing periods for assessing the conformity of products, both Parties reaffirm their obligations under Article 5.2 of the TBT Agreement.

2. The Parties shall mutualiy discuss and resolve issues relating to the quantum of fees.

3. The Parties, on request, shall notify each other of:
a) any fees imposed for mandatory conformity assessments; and
b) the processing period for any mandatory conformity assessments.

## ARTICLE 13 TRADE FACILITATION

## 1. Regulatory Cooperation

a) The Parties shall work cooperatively in the fields of preparation, adoption and application of standards, technical regulations and conformity assessment procedures with a view to facilitating trade between the Parties.
b) For facilitating trade, the Parties shall seek to identify trade facilitating bilateral initiatives regarding preparation, adoption and application of standards, technical regulations and conformity assessment procedures that are appropriate for particular issue or sectors. Such initiatives may include:
i. cooperation on regulatory issues, such as equivalence of technical regulations and standards;
ii. use of international standards as far as possible;
iii. reliance on a supplier's declaration of conformity;
iv. use of accreditation to qualify conformity assessment bodies; and
v. cooperation through recognition of conformity assessment procedures and bodies.

## 2. Goods in Transit

The Parties understand the concept of transit as defined under Article V of the General Agreement on Tariffs and Trade 1994, contained in Annex 1A of the WTO Agreement. In respect of goods in transit, the Parties agree on the following principles:
i. Goods in transit shall not be inspected unless necessary because of a clearly identifiable risk which shall be recorded in writing;
ii. Procedures involving inspection of goods in transit shall be recorded.

Y3. Provisions relating to Detention of Consignments

In case local Competent Authorities determine the detention of a consignment, the following principles shall be applied:
a) The Competent Authority shall, except in extraordinary circumstances to be recorded in writing, give an opportunity to those responsible for the consignment to present relevant facts before a decision regarding the consignment is taken.
b) The Competent Authorities of each Party shall keep written records of the procedures involving detention of consignments.

## ARTICLE 14

## LABELLING

1. The Parties recognize that labelling requirements may be necessary to inform consumers of certain essential characteristics of products, and consistent with the TBT Agreement, shall not be used to create unnecessary obstacles to trade.
2. The Parties agree that where a Party requires mandatory labelling of products:
a) requirement of labeling shall be formulated in a manner that is not more trade restrictive than necessary to fulfill the legitimate objective;
b) where a Party requires the use of a unique identification number by economic operators, the Party shall issue such a number to the other Party's economic operators without undue delay and under conditions no less favourable than those applied to domestic operators; and
c) where permanent labels are required, Parties shall ensure that such labelling requirements are consistent with the legitimate objectives of the Parties in accordance with Article 2.2 of the TBT Agreement.

## ARTICLE 15

COMMITTEE ON TECHNICAL BARRIERS TO TRADE

1. In order to facilitate and enhance implementation of this Protocol and cooperation between the Parties, the Parties hereby establish a Committee on Technical Barriers to Trade, comprising representatives of each Party.
2. The meeting of the Committee will be co-chaired by a representative of each Party.
3. All the decisions of the Committee will be by consensus.

4. The Committee's functions and responsibilities shall include:
a) monitoring : and reviewing the implementation and administration of this Protocol;
b) promptly addressing any issue that a Party raises related to the development, adoption, application, or enforcement of technical regulations or conformity assessment procedures;
c) enhancing cooperation in the development and improvement of technical regulations and conformity assessment procedures in each Party and relevant international foras;
d) facilitate exchange of information on standards, technical regulations and conformity assessment procedures, in response to all reasonable requests for such information from a Party;
e) facilitate the promotion of mechanisms to accept conformity assessment results, such as mutual recognition agreements, equivalence agreements, etc. to support greater regulatory alignment and to eliminate technical barriers to trade between the Parties;
f) where appropriate, facilitating sectoral cooperation among governmental and non-governmental bodies in the Parties' territories;
g) facilitate exchange of information and strengthen communication and coordination with each other, where appropriate, on developments in nongovernmental, regional, and multilateral fora engaged in activities related to standardisation, technical regulations and conformity assessment procedures;
h) taking any other steps the Parties consider will assist them in implementing the TBT Agreement and in facilitating trade in goods between them;
i) at a Party's request, consulting on any matter arising under this Chapter;
j) as it considers appropriate, reporting to the Joint Administration Committee on the implementation of this Protocol;
k) Give favourable consideration to any sector-specific proposal the other Party makes for cooperation under this Protocol.
I) Establishment of ad hoc working groups if necessary.
5. The Committee shall meet when and where it considers necessary, preferably once a year, with the presence of the relevant representatives of each Party or hold its

meetings via teleconference, videoconference or through other means mutually determined by the Parties.

## ARTICLE 16 CONTACT POINTS

1. Each Party shall designate a contact point or contact points who shall, for that Party, have responsibility for coordinating the implementation of this Protocol.
2. Each Party shall provide the other Party with the name of the designated contact point or contact points and the contact details of the relevant official in that organization, including telephone, facsimile, email and any other relevant details. Each Party shall notify the other Party promptly of any change of their contact points or any amendments to the details of the relevant officials.
3. Each Party shall ensure that its contact point or contact points facilitate the exchange of information between the Parties on standards, technical regulations and conformity assessment procedures, in response to all reasonable requests for such information from a Party.

## ARTICLE 17

EXCHANGE OF INFORMATION AND CONSULTATIONS

1. Each Party shall give prompt and positive consideration to any request from another Party for consultations on issues relating to the implementation of this Protocol.
2. The Parties agree to enhance their communication and exchange of information on issues within the scope of this Protocol and in particular, on ways to facilitate compliance with each other's technical regulations, standards and conformity assessment procedures and to eliminate unnecessary obstacles to trade in goods between them.
3. Each Party shall respond to any requests for information or clarification from the other Party regarding any technical regulations, standards or conformity assessment procedures, within 60 days of request for such information or clarification.

## ARTICLE 18

TECHNICAL CONSULTATIONS

1. Either Party may request technical consultations on issues relating to this Protocol. Unless the Parties mutually determine otherwise, the Parties shall hold technical
consultations within forty five days from the request for technical consultations by email, by teleconference, by video-conference, or through any other means, as mutually determined by the Parties.
2. Where a Party has requested technical consultations on the application of any technical regulations or conformity assessment procedures, the Parties may, with mutual consent agree to establish a technical working group with a view to identify a workable and practical solution. The Parties may, subject to mutual agreement, establish any mechanisms as deemed necessary to resolve any issues that arise.
3. Technical consultations held pursuant to this Article are without prejudice to the rights and obligations of the Parties under Annex E of this Agreement (Dispute Settlement Procedures).

## ARTICLE 19

 DISPUTE SETTLEMENTIn the event of any issue related to Technical Barrier to Trade measures which may affect trade between the Parties, cannot be resolved in accordance with Article 18, then either Party may resort to the understanding on Rules and Procedures Governing the Settlement of Disputes contained in Annex 2 of the WTO Agreement or Annex E of this Agreement (Dispute Settlement Procedures).
