

Addendum to TIES Guidelines FY 2021-22 to 2025-26

(dated 02nd December 2021)

TIES guidelines for FY2021-22 to 2025-26 [para 6.2] provides the following:

"The Central Government assistance for infrastructure creation will be in the form of grant-in-aid, normally not more than the equity being put in by the implementing agency or 50% of the total equity in the project. (In case of projects located in North Eastern States, Himalayan States including UT of J&K, Ladakh this grant can be upto 80% of total equity). In addition, the States with relative poor export infrastructure, lacking institutional capacity for preparing good DPRs but have positive export potential, this grant can be upto 80% of the total equity."

Keeping above in view, Empowered Committee on TIES in its 15th meeting held on 24.11.2021, decided that all the States (except Himalayan States, NER States and UTs) may be ranked based on Exports/GSDP ratio. 10 least performing states figuring in the list be considered for financial assistance upto 80% under TIES.

The list of 10 least performing States is as follows:

S.No.	Name of State
1.	Bihar
2.	Jharkhand
3.	Chhattisgarh
4.	Madhya Pradesh
5.	Rajasthan
6.	Telangana
7.	West Bengal
8.	Uttar Pradesh
9.	Karnataka
10.	Punjab

*Ten least performing States calculated on the basis of Exports as the %age of GSDP_{CP} 2019-20
