Sir/Madam,

It is hereby informed that one year 'Advanced Management Programme in Public Policy' (AMPPP) is being conducted by Indian School of Business (ISB), the 4<sup>th</sup> Batch of which is scheduled to commence from 3<sup>rd</sup> May, 2019. The course is entirely a domestic long term programme without any foreign component and will be carried out at ISB's Mohali & Hyderabad campuses.

**Course pedagogy:**

2. Unlike the existing Long Term Domestic Programmes of this Department, which have full time components of institutional attachment, as well as international exposure embedded in them, the AMPPP has been conceptualized as an officer friendly domestic training programme on public policy without any international component. The advantage being that unlike other long term programmes, this programme is structured with minimal dislocation of officers from their work places, thereby allowing them to continue with their current assignment/posting during the duration of the course. The programme uses latest communication technology to bridge the distance and reduce the need for face-to-face classroom-based course delivery.

es-in meehy

3. The programme encompasses three baskets of learning:

- Toolkits (fundamentals - economics, finance and accounts and quantitative methods, policy design and implementation frameworks etc)
- Domain knowledge (Urban planning, Infrastructure, Social Policy etc) and
- Skill areas (leadership, communication and negotiation)
