Para 25 Tomato, onion and potato are basic vegetables consumed throughout the year. However, seasonal and regional production of these perishable commodities pose a challenge in connecting farmers and consumers in a manner that satisfies both. My Government proposes to launch an “Operation Greens” on the lines of “Operation Flood”. “Operation Greens” shall promote Farmer Producers Organizations (FPOs), agri-logistics, processing facilities and professional management. I propose to allocate a sum of ₹500 crore for this purpose.

Para 103 In the current year, we included, in the scope of harmonized list of infrastructure, ropeways to promote tourism, logistics parks and expanded the scope of railways infrastructure to include development of commercial land around railway stations.

Para 122 Department of Commerce will be developing a National Logistics Portal as a single window online market place to link all stakeholders.
